KAELYN JAMARI

Christian Theology InterVarsity Press

Surveys and identifies the most important primary liturgical and theological texts (biblical, Patristic, medieval, Reformation, and modern) on Eucharistic materiality. Brings together the most significant research on the Eucharist in liturgical studies and theology. Expands the horizons of Eucharistic theology beyond an ecclesial setting, situating it within the larger created order.

In the Beginning Baker Books

A compelling guide for anyone on a quest for spiritual understanding

Introduction to Christianity Baker Books

Darwinism and the Divine examines the implications of evolutionary thought for natural theology, from the time of publication of Darwin's *On the Origin of Species* to current debates on creationism and intelligent design. Questions whether Darwin's theory of natural selection really shook our fundamental beliefs, or whether they served to transform and illuminate our views on the origins and meaning of life. Identifies the forms of natural theology that emerged in 19th-century England and how they were affected by Darwinism. The most detailed study yet of the intellectual background to William Paley's famous and influential approach to natural theology, set out in 1802. Brings together material from a variety of disciplines, including the history of ideas, historical and systematic theology, evolutionary biology, anthropology, sociology, and the cognitive science of religion. Considers how Christian belief has adapted to Darwinism, and asks whether there is a place for design both in the world of science and the world of theology. A thought-provoking exploration of 21st-century views on evolutionary thought and natural theology, written by the world-renowned theologian and bestselling author.

Christianity Regent College Publishing

Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's *The Christian Theology Reader* is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history. Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study questions. Includes new readings on world Christianity and feminist, liberation, and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world. Contains additional pedagogical features, such as new discussion questions and case studies, and a robust website with new videos by the author to aid student learning. Designed to function as a stand-alone volume, or as a companion to *Christian Theology: An Introduction*, 6th edition, for a complete overview of the subject.

Narrative Apologetics Wiley-Blackwell

In exploring Christian discipleship, Alister McGrath encourages readers to move beyond a superficial grasp of their faith to discover its depth and riches. He equips readers to grow in wisdom and

develop an accurate Christian worldview that informs the way they think, imagine, and act. Helpfully drawing on the insights of other illuminating writers, including Dorothy L. Sayers, C. S. Lewis, John Stott, and J. I. Packer, McGrath offers counsel on holding on to hope while journeying through darkness and on how to live meaningfully in a world in which things don't always seem to make sense.

Theology John Wiley & Sons

Scientific Theology: Reality Wiley-Blackwell

2011 Christianity Today Book Award winner! Alister McGrath, one of the most prominent theologians and public intellectuals of our day, explains how Christian thinking can and must have a positive role in shaping, nourishing and safeguarding the Christian vision of reality. With this in our grasp, we have the capacity for robust intellectual and cultural engagement, confidently entering the public sphere of ideas where atheism, postmodernism and science come into play. This book explores how the great tradition of Christian theological reflection enriches faith. It deepens our appreciation of the gospel's ability to engage with the complexities of the natural world on the one hand and human experience on the other.

An Introduction John Wiley & Sons

This highly successful and popular book is now available in a thoroughly expanded and updated new edition. Alister E. McGrath, one of the world's leading theologians, provides readers with a concise and balanced introduction to Christianity as it has been interpreted by many of its greatest thinkers and commentators, from its beginning to the modern day. *Theology: The Basic Readings*, 3rd Edition comprises sixty-eight readings spanning twenty centuries of Christian history. To help readers engage with the material, each reading is accompanied by an introduction, comments, study questions, and a helpful glossary of terms used by its author. Readings are drawn from a broad theological spectrum and include both historical and contemporary, mainstream, and cutting-edge approaches. Uses the Apostles' Creed as a framework to introduce readers to writings on key issues, such as faith, God, Jesus, creation, and salvation. Represents two thousand years of sustained critical reflection within western Christianity. Encourages readers to interact with each text and to engage with primary sources. Serves as an ideal companion to the bestselling, *Theology: The Basics* or as a

standalone text *Theology: The Basic Readings*, 3rd Edition is an essential guide to the topics, themes, controversies, and reflections on Christianity as they have been understood by many of its greatest commentators.

Christian Spirituality John Wiley & Sons

Reformation Thought, 4th edition offers an ideal introduction to the central ideas of the European reformations for students of theology and history. Written by the bestselling author and renowned theologian, Alister McGrath, this engaging guide is accessible to students with no prior knowledge of Christian theology. This new edition of a classic text has been updated throughout with the very latest scholarship. Includes greater coverage of the Catholic reformation, the counter-reformation, and the impact of women on the reformation. Explores the core ideas and issues of the reformation in terms that can be easily understood by those new to the field. Student-friendly features include images, updated bibliographies, a glossary, and a chronology of political and historical ideas. This latest edition retains all the features which made the previous editions so popular with readers, while McGrath's revisions have ensured it remains the essential student guide to the subject.

The Passionate Intellect WaterBrook

This text fills the need for a clear, informative, helpful and well-written introduction to Christian spirituality. Includes a detailed guide to resources in spirituality available on the Internet. Written by a leading theological educationalist in a clear and accessible manner. Encourages active engagement with primary sources through worked case studies.

An Introduction Baker Academic

'Christianity is not, and never has been, about finding the right combination of words! It is about encountering the living and loving God.' From this truth many people have drawn the wrong conclusion that doctrine is irrelevant, except (maybe) for theologians. Yet every time we talk about God, Jesus, or the Bible we end up making doctrinal statements. If our faith is to be coherent and if we want to grow in our faith, we cannot avoid thinking about doctrine. In this highly readable and much-needed book, Alister McGrath explains what doctrine is, why it is important, and what its limitations are. He then briefly examines three key doctrines to illustrate his points: the Incarnation, the Atonement, and the Trinity.

The Basics The Christian Theology Reader

This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology. In this revised and expanded edition, the author introduces readers to the central ideas and beliefs, the key debates and the leading thinkers of Christianity. Throughout, the aim is to bring clarity and brevity to the central ideas of theology, both traditional and contemporary. The text comprehensively covers the individual doctrines that form the Christian belief system, weaving together these doctrines, their history, and the intellectual nuance behind them into an interconnected web. All major Christian denominations are explored, as are their differences and shared customs and beliefs. This rich tapestry results in a clear view of Christianity, providing a coherent vision of the religion in its main forms.

Science and Theology in an Age of Multiple Rationalities Westminster John Knox Press

A major new introduction to the global history of Christianity, written by one of the world's leading theologians and author of numerous bestselling textbooks. Provides a truly global review by exploring the development of Christianity and related issues in Asia, Latin America and Africa, and not just focusing on Western concerns. Spanning more than two millennia and combining elements of theology, history, and culture, it traces the development of all three branches of Christianity – Catholic, Protestant, and Orthodox – providing context to Christianity's origins and its links to Judaism. Looks beyond denominational history at Christianity's impact on individuals, society, politics, and intellectual thought, as well as on art, architecture, and the natural sciences. Combines McGrath's acute historical sensibility with formidable organizational skill, breaking the material down into accessible, self-contained historical periods. Offers an accessible and student-oriented text, assuming little or no advance theological or historical knowledge on the part of the reader.

Christianity Lion Books

Freshly updated for this second edition with considerable new material, this authoritative introduction to the history of Christian theology covers its development from the beginnings of the Patristic period just decades after Jesus's ministry, through to contemporary theological trends. A

substantially updated new edition of this popular textbook exploring the entire history of Christian thought, written by the bestselling author and internationally-renowned theologian Features additional coverage of orthodox theology, the Holy Spirit, and medieval mysticism, alongside new sections on liberation, feminist, and Latino theologies, and on the global spread of Christianity Accessibly structured into four sections covering the Patristic period, the Middle Ages and Renaissance, the reformation and post-reformation eras, and the modern period spanning 1750 to the present day, addressing the key issues and people in each Includes case studies and primary readings at the end of each section, alongside comprehensive glossaries of key theologians, developments, and terminology Supported by additional resources available on publication at www.wiley.com/go/mcgrath

Theology John Wiley & Sons

The author of *The Journey* traces the origins and history of the world's most familiar translation of the Bible; discusses the political, religious, and technological forces that prompted its creation; and assesses the influence of the King James Bible on literature, religious belief, and more. Reprint. 25,000 first printing.

Mere Apologetics Baker Books

The Christian Theology Reader John Wiley & Sons

Knowing Christ John Wiley & Sons

Alister E. McGrath begins his book by critically engaging the views of George Lindbeck on doctrine before moving on to present a fresh understanding of the nature and function of Christian doctrine

within the church. Particular attention is paid to the way in which doctrine acts as a demarcator between communities of faith, providing important insights into contemporary ecumenical debates. McGrath also explores the crucial issue of the authority of the past in Christian theology, focusing especially on how doctrine serves to maintain continuity within the Christian tradition. The *Genesis of Doctrine* represents an exploration of a "middle way" in relation to the significance of Christian doctrine, rejecting both those approaches that insist on the uncritical repetition of the doctrinal heritage of the past and those that disallow the authority of past doctrinal formulations. The book concludes by considering whether doctrine has a future within the church, answering this question in the affirmative on the basis of a number of important theological and cultural considerations. Product Description: Explores the crucial issue of the authority of the past in Christian theology, focusing especially on how doctrine serves to maintain continuity within the Christian tradition.

Historical Theology Blackwell Publishing

Christian Theology: An Introduction, one of the most internationally-acclaimed Christian theology textbooks in use, has been completely rewritten for the 6th edition. It now features new and extended material and companion resources, ensuring it retains its reputation as the ideal introduction for students. A new edition of the bestselling Christian theology textbook to celebrate its 25th anniversary Rewritten throughout for exceptional clarity and accessibility, and adds substantial new material on the Holy Spirit Features increased coverage of postcolonial theology, and feminist theology, and prodigious development of world theology Increases the focus on contemporary theology to complement the excellent coverage of historical material A new 2-color design includes more pedagogical features including textboxes and sidebars to aid learning
