Macmillan

This six-time Eisner Award-winning comic book series blending fantasy and humor features the adventures of paranormal pets investigating the horrors of their suburban community. This volume collects the comic-book series *Beasts of Burden* issues #1-4, the short stories from the *Dark Horse Book of Hauntings*, the *Dark Horse Book of Witchcraft*, the *Dark Horse Book of the Dead*, and the *Dark Horse Book of Monsters*, "Stray," "Unfamiliar," "Let Sleeping Dogs Lie," and "A Dog and His Boy," published by Dark Horse Comics. Black magic, demonic frogs, and zombie roadkill are just a few of the problems

plaguing this seemingly sleepy little town. Beneath the quiet streets a rat cabal plots vengeance, while in the local cemetery the dead leave their graves. With the human residents unaware of the supernatural danger, it's up to a determined crew of dogs (and one cat) to keep their community safe. Lives will be lost, and bonds forged as the beasts of Burden Hill battle against an unknown evil rooted within their town. Award-winning comics creators Evan Dorkin (Milk & Cheese) and Jill Thompson (Scary Godmother) come together to share the lives of some unlikely heroes. "For pet lovers and enthusiasts of supernatural mysteries, the series is an absolute must. . . The surprise factor within this series is not the suspense or horror, but rather the emotional resonance that the writing and illustrations create. . . *Beasts of Burden* is one of the comic book highlights of 2009."--USA Today

Something to Fear Image Comics

Out of the ashes of a devastated Woodbury, Georgia, two opposing camps of ragtag survivors develop - each one on a collision course with the other. Underground, in the labyrinth of ancient tunnels and mine shafts, Lilly Caul and her motley crew of senior citizens, misfits, and children struggle to build a new life. But a secret ambition still burns in Lilly's heart and soul. She wants her beloved town of Woodbury back from the plague of walkers, and now the only thing that stands in her way currently roams the wasted backwaters of Georgia... Way out in the hinterlands, amidst the rising tide of walkers that seem to be pushing in from all directions, the psychotic Reverend Jeremiah Garlitz rebuilds his army of followers with a diabolical secret weapon. He has designs on the destruction of Lilly and her crew - the

very people who vanquished his cultish church – and now, for the first time, he has the means to bring a special brand of hell down upon the tunnel dwellers. The final confrontation between these two human factions unleashes an unthinkable weapon – forged from the monstrous hordes of undead, perfected by a madman, and soaked in the blood of innocents.

This volume follows our band of survivors as they set up a permanent camp inside a prison. Relationships change, characters die, and our team of survivors learn there's something far more deadly than zombies out there...each other. Collects issues 13-18.

The Walking Dead Vol. 1 Image Comics

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's *The Walking Dead* has been redefining the

survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call *The Walking Dead* a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

The seminal graphic novel masterpiece *V For Vendetta* is available in this new deluxe edition, featuring an essay from writer Alan Moore, sketches from artist David Lloyd and other bonus material! A powerful story about loss of freedom and individuality, *V For Vendetta* takes place in a totalitarian England following a devastating war that changed the face of the planet. In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil. Written by one of the greatest scribes in the history of the medium, Alan Moore, *V For Vendetta* is considered not only one

of the most important graphic novel works ever, but also one of the great works in fiction. *V For Vendetta 30th Anniversary Deluxe Edition* brings the groundbreaking title back into hardcover for the first time in years.
