Resident Evil: Extinction Simon and Schuster

The Hive: a subterranean genetic research facility owned and operated by Umbrella, an immensely powerful corporation with interests in everything from human longevity to biowarfare. With computerized defenses and heavily armed human backup, the Hive is impregnable and invulnerable. Or so Umbrella believes.

But something has gone fatally wrong. The Hive has lost containment of its most lethal and horrific creation: a virus that kills and reanimates human life, reducing the entire facility staff of five hundred men and women to mindless creatures with a single driving force -- hunger. And the key to stopping them rests with one young woman who cannot even remember who she is.

The Marhawa Desire Simon and Schuster
“Feng Tianyi! Your brother destroyed my Tang family! Is there anything good about your family?” “En. Can’t you see how our good looking genes are passed on to our

children? As for the Feng family’s debt, I will pay you.” He said nonchalantly. Tang Moyu scoffed and crossed her arms over her chest. “How will you pay for it?” “How about I repay you with my body?” “...” So shameless! The man sitting on his wheelchair burst into a round of laughter seeing her ugly expression. “Miss Tang, it’s no point pretending you haven’t seen it since you practically climbed on my bed and took advantage of me.” Five years ago, Tang Moyu was the empress of the business world and was at the peak of her career before she was reduced to nothing when her fiance fell in love with another

woman. That was okay since there was no love between her and Feng Tianhua, but who would have thought that this 'Cinderella' was a wolf in sheep's clothing? Then there's Feng Tianyi, the infamous successor of the Feng family, a critically acclaimed author who constantly rocked the bestselling list with his books. Rumors say that he was hot-headed and temperamental. He was so ruthless, that neither men nor women wanted his company. The rumors even say that his face was so handsome and out of this world. He was practically a god amongst men. It was a pity that he was crippled. The two were never meant to meet again, but a pair of sweet little buns intervened. "Uncle, we don't have money to pay you for damages." The elder Little Bun said. "My manuscripts are invaluable," This handsome uncle replied with amusement. "Uncle, if you don't mind, can we pay with our Mommy? She's also invaluable." And so the pair of sweet little buns and the handsome uncle entered an agreement but who would have thought that the woman in question was an ice-cold queen from hell who had a weird affinity with sweets? — Editor/proofreader: ninaviews

Resident Evil: Code Veronica Simon and Schuster
 A hunted community. A haunted author. A horror that spans centuries. Men are disappearing from Toronto's gay village. They're the marginalized, the vulnerable. One by one, stalked and vanished, they leave behind small circles of baffled, frightened friends. Against the shifting backdrop of homophobia throughout the decades, from the HIV/AIDS crisis and riots against raids to gentrification and police brutality, the survivors face inaction from the law and disinterest from society at large. But as the missing grow in number, those left behind begin to realize that whoever or whatever is taking these men has been doing so for longer than is

humanly possible. Woven into their stories is David Demchuk's own personal history, a life lived in fear and in thrall to horror, a passion that boils over into obsession. As he tries to make sense of the relationship between queerness and horror, what it means for gay men to disappear, and how the isolation of the LGBTQ+ community has left them profoundly exposed to monsters that move easily among them, fact and fiction collide and reality begins to unravel. A bold, terrifying new novel from the award-winning author of *The Bone Mother*.

Bestselling author Terry Goodkind's epic *Sword of Truth* series continues with the next stunning installment, *Phantom*. On the day she awoke remembering nothing but her name, Kahlan Amnell became the most dangerous woman alive. For everyone else, that was the day that the world began to end. As her husband, Richard, desperately searches for his beloved, whom only he remembers, he

knows that if she doesn't soon discover who she really is, she will unwittingly become the instrument that will unleash annihilation. But Kahlan learns that if she ever were to unlock the truth of her lost identity, then evil itself would finally possess her, body and soul. If she is to survive in a murky world of deception and betrayal, where life is not only cheap but fleeting, Kahlan must find out why she is such a central figure in the war-torn world swirling around her. What she uncovers are secrets darker than she could ever have imagined. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"Amanda Young grew up in Port Isley, a remote seaside community perched on the outermost shores of Washington. She's watched as, each summer, the tight-knit small village braces for the invasion of vacationers seeking refuge from city life. But this year, a new kind of visitor arrives in Port Isley, bringing something most unexpected. Soon after the season begins, a teenage girl's mutilated body is found in a local park. The police declare it a random act of violence, but Amanda's not so sure ... because how can she explain that she had a premonition of the crime just hours before it happened? Or that the neighbors she's known forever inexplicably are beginning to change ... into lustful, violent shadows of themselves? Amanda knows something's not right. And she

knows it has something to do with the sinister stranger who's come to town. But can she uncover his dark secret in time to stop him--and in time to save the souls of Port Isley?"--Amazon.com.

Resident Evil: The Darkside Chronicles focuses on the story of Leon Kennedy four years after the t-virus outbreak in Raccoon City . Jack Krauser , an American Special Forces operative, accompanies Kennedy into a South American village to search for Javier Hidalgo , a former drug lord with ties to the Umbrella Corporation . They quickly discover the village has suffered a viral outbreak and is overrun with zombies and mutant bio-organic weapons (BOWs). The duo fights past the creatures and finds Javier's daughter, Manuela , who agrees to guide them through the jungle. Manuela reveals her father treated her with the Veronica virus to cure a terminal illness. The group arrives at Javier's mansion and battle waves of Javier's experimental BOWs. They encounter Hilda , Manuela's mother, who transforms into a ravenous monster after succumbing to the Veronica virus. Kennedy dispatches Hilda, but Krauser severely injures his arm during the battle. Javier attempts to overpower Kennedy and Krauser by merging with a

massive BOW called V-Complex. Manuela, in turn, uses the powers of Veronica virus to aid Kennedy and Krauser in defeating Javier. The three escape the compound with a helicopter ...

The official novel of Naughty Dog's award-winning videogame franchise! In the ancient world there was a myth about a king, a treasure, and a hellish labyrinth. Now the doors to that hell are open once again. Nathan Drake, treasure hunter and risk taker, has been called to New York City by the man who taught him everything about the "antiquities acquisition business." Victor Sullivan needs Drake's help. Sully's old friend, a world-famous archaeologist, has just been found murdered in Manhattan. Dodging assassins, Drake, Sully, and the dead man's daughter, Jada Hzuajak, race from New York to underground excavations in Egypt and Greece. Their goal: to unravel an ancient myth of alchemy, look for three long-lost labyrinths, and find the astonishing discovery that got Jada's father killed. It appears that a fourth labyrinth was built in another land and another culture—and within it lies a key to

unmatched wealth and power. An army of terrifying lost warriors guards this underground maze. So does a monster. And what lies beyond—if Drake can live long enough to reach it—is both a treasure and a poison, a paradise and a hell.

Welcome to The Fourth Labyrinth.
