 matches the

latest examined elements of the course, you can: Take control of your revision: plan and focus on the areas you need to revise, with advice, summaries and notes from author Steve Cushing Show you fully understand key topics by using specific strategies and theories to add depth to your knowledge of programming and computing issues and processes Apply programming

and computing terms accurately with the help of definitions and key words on all topics Improve your skills to tackle specific exam questions such as how to choose appropriate programming languages with the help of self-testing and exam-style questions and answers Get exam ready with last-minute quick quizzes at www.hodderplus.co.uk/myrevisionnotes **GCSE Success AQA**

Additional Science Revision Guide

Christian World Exam Board: AQA Level: GCSE Grade 9-1 Higher Subject: Combined Science First Teaching: September 2016, First Exams: June 2018 This Collins GCSE Grade 9-1 Combined Science revision guide does exactly what it says on the tin: revision and practice, all-in-one! It's your one-stop-shop for all study

materials related to the AQA GCSE Grade 9-1 Combined Science Higher exam. This new GCSE Grade 9-1 revision guide uses a revision method that really works: repeated practice throughout. Quick tests and end-of-topic practice questions are included as you go so you can assess your knowledge. Later, topics are revisited with review questions and mixed practice. Not to mention that there's an audio download to practise your listening, a complete exam-style paper, free Q & A flashcards online, plus an eBook version of the whole book! A revision guide, workbook and practice paper all-in-one, and then some! Alternatively, the Collins Combined Science Higher Revision Guide (9780008160791), Workbook (9780008326678) and Practice Test Papers (9780008321475) are available for purchase separately. *Revise GCSE Physical Education (2010 Exams Only)* Letts and Lonsdale This guide covers all the exam-assessed content on the AQA Science A specification. It is designed to help students get the most out of their revision. Information is broken down into manageable chunks, key words and phrases are highlighted for

last minute recaps and higher tier material is clearly differentiated on the page. Revision Guide Hodder Education This guide covers all the exam-assessed content on the OCR 21st century science specification. It is designed to help students get the most out of their revision. Information is broken down into manageable chunks and higher tier material is

clearly differentiated on the page. **Edexcel GCSE Computer Science My Revision Notes 2e** Collins New editions of the bestselling Revise GCSE Study Guides with a fresh new look and updated content in line with curriculum changes. Revise GCSE contains everything students need to achieve the GCSE grade they want. Each title has been written by a GCSE

examiner to help boost students' learning and focus their revision. Each title provides complete curriculum coverage with clearly marked exam board labels so students can easily adapt the content to fit the course they are studying. Revise GCSE is an ideal course companion throughout a student's GCSE study and acts as the ultimate Study Guide throughout their revision.
