lifestyle.
**The Rough
Guide to
California**
Rowman &
Littlefield
The most up-
to-date and
comprehensiv
e travel book
to a country
that promises
great
adventures.
Covering
everything
from the
wildlife-rich
Etosha
National Park
to the giant
sand dunes at
Sossusvlei.
Perfectly set
up for
independent
travel,
Namibia is the
second least
densely
populated
nation in the

world - the vast area hosts just 2.3 million people and you'll often have Namibia all to yourself. Self-drive here is safe and manageable, meaning the country can easily be included in a longer trip to Victoria Falls, which has its own chapter in The Rough Guide to Namibia. Whether you admire German colonial architecture in Lüderitz, indulge in fresh oysters at Walvis Bay, marvel at

ancient rock art or take a sunset cruise along the Zambezi, The Rough Guide to Namibia covers everything you need to know to make the most of your time in this wild, bewitching country. Winner of the Top Guidebook Series in the Wanderlust Reader Travel Awards 2017. [The Rough Guide to California \(Travel Guide eBook\)](#) Rough Guides UK This comprehensive and

authoritative guide to the natural and cultural resources of California's magnificent 1,100-mile coastline is the companion to the best-selling California Coastal Access Guide. Whereas the Access Guide stressed public access to the California coast, the Resource Guide focuses on the rich and varied natural resources of the coast and its diverse habitats,

including detailed descriptions of flora and fauna; the Guide also features accounts of the history of the coast, and includes numerous striking and informative drawings, photographs, and maps. Part One consists of sections of statewide interest divided into three categories: the first is coastal geography, which includes descriptions of coastal mountains, rivers, marine terraces, beaches, wetlands, nearshore waters, and the open ocean; the second is living resources, covering the flora and fauna of the coast; and the third is cultural resources, treating history, architecture, recreation, and economy, including such topics as parks and beaches, recreational fishing, amusement parks, lighthouses, offshore oil, tourism, agriculture, and other coastal industries. Part Two is composed of individual sections on each of California's coastal counties, as well as San Francisco Bay, the Farallon Islands, and the Channel Islands. This portion of the book includes 150 maps, lists of species of interest, a summary of each county's history, and site-by-site descriptions of parks, beaches,

rivers, wetlands, coastal towns and cities, missions, museums, and other coastal resources; detailed information on the habitats, wildlife, and history of each site are included, as well as its address, and, where applicable, the phone number. Copiously illustrated, accessible, and above all, entertaining, this book is an indispensable reference guide for residents and vacationers as

well as a fun book to browse in for anyone interested in California's coast.

Orange Coast Magazine

Rough Guides UK
The Rough Guide to Los Angeles & Southern California is the definitive guide to the region. Whether you're looking for inspiring accommodation or great places to eat, you'll find the solution with hundreds of restaurant, hotel, nightlife and shop

reviews. Along with a thorough look at LA's top tourist areas, from Hollywood and Beverly Hills to Santa Monica and Disneyland, the guide explores more obscure but no less deserving sights, like Downtown's arts district and Santa Catalina Island. Additionally, the book covers the broader Southern California region, including San Diego, Palm Springs and

Santa Barbara. Accurate maps and comprehensive practical information, from city transport and tours to costs and currency, help you get under the skin of the region, whilst stunning photography and an inspirational introduction make this your ultimate travelling companion to this free-spirited American metropolis. Originally published in print in 2011. Make the most

of your trip with The Rough Guide to Los Angeles & Southern California. Now available in ePub format. **The Rough Guide to Los Angeles & Southern California** Fodor's In David Black's *Canyoneering: A Guide to Techniques for Wet and Dry Canyons*, readers learn the hazards and risks of canyoneering, the skills required to gain mastery of canyoneering style and

technique, and simple, effective ways to negotiate hazardous terrain. This completed, updated, thorough, and to-the-point guide will provide easily understood descriptions of skills used by leading-edge canyoneers and promote simple techniques for solving complex problems. The purpose of this book is to equip canyoneers at all levels with the technical skills they need to enjoy a clean

canyoneering experience and avoid dangerous mistakes. This full-color book is the only guide endorsed by the American Canyoneering Association. Includes information on: The right way to apply climbing, caving, and whitewater skills to technical canyoneering. An explanation of technical canyon ratings. Simple, effective ways to negotiate hazardous terrain. Twelve classic

canyons in North America and their ratings. ACA-certified instructors, guides, and guide service. **Style manual**. Apa Publications (UK) Limited. The Rough Guide to California is the ultimate guide to the USA's most exciting and varied state. Whether you're looking for inspiring accommodation, great places to eat, the best bars, chilled muso haunts or cutting-edge clubs, you'll find the

solution. The guide also includes three full-colour sections covering the state's unmatched influence on American music, its remarkable array of food and wine, and getting the most from California's wonderful backcountry - hiking, skiing, rock climbing and surfing. Plus The Rough Guide to California is packed with incisive comment on everything from LA's political scandals and

Hollywood hype to San Francisco's Beat poet hangouts and Yosemite's sheer rock walls. Accurate maps and comprehensive practical information help you get under the skin of California, whilst stunning photography and a full-colour introduction make this your ultimate travelling companion.
