A friend complimented me on my vivid imagination after reading a draft of 'Just Another Day in Paradise'. The truth is that most of the locations

really exist and that if you wander the Caribbean you will come across them.

Many of the events also happened but some in different times and places and sometimes the characters just took off and did their own thing, ignoring me the way children ignore their parents when immersed in adventures. The

Caribbean is where I live and I have kept true to its spirit and it is still wild and exciting. These adventures happen here every day; I know because adventures not dissimilar have happened to me or my friends.

THE LETTER, THE SECRET  
and THE KEY Julian Beirne  
STATE OF SHOCK (SOS)  
by Jerry Mazza is the first

book by an American poet to deal solely with 9/11 and the resulting Iraq and Afghanistan wars and their effect on the American psyche. These startling narrative and lyrical poems are an SOS to all to be aware of the dangers we presently face. With poems of bold imagery and rhythmic intensity, poet and journalist Mazza confronts the dangers head-on. His poems suggest that an operation with the magnitude of 9/11 was not the work of 19 Islamic "terrorists" but members

of our own ruling elite to start "The War on Terror" in a grasp for Mid-Eastern oil and power. Additionally, Mazza believes the Towers were not toppled by fires caused by the "hijacked airliners," but rather by powerful internal explosions from within the Towers that preceded the 10-second, free-fall crumbling of the buildings, literally at the speed of gravity. Beyond that, Mazza concludes that 9/11 constituted a form of coup d'état by the Bush administration, the

purpose to gain unprecedented powers for war-making and appropriations as well as for controlling civil dissent. As Daniel Estulin, author of the international best-seller, *The True Story of the Bilderberg Group*, writes in his foreword to Mazza's *State Of Shock...* "...I keep reminding myself that the pages of this book are a re-vindication of decency at the expense of cruelty and chance. For me, the main theme is not political nor is it an outspoken criticism of totalitarianism

but rather the beating of a Man's loving heart—and it is for the sake of this theme that it should be read..." Anyone interested in the future of America and the world--anyone interested in the power of poetry for political activism and personal expression should read Jerry Mazza's State Of Shock.

In 1844, there was a land rush to North Central Florida. Rush land was selling for forty-seven cents an acre, and Horatio Elgin purchased 5,600 acres of it. He was the first of four generations to steward this Garden of Eden that turned out to be a paradise for the breeding of Thoroughbred horses. This is the story of the people and the horses of Paradise!

Get all three books in the series that inspired the hit Netflix series House of Cards "This blood-and-thunder tale, lifelike and thoroughly cynical, certainly carries the ring of authenticity... a great triumph." Independent "The exciting thriller that

has Westminster buzzing. Here is a political thriller writer with a marvelous inside track knowledge of government. House of Cards is fast-moving, revelatory and brilliant." Daily Express Michael Dobbs has wowed readers with his bestselling House of Cards trilogy, which inspired the hit series on Netflix. Here are the three books in the trilogy for one low price: House of Cards, To Play the King, and The Final Cut. About the Books in This Bundle

1. House of Cards A dark tale of greed, corruption,

and unquenchable ambition, House of Cards reveals that no matter the country, politics, intrigue and passion reign in the corridors of power. Francis Urquhart has his hand on every secret in politics and is willing to betray them all to become prime minister. Mattie Storin is a tenacious young reporter who has a knack for finding the real stories hidden behind the spin. When she stumbles upon a scandalous web of intrigue and financial corruption at the very highest levels, she vows

to reveal the truth. But to do so she must battle her own demons and risk everything, even her life.

2. To Play the King After scheming his way to power in House of Cards, newly elected Prime Minister Francis Urquhart takes on the new King. The role of the monarchy in modern Britain comes under scrutiny as Prime Minister Francis Urquhart threatens to expose Royal secrets when his plans are blocked by the idealistic new King. Their differences of opinion quickly degenerate into

open hostility. The battlefield ranges from architecture to the underprivileged; the battle is fought with rigged opinion polls, manipulated newspaper headlines, sexual scandal and economic brinkmanship as Urquhart sets out to destroy not only the King's family and friends but even the King himself. 3. The Final Cut Now Francis Urquhart is about to take his place in the record books as the longest-serving Prime Minister this century. Yet it seems the public is

tiring of him at last, and the movement to force him from power is growing. But Urquhart is not yet ready to be driven from office. If the public demands new blood, that is precisely what he will give them... This is a different Francis Urquhart more vulnerable, more loving, and more ruthless than ever. He will risk everything, but one thing is certain: whatever the outcome of this, his greatest gamble, the name of Francis Urquhart will never be forgotten. My Week at the Blue

Angel Author House Tucked away in the corner of a Kona, Hawaii shopping center is the favorite haunt of the former navy men from the Big Island Dive shop and the Aloha Series. Though not mentioned by name, we first learn of the Surf's Up Saloon as Billy's preferred hangout in Brooklyn's book Shell Game. Later in Aloha Texas, Nick informs us his bachelor pad is over a bar. Yep. That too would be the Surf's Up. And in Dive into You we get the chance to learn a little

more when Doug and Emily introduce us to the owner Steve Kapula and his brother Ben. Unable to resist playing with these fun new characters, as well as with the well-loved heroes from the Aloha Series, between Aloha books Chris Keniston has brought you fun stories she calls Flirts. What's a Flirt you ask? It's a very short story, like a television episode, set in the Aloha Series world. Specifically, at the Surf's Up Saloon. It's a wonderful chance to drop in and play with old

And the skyOC crimson

red, the color of fresh blood. Nathalie's blood started to pound with excitement. She could almost taste it. Rain was coming. A storm. Physician Nathalie Arnaud is on her way home to San Francisco from Paris. After living on old bread, studying by oil lamps, and swimming through mischievous opinions about unnatural females, she has finally earned a brand new diploma from L'Ecole de Medicin . On the ship she encounters an enigmatic green-eyed Capitin, a most irritating

man who causes her to exhibit symptoms she's not used to diagnosing. When The Silhouette reaches port, Nathalie finds that nothing is quite as she remembered. San Francisco has grown up, and the Civil War hasn't stayed as far away as she'd hoped. Her aunt, Catherine Larsson, is running one of the most luxurious bordellos in town; her brother, Claude, has gone missing in connection with a most disturbing disappearance of the Union's gold; and doctoring on the front has

taken a toll on her mentor, Doc James Calhoun, who's since closed his Infirmary for Women and Children. To top off her homecoming, Major William Wolfe, the man with unlimited powers over her fate due to a sin committed years ago, now claims to hold her brother's life in the balance. Nathalie is forced once again to secretly work for the Union, only this time as a physician and not as a spy. Don Miguel Samuelle Cabrillo is not only a powerful man, but also a man with

many dark secrets. Nathalie's new assignment is to diagnose and cure Don Miguel of a most mysterious illness, even against his will. As one of the few female doctors, she is used to having trouble performing her duties, but when the young doctora finally comes face to face with Don Miguel Samuelle Cabrillo, the stipulations he imposes promise to make this the most challenging and stimulating assignment she has ever faced. She is determined not only to

get to the bottom of the Don's illness, but also to unravel the mystery of the Union's gold disappearance, whatever it takes. And it may very well take her life. She doesn't, however, count on society balls and wartime intrigue being part of her job. Nathalie finds herself drawn further into the mysterious world of the Captain, and discovers that he can teach her a few things medical school could not. When in Don Miguel's arms, his kisses burn up all thought, his caresses

wash away all reality, and his body obliterates all truth except the one in their hearts. The place they reach when they are together is softer than silk and brighter than lightning, peaceful and cataclysmic, familiar because they belong there, and foreign because they can never stay long enough. ' "I really like it when we can talk in class," says Kelly in Year 8, grinning from ear to ear when I suggest a group activity on a grey Monday morning. Although I suspect that she might like it for the wrong reasons, I know that there is a lot for her - and the other 29 students in the class - to learn in a structured co-operative learning context.' Gael Luzet's Pocketbook about small group work focuses on how 'the power of more than one' can transform learning. Like

all good teaching and learning strategies, successful collaborative learning relies on meticulous planning and careful delivery, both of which are discussed here. Ideas for basic collaborative activities are included as well as practical examples of how to use various high impact strategies in lessons. You begin to see what lies behind Vygotsky's words: 'The one who does the talking does the learning'. And assessing and evaluating? Process and

product; individual and team contributions; formative and summative approaches - they're all covered.
