Strategic Spiritual Warfare-Winning Your Battles within and without(Expanded Version) Chosen Books A Practical, Complete Guide to Defeating Demons Demonic oppression is a very real spiritual phenomenon, yet it remains a terrifying and misunderstood subject for

many Christians. What does the Bible say? Can demons exert power over Christians? Can a Christian be possessed? How do you know if a problem is psychological or spiritual? In this revised edition of *Defeating Dark Angels*, Dr. Charles H. Kraft, a retired evangelical seminary professor and experienced deliverance minister, reveals everything you need to know. With clarity and biblical insight, he explains · why and how dark forces come against God's people · our authority as Christians over demons · how to resist the influence of demons · how to break their hold on the lives of others · the need for continued healing and care after deliverance through counseling Weaving practical application with firsthand accounts of demonic activity in the lives of real people, this is your complete guide to defeating dark angels and ministering God's freedom to others.

Winning the War Through Prayer Zondervan Christians are fighting a spiritual war against an enemy whose power most

don't understand. Can a demon dwell in a Christian? Possess him? With scholarly wisdom and pastoral urgency, Dr. Unger challenges apathy and misunderstanding with concrete biblical answers. Facts, not sensationalism.

Overcoming the Adversary Vine Books

The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the

multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. Understanding Spiritual Warfare explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner

spiritual healing, and in the case of some, physical healing as well.

Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

done a great job laying out the theological/biblical teachings on the demonic and spiritual realm and the practical/pragmatic realities from years of actual on-the-ground practical ministry. This book will serve you so well as a Christian, a leader, or just someone interested in this extremely important topic." -- Mark Clark, Senior Pastor of Village Church and author of *The Problem of God and The Problem of Jesus* ---- Most Christians would agree that we are the only ones on earth equipped to help our family, friends, and neighbours when it comes to supernatural evil. Or at least we say we believe it. We say "yes" intellectually, but when it comes to actually dealing with evil, many of us are afraid and feel out of our depth. What does the Bible really say about the demonic? How did Christians deal with this in various cultures over 2000 years? Do we even need this conversation? For pastor and theologian, Jon Thompson, this has been a journey more than 20 years in the making as he and his church found themselves working through how to help desperate people and still remain rooted in

Scripture. In this book, Jon will lead you on a journey through the pages of Scripture and the experiences of Christians throughout the centuries as he outlines what has always been universally applicable when dealing with evil and what must be adapted to fit our different churches and cultures. Topics include: The Scriptural basis for deliverance Deliverance throughout church history An explanation of spiritual authority The role of spiritual gifts in deliverance ministry An evaluation of the five major deliverance models Outline of a mixed model approach to deliverance No matter our history, theology, bias, pain, or disbelief, we all need to engage in this conversation because there are people all around us who desperately need to be set free to live as Jesus promised. About the Author: Jon Thompson is the Senior Pastor of Sanctus Church, a multi-site church of over 3,000 people in the Greater Toronto Area where he has been on staff for more than 20 years. Under Jon's leadership, Sanctus is characterized by dynamic Biblical teaching, vibrant community groups,

compelling media, and powerful times in worship. Jon has a Master of Theological Studies from Tyndale Seminary and a Doctorate of Missiology from Fuller Seminary. *The Adversary* Outskirts Press
Practical, Everyday Introduction to Deliverance for All Christians For most Christians, the word deliverance often brings negative connotations to mind: lots of yelling and holy water and darkness-- maybe even something from a Hollywood horror movie exorcism. But deliverance is not about shouting or showmanship. It is about the simple act of asking Jesus for help, for freedom, and using his authority over the enemy. In this accessible and practical guide, evangelical leader and bestselling author Larry Richards walks you through the who, what, when, where, why, and how of deliverance. In everyday language, he shows how you can apply this information to your life and the lives of your friends and family. As children of God, we have been given access to Jesus' death-defying power to help free ourselves and others from evil. You don't have to

continue to struggle with persistent problems or strongholds. Your loved ones can be freed from the lies or addictions that hold them back. There is hope in Christ--you can live in freedom! Includes an extensive glossary of terms and appendixes with prayers and even more practical resources.

What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers

might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives. *Understanding Spiritual Gifts* is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.

From the religious historian whose *The Gnostic Gospels* won both the National Book Award and the National Book Critics Circle Award comes a dramatic interpretation of Satan and his role on the Christian tradition. With magisterial learning and the elan of a born storyteller, Pagels turns Satan's story into an audacious exploration of Christianity's shadow side, in which the gospel of love gives way to irrational hatreds that continue to haunt Christians and non-Christians alike.

Reclaiming Surrendered Ground Spiritual Warfare

The Bible is explicit: We live in a world of distinct opponents; our very lives are a battle. Yet too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they don't recognize the enemy when they see it. More importantly, they have no idea how to respond. While society tells us we can react simply, the truth is that a wish, a hope, and a prayer are not the best responses to attacks from those who stand between us and the Father.

Christians must be strategic in their reactions to these clearly defined enemies, learning how to fight biblically and effectively rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne - pastor of Leadership Development and Discipleship at Antioch Bible Church and Chaplain for the NFL's Seattle Seahawks - has written a guidebook for defense that is simple, biblical, and transferable. Through his teaching on how to recognize and resolve attacks from the world, we learn that we are more than conquerors in Christ. *Defeating Dark Angels* Moody Publishers

Dealing with Demons Baker Books

The Bible never says, "Ignore the devil and he will leave you alone." We are all born into a world at war. Until we understand the realities and rules of this war, we are condemned to fight blind against an adversary capable of inflicting great damage. Every Christian needs to understand the fundamentals of spiritual warfare. Participation in the battle is not optional. We are all in this war

whether we like it or not, so doesn't it make sense to be prepared? This book provides practical insights about the battle and clear strategies for winning life's battles and for walking in Christ's victory. We will look at the reality of spiritual warfare, how we often give permission to the enemy to have a place in our life--and how we can use our authority in Christ to remove that legal ground. We'll look deeper into demons, the occult, and how to find freedom from bondage. In this edition of the book, you'll also find prayer guides and exercises to help you experience the freedom that is yours in Christ.
