This authoritative and accessible guide to the British monarchy spans the Romano-British rulers of 55 BC to the present day House of Windsor.

Generously illustrated with maps, photos, paintings, and genealogies, it contains a wealth of information on the rulers of Britain, including their policies, personalities, key dates, and legacies. There are almost 600 entries, which are organised by regions up to 1066 and by royal lines thereafter. Feature articles throughout the guide provide in-depth information on key royal topics, including Coronations, Regalia, the Tower of London, and - new to this edition -

Westminster Abbey and St Paul's Cathedral. Revised and updated to include recent events, such as the second marriage of Prince Charles, this new edition also contains a topical introductory article on the changing role of the monarchy. There is a useful glossary, a list of recommended further reading, and a new appendix of recommended web links, accessed and kept up to date via a companion website. Comprehensive and elegantly written, this fascinating guide to the

British monarchy is an essential reference resource for teachers and students of British history, and for anyone with an interest in Britain's rulers through the ages.

This is a brand new edition of the Oxford Colour Spanish Dictionary Plus. This dictionary is an effective and practical reference tool for any student, adult learner, or

traveller. It is especially user-friendly, with a colourful design that makes it easy to find the word you are looking for quickly. It also has usage notes, giving you help with tricky and frequently occurring words, verb lists, and grammar notes. This edition also sees a completely refreshed and up-to-date centre section. The main focus of this section is to help you build your vocabulary. We have identified the Spanish words you most need to know, and they

are laid out clearly for you here; you will also find them marked with a handy key symbol in the A-Z text of the dictionary. We also include word games so that you can practise your dictionary skills and learn vocabulary while having fun. The centre section also contains a calendar of holidays and festivals and an A-Z guide to Spanish life and culture - ideal for the traveller and those learning about life in Spanish-speaking countries. Yearbook of International

Organizations OUP Oxford A level 3 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Jill Nevile. 'When we are happy, we are always good', says Lord Henry, 'but when we are good, we are not always happy.' Lord Henry's lazy, clever words lead the young Dorian Gray into a world where it is better to be beautiful than to be good; a world where anything can be forgiven - even

murder – if it can make people laugh at a dinner party.

An English secondary course for students aged 12-16 years. OUP Oxford Breakthrough Plus is a communication-focussed course in American English for young adult and adult learners of English. This flexible course builds confidence through an emphasis on speaking and listening skills, and enhances learning through the innovative and interactive digibook.
