GOOD CAROLYN

How the Media, Big Tech, and the Democrats Seized Our Elections Simon and Schuster
 The author draws on two decades of reporting on the current mayor of New York to offer a biography of the former prosecutor and controversial Republican.

The Fixers Random House

Offers a behind-the-scenes look at the Koch administration and the New York City political machine, profiling the personalities involved in the many scandalous events

A Confederacy of Dumptys Bold Type Books

For almost three years, Aaron Parnas was in the middle of the most polarizing presidency in recent memory. Through his experiences, Aaron saw a different side of President Donald Trump and his administration—one scarier than the average person could imagine. *Trump First* tells a story of a young conservative, who often felt trapped in an orbit he believed was dangerous to America. In this memoir, Aaron discusses a number of meetings that he witnessed and took part in while simultaneously attending law school in the nation's capital. Witnessing these meetings confirmed Aaron's biggest fear. The President was using backchannel communications with various world leaders, including those in Ukraine and Venezuela, to push a *Trump First* foreign policy agenda instead of the America First agenda he ran on. This, as Aaron writes, created two State Departments—one that promoted official American policy, and a second, promoting the President's shadow foreign policy agenda. This memoir also takes on a more personal challenge, escaping the President's orbit following the arrest of Aaron's father, Lev Parnas. *Trump First* describes, in great detail, the excruciating days following his father's arrest, which included an almost 48-hour stint with the President's personal attorney, Rudy Giuliani. Aaron proceeds to tell the public a never before heard story about the months after the arrest while his father worked to get the truth out.

The Final Act of the Trump Show Post Hill Press

The fascinating account of Rudy Giuliani's rise to become Mayor of New York City and his eventful years as "emperor of the city" From longtime New York political journalist Andrew Kirtzman, the definitive biography of "America's Mayor," Rudy Giuliani, now a member of President Donald Trump's legal team. The book begins with Giuliani's resignation as U.S. Attorney in 1989, and covers the time period through the immediate aftermath of September 11th. Deeply researched—relying upon numerous interviews with advisors, aides, and adversaries—Rudy Giuliani presents the ultimate look at the man who transformed New York City. Filled with surprising revelations about the Giuliani years, and insights into the man's character, this is political biography at its finest.

The Hidden History of Rudy Giuliani's New York Harper Collins

The shocking, definitive account of the lawyers and media tycoons who enabled the rise of Donald Trump, featuring new revelations from a Pulitzer Prize-winning Wall Street Journal team With his blunt-force fame and the myths he's propagated about himself, Donald Trump has always moved in a world of gossip barons, crooked lawyers, and porn stars. But when he became the Republican nominee for the presidency in 2016, all of these characters crawled out from the underbelly of Trump's stardom and stumbled onto the global stage with him. In *The Fixers*, Joe Palazzolo and Michael Rothfeld have produced a deeply reported and exquisitely drawn portrait of that world, full of secret phone calls, hidden texts, and desperate deals, unearthing the practice of "catch and kill" by which Trump surrogates paid hush money to cover up his affairs, and detailing Trump's historic relationship with his fixers—from his early, influential relationship with Roy Cohn to his reliance on Michael Cohen, National Enquirer publisher David Pecker, and former New York mayor Rudy Giuliani. It traces the arc of their interactions from the 1970s through the 2016 campaign and beyond. It is a distinctly American saga that navigates the worlds of reality TV, cash-for-trash tabloids, single-

shingle law shops, celebrity bashes, high-end real estate, pornography, and politics. The characters and settings of this book are part of a vulgar circus that crisscrosses the country, from New York to L.A. to D.C. Terrifying, darkly comic, and compulsively readable, *The Fixers* is an epic political adventure in which greed, corruption, lust, and ambition collide, and that leads, ultimately, to the White House. Advance praise for *The Fixers* "Of the dozens of books chronicling Donald Trump's presidency, *The Fixers* is destined to sit atop the pile. It has everything you look for in a political page-turner: Colorful characters, intrigue, sex, corruption and—unlike much of the Trump canon—meticulous, factual reporting by two ace reporters. What a read!"—John Carreyrou, *New York Times* bestselling author of *Bad Blood*

Trump First iUniverse

FROM THE AUTHOR OF THE #1 NATIONAL BESTSELLER *JUSTICE ON TRIAL* Stunned by the turbulence of the 2020 election, millions of Americans are asking the forbidden question: what really happened? It was a devastating triple punch. Capping their four-year campaign to destroy the Trump presidency, the media portrayed a Democratic victory as necessary and inevitable. Big Tech, wielding unprecedented powers, vaporized dissent and erased damning reports about the Biden family's corruption. And Democratic operatives, exploiting a public health crisis, shamelessly manipulated the voting process itself. Silenced and subjected, the American people lost their faith in the system. *RIGGED* is the definitive account of the 2020 election. Based on Mollie Hemingway's exclusive interviews with campaign officials, reporters, Supreme Court justices, and President Trump himself, it exposes the fraud and cynicism behind the Democrats' historic power-grab. Rewriting history is a specialty of the radical left, now in control of America's political and cultural heights. But they will have to contend with the determination, insight, and eloquence of Mollie Hemingway. *RIGGED* is a reminder for weary patriots that truth is still the most powerful weapon. The stakes for our democracy have never been higher.

Rudolph W. Giuliani St. Martin's Press

"A gripping ground-level narrative...a marvel of reporting: tightly wound... but also panoramic."—*Washington Post* "A lean, fast-paced and important account of the chaotic final weeks."—*New York Times* In *The Steal*, veteran journalists Mark Bowden and Matthew Teague offer a week-by-week, state-by-state account of the effort to overturn the 2020 presidential election. In the sixty-four days between November 3 and January 6, President Donald Trump and his allies fought to reverse the outcome of the vote. Focusing on six states—Arizona, Georgia, Michigan, Nevada, Pennsylvania, and Wisconsin—Trump's supporters claimed widespread voter fraud. Caught up in this effort were scores of activists, lawyers, judges, and state and local officials. Working with a team of researchers and reporters, Bowden and Teague uncover never-before-told accounts from the election officials fighting to do their jobs amid outlandish claims and threats to themselves, their colleagues, and their families. *The Steal* is an engaging, in-depth report on what happened during those crucial nine weeks and a portrait of the dedicated individuals who did their duty and stood firm against the unprecedented, sustained attack on our election system and ensured that every legal vote was counted and that the will of the people prevailed.

Giuliani, New York, and the Genius of American Life HarperCollins

Rudy Giuliani Emperor of the City HarperCollins

The Secret Life of Rudy Giuliani Simon and Schuster

Following the success of his *New York Times* bestseller *Dumpty*, award-winning actor, author, and illustrator John Lithgow presents a brand-new collection of satirical poems chronicling the despotic age of Donald Trump. *Trumpty Dumpty Wanted a Crown* is darker and more hard-hitting than ever. Lithgow writes and draws with wit and fury as he takes readers through another year of the shocking events involving Trump and his administration. His uproarious poems and illustrations encompass Trump's impeachment, the COVID-19 pandemic, the Black Lives Matter protests, and much more.

Lithgow targets Mitch McConnell, Mike Pompeo, Bill Barr, Jared Kushner, Elaine Chao, and many others, but also includes a few heroes of the moment, including Anthony Fauci, Nancy Pelosi, Adam Schiff, and even Barack Obama. The book arrives at a time when it's needed most. With all-new poems and never-before-seen line drawings, Lithgow will once again make readers laugh and pause to remember some of the most defining moments in recent history—skewering the reign of King Dumpty one stanza at a time. Digital audio edition read by the author.

How the President and His Associates Turned Their Backs on Me and My Family Penguin

An eyewitness account of Donald Trump's clown car of lieutenants and lackeys who have polluted the corridors of power with their unprecedented awfulness. Two of Washington's most meddling reporters take readers on a deep dive into the murky underworld of President Trump's Washington, dishing the hilarious and frightening dirt on the charlatans, conspiracy theorists, ideologues, and run-of-the-mill con artists who have infected the highest echelons of American political power. For the past three years, reporting from the White House, the Trump hotel, and other dens of intrigue and influence, Lachlan Markay and Aswin Suebsaeng have revealed the sordid shenanigans of a rogue's gallery of Trumpworld incompetents and improbable A-listers -- earning them angry denunciations (or at least some vexed side-eye) from Trumpists such as the actor Jon Voight and Trump's former campaign czar and renowned obfuscator Corey Lewandowski as well as requisite threats of physical violence and ruin. Sinking in the Swamp will similarly pull no punches. Everyone from assorted Trump family members to Stephen Miller, Sean Hannity, and Diamond & Silk to Trumpworld's even more obscure accomplices will be plumbed, prodded, and exposed for their roles in the most shambolic moment in modern American political history. When they go low, Swin and Lachlan are right there with them, recorders running and notebooks at the ready. Sinking in the Swamp is an uncompromising account of the financial and moral degradation of our capital, told with righteous indignation and through the lens of key power players and foot soldiers whose own antics have often escaped the notice of the overworked press corps. As the 2020 election approaches, this page-turning, letting-it-all-hang-out narrative shows how the nation got to this nadir, tracing the story back to years before Trump's improbable run for the White House and cataloguing the stomach-turning moments that followed.

New York, New York, New York Bold Type Books

A ROLLICKING NARRATIVE HISTORY OF THEODORE ROOSEVELT'S EMBATTLED TENURE AS POLICE COMMISSIONER OF CORRUPT, PLEASURE-LOVING NEW YORK CITY IN THE 1880s, AND HIS DOOMED MISSION TO WIPE OUT VICE in the 1890s, New York City was America's financial, manufacturing, and entertainment capital, and also its preferred destination for sin, teeming with 40,000 prostitutes, glittering casinos, and all-night dives packed onto the island's two dozen square miles. Police captains took hefty bribes to see nothing while reformers writhed in frustration. In *Island of Vice*, bestselling author Richard Zacks paints a vivid picture of the lewd underbelly of 1890s New York, and of Theodore Roosevelt, the cocksure crusading police commissioner who resolved to clean up the bustling metropolis, where the silk top hats of Wall Street bobbed past teenage prostitutes trawling Broadway. Writing with great wit and zest, Zacks explores how Roosevelt went head-to-head with corrupt Tammany Hall, took midnight rambles with muckraker Jacob Riis, banned barroom drinking on Sundays, and tried to convince 2 million New Yorkers to enjoy wholesome family fun. In doing so, Teddy made a ruthless enemy of police captain "Big Bill" Devery, who grew up in the Irish slums and never tired of fighting "tin soldier" reformers. Roosevelt saw his mission as a battle of good versus evil; Devery saw prudery standing in the way of fun and profit. When righteous Roosevelt's vice crackdown started to succeed all too well, many of his own supporters began to turn on him. Cynical newspapermen mocked his quixotic quest, his own political party abandoned him, and Roosevelt discovered that New York loves its sin more than its salvation. Zacks's meticulous research and wonderful sense of narrative verve bring this disparate cast of both pious and bawdy New Yorkers to life. With cameos by Stephen Crane, J. P. Morgan, and Joseph Pulitzer, plus a horde of very angry cops, *Island of Vice* is an unforgettable portrait of turn-of-the-century New York in all its seedy glory, and a brilliant portrayal of the energetic, confident, and zealous Roosevelt, one of America's most colorful public figures.

Leadership Through the Ages Barricade Books Incorporated

Rudy Giuliani's flinty response to the 9/11 attacks has made him a national hero and has done wonderful things for his future prospects in American politics. But the outpouring of praise for his performance has obscured uncomfortable facts about Giuliani. This book collects the original essays and reports from some of New York's most perceptive authors on Giuliani's two terms as mayor. Few of the writers have any illusions about his turbulent reign and offer an informative and entertaining corrective to today's simplistic celebration of America's Mayor.

City for Sale Basic Books (AZ)

They call him "America's Mayor." But to blacks that title sugarcoats Rudy Giuliani's real reputation as one of the most racially divisive leaders in the nation. Peter Noel's book puts Giuliani's often-ignored record of oppressing the "other New York" front and center in the 2008 presidential race. Noel was a witness to "Giuliani time" in New York. As the race beat journalist for *The Village Voice*, he reported exclusively on the police brutality that rained down on blacks, and the denigration of black leadership by Giuliani. In this collection of his exposés, Noel provides stunning insights into the most notorious events of Giuliani's tenure, including the execution-style killing of Amadou Diallo and the sadistic torture of Abner Louima. Both men-like many black victims of Giuliani's stop-and-frisk policing-were innocent of any wrongdoing. This brutality sparked a new black activist movement. Scores, including Jesse Jackson, were arrested-and Peter Noel was there to cover it. No journalist was more insightful about the rise of Al Sharpton, Khalid Muhammad's "Million Youth March," and Giuliani's demonization of David Dinkins, the city's first black mayor. There are interviews with major political players, inside accounts of the shifting alliances and violent conflicts between ethnic groups, and a stinging critique of the white-dominated media. And then there is Peter Noel's interview with Giuliani, which took the form of a street fight in Harlem. In these eloquent, often searing pieces, written in an outraged and authentic voice, Peter Noel spoke truth to the power of an "Afriphobic" mayor. In this revealing book, he still does.

Theodore Roosevelt's Quest to Clean Up Sin-Loving New York Chronicle Books

Siegel writes the first comprehensive account of Rudy Giuliani, a colorful, contradictory, and immoderate centrist who prepared his city to come together after the tragedy of September 11, 2001.

Rudy Giuliani emerged from the smoke of 9/11 as the unquestioned hero of the day: America's Mayor, the father figure we could all rely on to be tough, to be wise, to do the right thing. In that uncertain time, it was a comfort to know that he was on the scene and in control, making the best of a dire situation. But was he really? *Grand Illusion* is the definitive report on Rudy Giuliani's role in 9/11—the true story of what happened that day and the first clear-eyed evaluation of Giuliani's role before, during, and after the disaster. While the pictures of a soot-covered Giuliani making his way through the streets became very much a part of his personal mythology, they were also a symbol of one of his greatest failures. The mayor's performance, though marked by personal courage and grace under fire, followed two terms in office pursuing an utterly wrongheaded approach to the city's security against terrorism. Turning the mythology on its head, *Grand Illusion* reveals how Giuliani has revised his own history, casting himself as prescient terror hawk when in fact he ran his administration as if terrorist threats simply did not exist, too distracted by pet projects and turf wars to attend to vital precautions. Authors Wayne Barrett and Dan Collins also provide the first authoritative view of the aftermath of the 9/11 attacks, recounting the triumphs and missteps of the city's efforts to heal itself. With surprising new reporting about the victims, the villains, and the heroes, this is an eye-opening reassessment of one of the pivotal events—and politicians—of our time.

An Investigative Biography of Rudy Giuliani Henry Holt and Company

Siegel writes the first comprehensive account of Rudy Giuliani, a colorful, contradictory, and immoderate centrist who prepared his city to come together after the tragedy of September 11, 2001.

A Day in the Life of a Mayor Parthian Books

If you can judge a book by its enemies, *Too Famous* could be an instant classic. Bestselling author of *Fire and Fury* and chronicler of the Trump White House Michael Wolff dissects more of the major monsters, media whores, and vainglorious figures of our time. His scalpel opens their lives, careers, and always equivocal endgames with the same vividness and wit he brought to his disemboweling of the former president. These brilliant and biting profiles form a mesmerizing portrait of the hubris, overreach, and nearly inevitable self-destruction of some of the most famous faces from the Clinton era through the Trump years. When the mighty fall, they do it with drama and with a dust cloud of gossip. This collection pulls from new and unpublished work—recent reporting about Tucker Carlson, Jared Kushner, Harvey Weinstein, Ronan Farrow, and Jeffrey Epstein—and twenty years of coverage of the most notable egomaniacs of the time—among them, Hillary Clinton, Michael Bloomberg, Andrew Cuomo, Rudy Giuliani, Arianna Huffington, Roger Ailes, Boris Johnson, and Rupert Murdoch—creating a lasting statement on the corrosive influence of fame. Ultimately, this is an examination of how the quest for fame, notoriety, and power became the driving force of culture and politics, the drug that alters all public personalities. And how their need, their desperation, and their ruthlessness became the toxic grease that keeps the world spinning. You know the people here by name and reputation, but it's guaranteed that after this book you will never see them the same way again or fail to recognize the scorched earth the famous leave behind them.

The Attempt to Overturn the 2020 Election and the People Who Stopped It Viking

"Lars Eighner is the Thoreau of the Dumpsters. Comparisons to Defoe's Robinson Crusoe and Hamsun's *Hunger* leap to mind. A classic of down-and-out literature." —Phillip Lopate *When Travels with Lizbeth* was first published in 1993, it was proclaimed an instant classic. Lars Eighner's account of his descent into homelessness and his adventures on the streets has moved, charmed, and amused generations of readers. As Lars wrote, "When I began writing this account I was living under a shower curtain in a stand of bamboo in a public park. I did not undertake to write about homelessness, but wrote what I knew, as an artist paints a still life, not because he is especially fond of fruit, but because the subject is readily at hand." Containing the widely anthologized essay "On Dumpster Diving," *Travels with Lizbeth* is a beautifully written account of one man's experience of homelessness, a story of physical survival, and the triumph of the artistic spirit in the face of enormous adversity. In his unique voice—dry, disciplined, poignant, comic—Eighner celebrates the companionship of his dog, Lizbeth, and recounts their ongoing struggle to survive on the streets of Austin, Texas, and hitchhiking along the highways to Southern California and back.

Rigged Henry Holt and Company

THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER An NPR Book of the Day Picking up where the New York Times bestselling *Front Row at the Trump Show* left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row at the Trump Show*. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

The Full Rudy Simon and Schuster

A collection of groundbreaking investigations by Wayne Barrett, the intrepid, muckraking *Village Voice* journalist who exposed corruption in New York City and beyond. With piercing moral clarity and exacting rigor, Wayne Barrett tracked political corruption in the pages of the *Village Voice* fact by fact, document by document for 40 years. The first to report on the scams and crooked deals that fueled the rise of Donald Trump in 1979, Barrett went on to expose the shady dealings of small-time slum lords and powerful New York City politicians alike, from Ed Koch to Rudy Giuliani to Michael Bloomberg. *Without Compromise* is the first anthology of Barrett's investigative work, accompanied by essays from colleagues and those he trained. In an age of lies, fog, and propaganda, when the profession of journalism is degraded by the White House and the industry is under financial threat, Barrett reminds us that facts, when clearly accumulated, are our best defense of democracy. Featuring essays by: Joe Conason, Kim Phillips-Fein, Errol Louis Gerson, Borrero Tom Robbins, Tracie McMillan, Peter Noel, Adam Fifield, Jarrett Murphy, Andrea Bernstein, Jennifer Gonnerman, Mac Barrett !--[if !supportAnnotations]-- !--[endif]--
