 Midnight is set in the sixties some
 twenty plus years since we last met the
 characters. It is once again set in
 Bexham the Sussex fishing port which
 never seems effected by change until
 now with the new generation having
 very different aspirations from those of

 Moon at midnight, and I cannot sleep;
 that's the best moment for being
 creative and sketch for new designs:)
 When I had sketched this shawl I could
 start knitting the next morning, as I had
 the perfect yarn available. And when I
 had started the narrow tip I could hardly
 put my knitting away; it was such a fun
 and interesting knit! DesignRavelry:

 At full Moon, the moon rises at
 sunset and sets at sunrise. Excuse the

misspelling in the figure; someday we will fix it!: At 3rd quarter, the moon rises at midnight and sets at noon. Then we see only a crescent. At new, the moon rises at sunrise and sets at sunset, and we don't see any of the illuminated side!
