Not everything has an explanation in terms of science, which needs evidence and tangible experience. Many things are happening around us that lack explanation, and intelligent people often strike them off as conspiracies. The forests and the less trodden trails hold lots and lots of secrets, which probably could not be deciphered by present knowledge. A thought conceived in my mind took the shape of a story that I made into a book. I wish you an enchanting stroll through the book.

### **Undoing Border Imperialism**

Independently Published

When Mary got an opportunity to teach the kindergarten students in a historic school, her heart started to heal from her tragic past. Though the love and affection from the children helped her to recover, a girl named 'Rose', who has been absent in her class everyday, breaks into her nightmares. Her promise to Aditya kept her away from distractions until Mary's mind is puzzled to see her dreams painted by Jennifer, the principal of the school. The spine-chilling mysteries and heart-warming emotions unfolds along with the blooming petals of a bright red rose in Jennifer's garden. Witness the journey of a red rose from cradle to coffin in the exotic wet-green lands of Ooty.

### Easier Said Than Done: A Life in Sport

Simon and Schuster

Get ready for some fabulous fun with these action-packed stories from the sports field! Fancied Orchid School is already 33 for no loss in the three overs before lunch. Can Model School successfully unleash its secret weapon, Anshuman the chess nerd, and win the match? The two towns of Dilshan and Dewar have their prides at stake at the annual kabaddi competition, and when Lt. Aaron, owner of Tasty Buds and baker of delectable cakes, announces he will eat his hat if his town actually wins, it spurs the Dilshan-ites to greater heights. Neeru decides to start playing hockey like her mother to deal with her loss, and discovers there's no therapy like getting some dirt on her spotless whites.

Hockey, TT, cricket, golf, basketball; winners, losers, underdogs, bullies, heroes and cheats, Let's Play! The Puffin Book of Sports Stories has them all, and more. Funny, uplifting and moving, this unique collection vividly portrays the heartbreaks and triumphs that are an essential part of playing sports, and is an absolute must-read.

*The Winning Way 2.0* Global Vision Pub House

The Winning Way: Learnings From Sport for Managers is a guidebook that pinpoints factors that lead to success. Harsha and Anita Bhogle list out these factors that ensure proven and consistent results even when the level of competition surges. The book makes for an interesting read because these concepts are explained from a sports perspective. They explore and unpeel the mantra behind victorious teams and

sporting legends. If you have ever been stumped by the stupendous success of great sportsmen who deliver every single time, *The Winning Way: Learning From Sport for Managers* spells out the formula. This book comes as a fresh take on leadership from a unique point of view. Harsha and Anita Bhogle take readers through many interesting points, thanks to their wide experience in management and their tryst with sports as well.

VIRAT Penguin India

“Harsha Walia has played a central role in building some of North America’s most innovative, diverse, and effective new movements. That this brilliant organizer and theorist has found time to share her wisdom in this book is a tremendous gift to us all.”—Naomi Klein, author of *The Shock Doctrine* *Undoing Border Imperialism* combines academic discourse, lived experiences of displacement, and movement-based practices into an exciting new book. By reformulating immigrant rights movements within a transnational analysis of capitalism, labor exploitation, settler colonialism, state building, and racialized empire, it provides the alternative conceptual frameworks of border imperialism and decolonization. Drawing on the author’s experiences in *No One Is Illegal*, this work offers relevant insights for all social movement organizers on effective strategies to overcome the barriers and borders within movements in order to cultivate fierce, loving, and sustainable communities of resistance striving toward liberation. The author grounds the book in collective vision, with short contributions from over twenty organizers and writers from across North America. Harsha Walia is a South Asian activist, writer, and popular educator

rooted in emancipatory movements and communities for over a decade. Praise for *Undoing Border Imperialism*: “Border imperialism is an apt conceptualization for capturing the politics of massive displacement due to capitalist neoglobalization. Within the wealthy countries, Canada’s *No One Is Illegal* is one of the most effective organizations of migrants and allies. Walia is an outstanding organizer who has done a lot of thinking and can write—not a common combination. Besides being brilliantly conceived and presented, this book is the first extended work on immigration that refuses to make First Nations sovereignty invisible.”—Roxanne Dunbar Ortiz, author of *Indians of the Americas* and *Blood on the Border* “Harsha Walia’s *Undoing Border Imperialism* demonstrates that geography has certainly not ended, and nor has the urge for people to stretch out our arms across borders to create our communities. One of the most rewarding things about this book is its capaciousness—astute insights that emerge out of careful organizing linked to the voices of a generation of strugglers, trying to find their own analysis to build their own movements to make this world our own. This is both a manual and a memoir, a guide to the world and a guide to the organizer’s heart.”—Vijay Prashad, author of *The Darker Nations: A People’s History of the Third World* “This book belongs in every wannabe revolutionary’s war backpack. I addictively jumped all over its contents: a radical mixtape of ancestral wisdoms to present-day grounded organizers theorizing about their own experiences. A must for me is Walia’s decision to infuse this volume’s fight against border imperialism, white supremacy, and empire with the vulnerability of her own

personal narrative. This book is a breath of fresh air and offers an urgently needed movement-based praxis.

Undoing Border Imperialism is too hot to be sitting on bookshelves; it will help make the revolution.”—Ashanti Alston, Black Panther elder and former political prisoner

*Global Migration, Capitalism, and the Rise of Racist Nationalism* Notion Press

Why is Royal Challengers Bangalore one of the worst-performing teams in the Indian Premier League (IPL), despite having batsman like A.B. de Villiers and Chris Gayle, and being captained by Virat Kohli? On the other hand, why is Chennai Super Kings (CSK) one of the best-performing teams, despite boasting fewer superstars and an ageing M.S. Dhoni as captain? The secret could lie in the teams' captaincy styles. But more importantly, it lies in the way T20 teams plan, strategize and build themselves around a core group, which CSK has done. In *Cricket 2.0: Inside the T20 Revolution*, Tim Wigmore and Freddie Wilde take us on a whirlwind tour of the cricket format that has taken the world by storm. From its inception, when T20 was accepted by a narrow vote of the Marylebone Cricket Club, to its current global popularity, from its original superstar Chris Gayle to newcomers like Rashid Khan and Sandeep Lamichhane, T20 has become a phenomenon that has resurrected the game of cricket. From the sunny beaches of Trinidad and Tobago, which gave the world a West Indian team feared by its contemporaries, to the raucous stadiums of the IPL, today one of the world's most valuable sport tournaments, from India's original rejection of T20 to ultimately embracing it, signalling a shift in world cricket, Wigmore and Wilde break down how T20 has changed the game entirely,

and why it may be the future of cricket.

*Cricket Drona* Soho Press

THUS runs the tale: -- In former days the Holy One, the Most High, enthroned in his own sphere was reclining on his full-blown lotus couch surrounded by Indra and the other gods; and on a certain occasion he was holding a session, framing questions on the lore of Brahma and enjoying other blameless discussions. As he so sate, adored of the three worlds, the Prajapatis headed by Manu, Daksa, and Caksusa, and all the great sages with the seven Risis worshipped him. Some in chorus chanted the Rik hymns apt for psalmody; some recited the Yajus sentences of worship; some sang aloud the Samanstrains of praise. Others rehearsed the Mantras that reveal the ritual of the sacrifice. And there, arising from the differences of their studies, quarrels one with another we heard among them

"In a gloomy, smoke-filled world where the sun has vanished, all light and warmth comes from the firestones mined underground by the Quelled – a people branded by the race known as Chosen. On her sixteenth birthday, the rebellious Quelled girl Elsha is selected as handmaid to the Firelord – the most powerful of the Chosen. Suddenly Elsha is swept into a world of privilege, but also of prejudice and hatred and

inequality. And her pursuit of her vision of a world of warmth, as sung about in the ancient myths, leads her on a dangerous path..."

The book intends to inspire you to live your passion, follow your heart and be successful in whatever you do

*Joy Of A Lifetime* Apress

From Mumbai and Lahore to the Highveld of the Transvaal and in his native Wales, Alan Wilkins is internationally known and admired as an accomplished sports broadcaster.

Growing up as a talented young cricketer in 1970s Cardiff, Alan dreamt of a life in sport and yearned to travel the world but, as he reveals in *Easier Said Than Done*, he could never have imagined he would realise his dream via a microphone and camera rather than with a bat and a ball. With great humility and humour, Alan Wilkins tells the fascinating story of how he swapped the life of a sports teacher for a career as a professional cricketer with Glamorgan and Gloucestershire – taking over 370 wickets and playing in the 1977 Gillette Cup final – and how it was brought to a devastating end in 1983 by a debilitating shoulder injury. Determined that his *Life in Sport* would not end after his enforced retirement from cricket, Alan vividly

describes how, with determination and enthusiasm, he embarked on a new and successful career in sports broadcasting which has seen him commentate on many of the world's greatest sporting occasions – from Wimbledon to The Masters and from the Rugby World Cup to the Indian Premier League and Pakistan Super League – and how he has forged lifelong friendships with many legends of the sporting world. Millions of sports fans know Alan Wilkins the broadcaster but now, with *Easier Said Than Done*, they can get to know the man behind the microphone and the absorbing story of his *Life in Sport*.

**THE GRIPPING AND ACTION-PACKED STORY OF THE BOY WHO NEVER GAVE UP!** He is that exceptional teenager who returned to play an innings the day his dad passed away. He is the chubby rookie who now sets fitness goals. He is the fiery batsman and nimble fielder who always wants to win. Virat Kohli's determination to overcome his drawbacks and shine his skills has him well on his way to becoming an all-time great in cricket. From gully cricket and junior teams to the Ranji and national squads, Virat has had more than his share of hurdles. But pressure is his middle name – and he has made performing under the toughest conditions an art with his fine strokes, his electric feet and his ginormous hunger for runs. That's why the dashing King Kohli – captain of Team India across all formats of the game – holds many records and prestigious awards. Virat looks unstoppable in the lead-up to the top, and his tremendously inspiring story is told vividly in this book. Peppered with anecdotes and stories from his coaches, teammates and other insiders from the cricketing world, this is one life story

that is a must-read for everyone who, like Virat, prizes both guts and glory.

**Revenge Has No Death** Souvenir Press  
 Like the Moon and the Sun is a story of culture, religion and politics in Indonesia through the eyes of a former United States diplomat who had close connections to Indonesia for nearly 30 years. Stanley Harsha first came to Indonesia as a young diplomat in 1986, returning for multiple diplomatic tours before retiring and writing this memoir. Acculturated into a Javanese family through marriage, he offers intimate perspectives on Indonesia's rich multicultural society and customs. This is the first book on Indonesia written by an American diplomat since a 1990 book by Ambassador Marshall Green. The book will be of interest to anyone wanting to better understand Indonesia and U.S.-Indonesian relations, as well as issues of human rights, the war against terrorism and religious tolerance. Appealing for Indonesians and Americans to better understand each other, the book compares the two societies. The title, Like the Moon and the Sun, comes from an Indonesian proverb describing a perfect match, representing the yin and yang of two contrasting peoples and traditions enhancing each other. Based on first-hand experience, the author describes Indonesia's peaceful transition from a dictatorship to the world's third largest democracy, critically analyzing religion, human rights and the war against terrorism. The book explains why Indonesian Islam is tolerant and peaceful, traits that are shared with the United States. However, the book also is sharply critical of intolerant trends in both nations, Islamophobia promulgated by the Christian right in the U.S. and hatred fomented by a small minority of hardline Muslims in Indonesia. The book

also calls for human rights accountability in both countries, for past killings and kidnappings of civilians by Indonesian security forces, and for the torture and killing of terrorist suspects by U.S. security forces and the CIA. The author argues that while the U.S. war against terrorism has eliminated many threats, it has created more terrorists than it has eliminated. During his decades of experience with Indonesia, the author had close relationships with people across society, including the current President Joko Widodo, human rights leaders, cultural icons and religious leaders of all faiths. The author also knew victims of gross human rights violations and human trafficking, telling their compelling stories. Indonesia's prominent Muslim scholar, Azyumardi Azra, wrote in his forward to the book, "Stanley possesses information that is both varied and vast. He has mixed not only in diplomatic circles but also with journalists, intellectuals, religious figures, students, civil society activists, and also, with ordinary people." Stanley Harsha makes a plea to the world to understand how Islam is practiced in Indonesia, the world's largest Muslim majority country, and "how this type of moderate Muslim culture represents Islam with a smiling face." Indonesia's most respected human rights attorney, Adnan Buyung Nasution, wrote about the book, "His understanding of Indonesian culture and politics is impressive. This book should be read by anyone who is interested in learning about Indonesian relations with America." Michael Vatikiotis, Regional Director Asia, for the Centre for Humanitarian Dialogue, writes, "Stan Harsha has written a very personal account of his journey through Indonesia, as a husband, father and diplomat."

**Cardus on Cricket** NYU Press  
King Harsha, who reigned over the kingdom of Kanauj from 606 to 647 CE, composed two Sanskrit plays about the mythical figures of King Udayana, his queen, Vāsava-datta, and two of his co-wives. The plays abound in mistaken identities, both political and erotic. The characters masquerade as one another and, occasionally, as themselves, and each play refers simultaneously to itself and to the other. Co-published by New York University Press and the JJC Foundation For more on this title and other titles in the Clay Sanskrit series, please visit

Oops! 'I' Fell In Love is a funny Indian college love story. This modern time love story was written by Harsh Snehanshu. The story is about how love is possible between not only people of different cities but of different personalities as well. In this story, Kanav Bajaj is a new hopeful engineering student at IIT-Delhi from a small town in Indore. Since he was from a small town, the big metropolitan city was intimidating him and he struggles to fit in. He being a shy and studious boy falls in love with the unlikely Tanya, who is completely opposite in nature compared to him. She is a cheerful girl from LSR, Delhi. Snehanshu also includes a few more interesting characters such as Kanav's friends Aryan, Anuj and Sameer, who

add life to the story. Will Kanav and Tanya have a beautiful love story in IIT-Delhi amidst the social, college and parental pressures or will their differences keep them apart? This is an interesting love story written in a witty style by Harsh Snehanshu. The story promises twists and turns in their relationship. Oops! 'I' Fell In Love was published by Srishti Publishers in 2009 which is now available in paperback. Key Features Author of Oops! I Fell In Love Harsh Snehanshu is a graduate of IIT-Delhi. His experience gives the story a more realistic feel. The other stories in this trilogy are Ouch! That 'Hearts' and She's Single, I'm Taken have already been released.

**Inside the T20 Revolution** Out of the Box  
Watching the Game We Love The Nice Guy who finished first is a remarkable story of Rahul Dravid's illustrious career in international cricket that commenced in 1996 and continues to flourish nine years later. IT tells the tale of a young man who has succeeded in his chosen profession through an ardent faith in the three 'D's of dedication, discipline and determination. The biography reconstructs the incidents and events that have contributed to making Rahul Dravid one of the greatest cricketers to have played the game, and an epitome of grace, humility and commitment to his team's cause. It is a tribute to a role model who has refused to rest on his laurels, and remains an intense in his quest for perfection as he was when he started out. Rahul Dravid's moments of triumph are described, as also his trials and tribulations. The book, narrates the epic battle, one that he eventually won, to break freed of the stereotypes that haunted him in his early yeas at the international level. His efforts to emerge from the intimidating

shadows cast by his teammates and contemporaries are illustrated in great detail. The book highlights the physical, mental and of course, technical attributes that have elevated Rahul to legendary status. In this honest endeavour to recount the story of Rahul Dravid, the author is assisted by reminiscences from his mentors, seniors, teammates and even opponents, all of whom witnessed the making of a cricketing legend from close quarters. Then, there are the photographs, some of the best ever, which showcase, quite literally, the genius of one of India's all-time greats. It is an engaging, absorbing and succinct read.

*MANORMANI* AK Press

Harsha Bhogle in his weekly column in

the Indian Express has captured the entire gamut of Indian cricket. Out of the Box brings together the very best of Harsha's writings, in a book that will be a veritable delight for any cricket fan. Knowledgeable, frank and witty, and with a sense of drama comparable to that of cricket itself, Harsha brings the nation's cricketing ethos inimitably to life. And he is at his best when paying tribute to some cricketing greats'Lara, Inzamam, Jayasuriya, Ganguly, Sehwag, and the incomparable Tendulkar. As he follows India's fortunes on the cricket field at home and overseas, Harsha asks the question: can India really be no.1 in all three forms of the game? The answer lies in our history, and in the pages of Out of the Box
