Daughters of Sarah
Anvil Publishing, Inc.
There's nothing quite
like a pointed question

to elicit an honest
answer. Jesus used
questions throughout
his ministry, not to find
out something he
didn't know, but to
probe into people's
deepest, most

unsettled spaces. Biblical scholar and retreat leader Allan F. Wright organizes twenty-five questions Jesus asked into five spiritual stages that will lead you on the road to discipleship. In the gospels, Jesus frequently asked his followers and enemies tough questions like "Why are you anxious?" "Do you believe this?" and "Why do you doubt?" In *25 Life-Changing Questions from the Gospels*, you will see that you are no different from those Jesus questioned—a grieving sister, a fearful friend, an incessant doubter. And you'll learn that his questions—and the issues that they raise—are just as relevant and life-changing to Catholics

today as they were to Jesus' first followers. Educator and author Allan F. Wright will lead you through five stages of spiritual development—from spiritual seeker to faithful disciple of Christ—so that you can become better able embrace and share the life-giving power Jesus offers. You will come away recognizing Jesus for the wise teacher that he was and as the God who loves you still. *Being Prayer---*
Transforming Consciousness
Pineapple Press Inc
When God Is Silent shows you how to trust God even when He seems unresponsive and remote — even when, as in the famous incident in the Gospels, He seems to sleep while you are buffeted by the storms of life.

Author Luis Martinez quotes that beautiful line from the Song of Songs — “I sleep, but my heart is awake” — and confirms that with Jesus this is indeed the case: His love for you never sleeps, no matter what. Martinez shows how you can make better sense of your life once you realize that God has actually been closest to you when He seemed farthest away; and once you learn why He often speaks to you only in silence. Best of all, Martinez teaches you the secret of true happiness, which you can achieve even amid the troubles that are inescapable elements of every human life. With sober realism and simple faith, this book will show you how to discover — and then to

take refuge in — the comfort our Lord offers you, even when He seems to sleep. “A powerful masterpiece. A great gem of Catholic spirituality.” Fr. Benedict Groeschel
 Author, *Arise from Darkness* “Anyone who wants to progress in prayer or who seeks to get past blockages in spiritual growth will find graceful help here.” Bert Ghezzi
 Author, *Getting Free* “In the silence of Christ’s sleep, we can learn the silence of charity, cultivate the silence of discretion, experience the interior silence of contemplation, and so find peace.” Donna Steichen
 Author, *Prodigal Daughters* Learn to get through the times when God seems distant, as you discover: *Silence: why*

it's essential for all real growth in the spiritual life Why Jesus must seem to sleep in order to refine your love and purify your soul Jesus' thirty "hidden years": the important lessons they hold for your life today Why worry? Two common reasons why people do worry — and remedies for each A simple, effective, and gentle procedure for becoming holy in your daily life Prudence: why it's one of the most difficult — and most important — virtues that you must acquire while Jesus sleeps The three paths to spiritual peace: are you taking them? Do you know what they are? Two times that Jesus grieved — and what He meant to teach you in each Three surprising things that promote your spiritual welfare

— if you know how to use them How the presence of Jesus in your life can transform your experience of suffering The medicine of the spiritual life: why it must often be bitter And much more that will help you endure the storms of your life with confidence that even as Jesus sleeps, He cares for you!

This timely collection of essays on British and European Catholic spiritualities explores how ideas of the sacred have influenced female relationships with piety and religious vocations over time. Each of the studies focuses on specific persons or groups

within the varied contexts of England, France, Italy, the Netherlands and Spain, together spanning the medieval period through to the nineteenth century.

Examining the interplay between women's religious roles and patriarchal norms, the volume highlights the relevance of gender and spirituality through a wide geographical and chronological spectrum. It is an essential resource for students of Gender History, Women's Studies and Religious Studies, introducing a wealth of new research and providing an approachable guide to current debates and methodologies.

The revitalized ministry
of spiritual direction is
one of the surest signs
of renewal in today's
Church. In *Spiritual
Direction:
Contemporary
Readings*, seventeen
leading writers and
spiritual directors
discuss the history,
meaning, demands,
and practice of this
ministry. Through
timely articles by such
recognized authors as
William Barry, Sandra
Schneiders, Louis
Cameli, Kallistos Ware,
and John Wright, one
comes to see that
spiritual direction

belongs, not to a
spiritual elite, but to
the entire Church--men
and women, clergy and
laity, members of
religious communities.
Compiled especially for
those entering spiritual
direction, either as
directors or directees,
this book is an
excellent introduction
to an exciting ministry
in today's Church. A
valuable feature of this
book is a concluding
section with
recommendations for
further readings.
Listing important
articles and books on
spiritual direction
published in recent
years, this section
helps readers to
continue exploring this
vital area of
contemporary
spirituality.

Through God's
Providential Love and*

Care... iUniverse
 Juanita called it "The
 Crash." Her counselor
 labeled it "a major
 depressive episode."
 Others called it a
 nervous breakdown.
 On the spiritual front, it
 was a dark night of the
 soul. This experience
 landed Juanita, a busy
 pastor, mother, and
 community leader, in
 bed. When everything
 in her life finally came
 to a stop, she found
 that she had to learn to
 be—with herself and
 with God—all over
 again. If you are
 longing for a
 trustworthy companion
 through your dark
 days, this book is here
 for you. Each chapter
 includes life-giving
 spiritual practices to
 help you discover your
 own new ways of
 being.
 Sophia Institute Press
 A fresh resource to

help those in recovery
 from addiction find
 their own spiritual path
 through the Buddhist
 practice of
 mindfulness. For those
 of us in recovery,
 Mindfulness and the 12
 Steps offers a fresh
 approach to developing
 our own spiritual path
 through the Buddhist
 practice of
 mindfulness, or
 bringing one's
 awareness to focus on
 the present moment.
 We can revisit each of
 the Twelve Steps,
 exploring the interplay
 of ideas between
 mindfulness and
 Twelve Step traditions-
 -from the idea of living
 "one day at a time" to
 the emphasis on
 prayer and meditation-
 -and learn to
 incorporate
 mindfulness into our
 path toward lifelong
 sobriety. Through

reflections, questions for inquiry, and stories from Buddhist teachers and others who practice mindfulness in recovery, Mindfulness and the 12 Steps will help us awaken new thinking and insights into what it means to live fully--body, mind, and spirit--in the here and now.

The best clerical formation today prepares men to be divinely loved in their humanity. In

Configured to Christ: On Spiritual Direction and Clergy Formation, Deacon James Keating shares what makes a priest or deacon peaceful, personally happy, and—to the extent he keeps

receiving the love of God in prayer as a man of interiority and sacrament—a minister of God's love to his people.

The Consulting Room and Beyond Nutshell Publications

Ackerman, parish pastor, spiritual director, and consultant on spiritual formation, provides an excellent guide for clergy desiring a congregation-wide approach to developing spirituality rooted in the life of the congregation. A six-week program focuses on developing individuals' spirituality in small groups and includes leader training and course plans. Practical suggestions assist in developing the "corporate spirituality" of congregations.

 Cenacle Formation Manual and Prayerbook Contemplative Prayer Augsburg Fortress Pub
Coming Home to Your True Self Cambridge Scholars Publishing
 Born in Boston of immigrant parents, Thomas A. Judge, CM (1868-1933) preached up and down the east coast on the Vincentian mission band between 1903 and 1915. Disturbed by the “leakage” of the immigrant poor from the church, he enlisted and organized lay women he met on the missions to work for the “preservation of the faith,” his watchword. His work grew apace with, and in some ways

anticipated, the growing body of papal teaching on the lay apostolate. When he became superior of the godforsaken Vincentian Alabama mission in 1915, he invited the lay apostles to come south to help. “This is the layman’s hour,” he wrote in 1919. By then, however, many of his lay apostles had evolved in the direction of vowed communal life. This pioneer of the lay apostle founded two religious communities, one of women and one of men. With the indispensable help of his co-founder, Mother Boniface Keasey, he spent the last decade of his life trying to gain canonical approval for these groups, organizing them, and helping them learn “to train the work-a-day

man and woman into an apostle, to cause each to be alert to the interests of the Church, to be the Church." The roaring twenties saw the work expanded beyond the Alabama missions as far as Puerto Rico, which Judge viewed as a gateway to Latin America. The Great Depression ended this expansive mood and time and put agonizing pressure on Judge, his disciples, and their work. In 1932, the year before Judge's death, the apostolic delegate, upon being appraised of Judge's financial straits, described his work as "the only organized movement of its kind in the Church today that so completely meets the wishes of the Holy Father with reference to the Lay Apostolate."

In [this book] you'll learn about a ... lay outreach ministry that could revolutionize your spiritual life and that of others in your parish. First, [the authors] explain the ministry to you and then show you how through your involvement, the material in this book can assist you in living the message of mercy and an active Catholic spirituality in your home and workplace.-
Intro.

Mysticism and Narcissism ICS Publications

Do you need a break from the demands and pressures of daily life? Spending a weekend, a few days, or even just an hour away from the world may be exactly what you need to

renew your spirit. Going on spiritual journeys and retreats is not new—people have been going on pilgrimages and journeying to sacred shrines for centuries. Florida's modern options include monasteries, spiritual retreat centers, and unique religious sites in peaceful, secluded, and spiritually nurturing settings that you can enjoy individually or in groups.

25 Life-Changing Questions from the Gospels

The Word Among Us Press
The Holy Spirit is the secret to the Church's growth and vitality—her "fountain of youth"! The Spirit is constantly renewing the Church, and the current age is no exception. In this book,

theologian and author Dr. Alan Schreck writes a historical appreciation of the Catholic Charismatic Renewal, now celebrating its fiftieth year—a renewal that has touched millions of Catholics throughout the world. Tracing the origins of the Renewal, Schreck outlines its characteristics, how it spread, what is meant by the baptism in the Holy Spirit, the charisms that are associated with it, and the communities that grew out of it. This book is for those who were involved in the Renewal and for those who want to know how the Spirit has moved so mightily in our own time and age.

Womb to Tomb to Womb
Emmaus Road Publishing
Albert Haase presents

the spiritual journey as a return home. And home is the sacrament of the present moment. It is only living right now, right here, that we discover life and this world awash in the grace of God. We simply need to become aware and grow in greater sensitivity to the divine Presence who dwells within and in whom we dwell.

Mainstay Ministries
The pebbles, rocks, and boulders of our wounds and failures litter the path to authentic selfhood. In *Sex Spirit Selfhood* Mike Luedde offers healing words to those who are faithful to Gods guidance on their journey. As he shares his own experiences of Spirit, attention to the

inner life, and openness to Gods love, Dr. Luedde gives hope that God will transform our garbage into gold and shows us the holiness that awaits us in ordinary life. I found this book hard to put down! Dr. Luedde had me from the beginning. -Terry Richter, MSW, LCSW It held me from the first page. Mike inspired me to reflect on my own experience of God. -Elizabeth Garney, RN *Sex Spirit Selfhood* begins with subtlety and builds to a crescendo. It is a courageous book. -Rev. Robert L. Dees, Hospice Chaplain and Spiritual Director Mike Luedde eases our entry into an enlightened take on contemporary theology that never overwhelms his dramatic arc. The playful way he

describes his mystical experiences is very seductive and quite original. The book was a treat to read. Mike Lueddes prose often sings and sings well. - Lewis Garvin, Poet *Gender, Catholicism and Spirituality* Wipf and Stock Publishers Giving spiritual direction and preparing to become a spiritual director are characterized in terms of the preparation, qualities, and practical considerations necessary for guiding fellow Christians. *Spiritual Florida* Routledge The Consulting Room and Beyond is not a typical example of clinical writing in the field of psychoanalysis. Therese Ragen, pushing the boundaries of the genre, thoughtfully explores

in a very immediate way the intersubjective nature of psychoanalysis, particularly looking at the role of the psychoanalyst's subjectivity, both how it influences and is influenced by the psychoanalytic relationship. The profound ways in which analyst and patient affect each other are captured as the author moves from a moment with a patient, to one of her own memories, to a dream, to a professional consultation and back to the session with the patient. Ragen's detailed descriptions of her subjective experiences and clinical skill help to weave the anecdotes into a compelling narrative, worthy of the attention of

theorists, academics and clinicians alike.

Sacramento and the Catholic Church

Baker Academic
Priesthood and crisis are two words that appear to be very closely related. Or so it has seemed for the past thirty years and more. The crisis in the priestly ministry is constantly showing new sides, however—the issue of the priest's own self-understanding, for example, the interplay of the various different vocations within the Church, and the struggle, in the face of a plethora of different offices and ministries, to discern what constitutes the specific priestly dimension and identity. Again and again, in his theological writings, Hans Urs von Balthasar has

addressed the fundamental issues of of?ce and ministry, of priesthood and discipleship. He has uncovered the foundations from a biblical and theological historical perspective and has offered answers to the current problems of priestly existence. This book presents the confrontation with relevant trends, and at the same time the opposing current generated by von Balthasar, since he does not follow popular positions but instead gives us the very core of the Gospel and of revelation, like rye bread. In order to illuminate the spirituality and meaning of the life of the priest of today, von Balthasar goes back to the origins, to the

apostles, to their calling, and above all to that moment from which their apostolic mission and their entire Christian existence originates, the Paschal mystery of Jesus. On the eve of his death, Jesus establishes the Eucharist and the priesthood; immediately after his Resurrection he bestows on the disciples the power to forgive sins, entrusts his sheep to Peter, and sends them out into the whole world. Thus von Balthasar considers the life and mission of today's priests in continuity not only with the first apostles, but above all, with Jesus himself. The person and mission of Jesus Christ stand at the center of priestly spirituality. Hence all

the reactions in this work revolve unswervingly around Jesus Christ and his mission. Jesus is the source and norm of priestly existence. Only when God, made manifest in the figure of the Savior Jesus Christ, is understood as the center from which this priestly existence springs, and only when this enduring center is proclaimed, can the bold presumption of the Lord in entrusting his mission to weak men be understood in confident trust and attract new followers, even in lean times.

Spiritual Awakening
 Ignatius Press
 Solitude is a universal experience. For some people, its connotations of loneliness and isolation are terrifying prospects. Others seek

it out, sensing solitude's potential for bringing depth and creativity to their lives. Even those who embrace it willingly, however, discover at some point that solitude, like nature, has its changing seasons. Why write a book about solitude? One answer: God. Those who are God

seekers often turn to solitude to listen to God, to be present to God, to be attentive to God's word, wisdom and Spirit. Embraced purposefully, solitude enables us to cultivate another way of seeing and being, to be more open to discovery of and exploration into those unfathomable riches we call God.
