This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of *The Message*. "In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene's quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop."—John Mark Comer, author of *The Ruthless Elimination of Hurry* "This hunger for something radical—something so true that it burned in his bones—was a constant in Eugene's life. His longing for God ignited a ferocity in his soul." Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene's lifelong devotion to his craft and love of language, the influences and experiences that shaped his unquenchable faith, the inspiration for his decision to translate *The Message*, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson's life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake; a kiss from his wife, Jan; a good joke; a bowl of butter pecan ice cream. As you enter into his story, you'll find yourself doing the

same—noticing how the most ordinary things shimmer with a new and unexpected beauty.

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her *Blood and Ash* series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.
