from Endgame: Scene 3 Samuel Beckett Company Company is a novella by Samuel Beckett,

written in English and published by John Calder in 1979. It was translated into French by the author

and published by Les Éditions de Minuit in 1980. Together with *Ill Seen Ill Said* and *Worstward Ho*, it

was collected in the volume *Nohow On* in 1989. It is one of Beckett's "closed space"

stories. Company (novella) - Wikipedia Considered the crown of Samuel Beckett's Late Period,

Company has become a modern classic, an extraordinary blending of thought and memory, with

poignant glimpses of childhood, including even the author's birth, juxtaposed with a voice, one and

many, examining the situation of one lying on his back in the dark, 'the fable of one fabling of one

with you in the dark.' Company by Samuel Beckett - Goodreads Buy Company by Samuel Beckett
