KORBIN RILEY

Benjamin Graham, the Memoirs of the Dean of Wall Street Knopf Books for Young Readers
#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

A Compilation of Quotes from Berkshire Hathaway's Vice Chairman on Life, Business, and the Pursuit of Wealth With Commentary by David Clark Wiley

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in *The Great Mental Models* series

designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

Damn Right! Harper Collins

Every year, thousands upon thousands of people make the pilgrimage to the Berkshire Hathaway annual shareholders meeting to hear the wisdom of one of the smartest men in the business-Charlie Munger. Find out what he has to say!Charlie Munger is one of the most successful businessmen in the world. He is worth more than a billion dollars and has spent his career not only honing his own business decision-making abilities but also teaching others to do the same. Now, all of his wisdom and insight into wealth management is collected in one place.Author Oxana Dubrovina wants to give you a crash course in Munger's life-changing philosophy. This success self-help guide and motivational biography will put you on the road to a bright financial future by using Munger, as well as other inspirational leaders like Benjamin Franklin, Lee Kuan Yew, and even Jesus Christ, to illustrate important messages about how to live a good, honest, and successful life.

An opinionated tour of the past, present, and future of pro basketball, written by ESPN's "Sports Guy" columnist, shares insights on everything from major NBA events and underrated players to how Hall of Famers should be selected.

The Great Mental Models: General Thinking Concepts Crown

The author describes his childhood, education, and professional career in security analysis, and recounts what Wall Street was like in the roaring twenties

Behind the New Threat to Liberal Democracy HarperCollins

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be

homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

Damn Right I'm From Cleveland Hachette UK

Charlie Munger is an American investor, businessman and philanthropist. He is vice chairman of Berkshire Hathaway, the conglomerate controlled by Warren Buffett; Buffett has described Munger as his partner. Munger served as chairman of Wesco Financial Corporation from 1984 through 2011. He is also chairman of the Daily Journal Corporation, based in Los Angeles, California, and a director of Costco Wholesale Corporation. Munger was born in Omaha, Nebraska. As a teenager he worked at Buffett & Son, a grocery store owned by Warren Buffett's grandfather. After enrolling in the University of Michigan, where he studied mathematics, he never returned to Omaha except to visit. In early 1943, a few days after his 19th birthday, he dropped out of college to serve in the U.S. Army Air Corps, where he became Second Lieutenant. He continued his studies in meteorology at Caltech in Pasadena, California, the town he was to make his home. Through the GI Bill he took a number of advanced courses through several universities; without an undergraduate degree, he entered Harvard Law School and graduated magna cum laude with a J.D. in 1948. At Harvard he was a member of the Harvard Legal Aid Bureau. In college and the Army he developed "an important skill" card playing. "What you have to learn is to fold early when the odds are against you, or if you have a big edge, back it heavily because you don't get a big edge often. Opportunity comes, but it doesn't come often, so seize it when it does come."

Wit and Wisdom from the World's Greatest Business Leader John Wiley & Sons

A humorous guide to life in Cleveland, Ohio.

Behind the Scenes at the Museum Columbia University Press

A deeply moving family story of happiness and heartbreak, *Behind the Scenes at the Museum* is bestselling author Kate Atkinson's award-winning literary debut. National Bestseller Winner of the Whitbread Book of the Year Ruby Lennox begins narrating her life at the moment of conception, and from there takes us on a whirlwind tour of the twentieth century as seen through the eyes of an English girl determined to learn about her family and its secrets. Kate Atkinson's first novel is "a multigenerational tale of a spectacularly dysfunctional Yorkshire family and one of the funniest works of fiction to come out of Britain in years" (The New York Times Book Review).

On Success ISBN Services

Since its hardcover publication in August of 1995, Buffett has appeared on the Wall Street Journal, New York Times, San Francisco Chronicle, Los Angeles Times, Seattle Times, Newsday and Business Week bestseller lists. Starting from scratch, simply by picking stocks and companies for investment,

Warren Buffett amassed one of the epochal fortunes of the twentieth century—an astounding net worth of \$10 billion, and counting. His awesome investment record has made him a cult figure popularly known for his seeming contradictions: a billionaire who has a modest lifestyle, a phenomenally successful investor who eschews the revolving-door trading of modern Wall Street, a brilliant dealmaker who cultivates a homespun aura. Journalist Roger Lowenstein draws on three years of unprecedented access to Buffett's family, friends, and colleagues to provide the first definitive, inside account of the life and career of this American original. Buffett explains Buffett's investment strategy—a long-term philosophy grounded in buying stock in companies that are undervalued on the market and hanging on until their worth invariably surfaces—and shows how it is a reflection of his inner self.

Behind the Scenes with Berkshire Hathaway Billionaire Charlie Munger Bantam

Words of wisdom from Charlie Munger—Warren Buffett's longtime business partner and the visionary Vice Chairman of Berkshire Hathaway—collected and interpreted with an eye towards investing by David Clark, coauthor of the bestselling Buffettology series. Born in Omaha, Nebraska in 1924 Charlie Munger studied mathematics at the University of Michigan, trained as a meteorologist at Cal Tech Pasadena while in the Army, and graduated magna cum laude from Harvard Law School without ever earning an undergraduate degree. Today, Munger is one of America's most successful investors, the Vice Chairman of Berkshire Hathaway, and Warren Buffett's business partner for almost forty years. Buffett says "Berkshire has been built to Charlie's blueprint. My role has been that of general contractor." Munger is an intelligent, opinionated business man whose ideas can teach professional and amateur investors how to be successful in finance and life. Like *The Tao of Warren Buffett* and *The Tao of Te Ching*, *The Tao of Charlie Munger* is a compendium of pithy quotes including, "Knowing what you don't know is more useful than being brilliant" and "In my whole life, I have known no wise people who didn't read all the time—none, zero." This collection, culled from interviews, speeches, and questions and answers at the Berkshire Hathaway and Wesco annual meetings, offers insights into Munger's amazing financial success and life philosophies. Described by Business Insider as "sharp in his wit and investing wisdom," Charlie Munger's investment tips, business philosophy, and rules for living are as unique as his life story; intelligent as he clearly is; and as successful as he has been.

Your Guide to Makin' It in America's 47th Biggest City A&C Black

Praise for *Damn Right!* From the author of the bestselling *WARREN BUFFETT SPEAKS*. . . "Charlie Munger, whose reputation is deep and wide, based on an extraordinary record of brilliantly successful business strategies, sees things that others don't. There is a method to his mastery and, through this book, we get a chance to learn about this rare individual." -MICHAEL EISNER, Chairman and CEO, The Walt Disney Company "Janet Lowe uncovers the iconoclastic genius and subtle charm behind Charlie Munger's curmudgeonly facade in this richly woven portrait of our era's heir to Ben Franklin. With a biographer's detachment, an historian's thoroughness, and a financial writer's common sense, Lowe produces a riveting account of the family, personal, and business life of the idiosyncratically complex and endlessly fascinating figure." -LAWRENCE CUNNINGHAM, Cardozo Law School, Author of *The Essays of Warren Buffett: Lessons for Corporate America* "For years, Berkshire Hathaway shareholders and investors worldwide (me included) have struggled to learn more about

Warren Buffett's cerebral sidekick. Now we can rest and enjoy reading Janet Lowe's book about this rare intellectual jewel called Charlie Munger." -ROBERT G. HAGSTROM, Author of *The Warren Buffett Way* "Charlie has lived by the creed that one should live a life that doesn't need explaining. But his life should be explained. In a city where heroism is too often confused with celebrity, Charlie is a true hero and mentor. He lives the life lessons that he has studiously extracted from other true heroes and mentors, from Ben Franklin to Ben Graham. This book illuminates those life lessons." -RONALD L. OLSON, Munger, Tolles & Olson LLP "Janet Lowe's unprecedented access to Charlie Munger and Warren Buffett has resulted in a first-class book that investors, academics, and CEOs will find entertaining and highly useful."-TIMOTHY P. VICK, Money Manager and Author of *How to Pick Stocks Like Warren Buffett*

What Every American Should Know About Who's Really Running America ESPN

Special edition slipcase edition of John Green's *Paper Towns*, with pop-up paper town. From the bestselling author of *The Fault in Our Stars*. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

The Book Thief Oxford University Press

They come to Omaha by the tens of thousands, flocking to an annual meeting that has become legendary for investors, businesspeople, and fans of one of the most savvy capitalists on the planet. They come to eat steak, buy furniture at a discount, and bask in the brilliance of value investor extraordinaire, Warren Buffett. Hedge fund founder, financial blogger, and professional skeptic Jeff Matthews got his own highly-coveted ticket to the Berkshire Hathaway meeting held only for shareholders and their guests--and proceeded to post reports on his blog, offering tempting glimpses into the much-discussed meeting. Now Matthews delivers a full-length account of his adventures at this infamous financial hoedown. In addition to offering a thoroughly entertaining first-hand account of Berkshire Hathaway's meeting, he answers questions investors are asking, including: Does Buffett's famed penny-pinching cripple his companies? Why does Buffett--a bridge partner and best friend of Bill Gates--not own any technology stocks? How does the extremely rational Buffett square his well-known social progressiveness with his lily-white audience of investors? Is Buffett really an "Oracle"? What information, insights, and ideas do the meeting's attendees pick up--and how do they put this information to use in their own investments? Will Berkshire-Hathaway survive his death? Matthews also applies his financial acumen to harvesting potent lessons from his experiences that you can use as you survey the investment field, from finding how the world's greatest investor evaluates not only businesses but the people who run them, to the importance of "just reading and thinking" and the value of having a smart, cynical partner. With the dispatches from this exclusive financial carnival, *Pilgrimage to Warren Buffett's Omaha* puts you at the forefront of an investor's dream come true. "There are very few secrets to be

revealed about a man who really doesn't have many secrets. But this book does take you inside that secret place - the Mecca of the Midwest. It's very easy to read and full of classic Buffett-isms - well worth the pilgrimage for those of us who don't own any Berkshire Hathaway shares or for anyone who wants to learn more about investing from the man who says the first rule of investing it to, 'read everything.'" --CNBC.COM

Inside the Ultimate Money Mind Macmillan

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could

upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*. [Sinking in the Swamp](#) Wiley

"Robert S. Strauss was for many decades, the quintessential political operator. He played a pivotal role in US politics for more than fifty years, serving as chairman of the Democratic National Committee, US Trade Representative, and US Ambassador to the USSR and later Russia. He has advised and represented many US presidents for both major political parties. Yet, we know very little of this man who has been so influential behind the scenes. This is the story of how Bobby Strauss, a poor, Jewish boy from West Texas, became Robert S. Strauss, a lawyer and politician of national and international renown. Strauss entered national politics when Beltway outsiders were planning their takeover of the Democratic Party in the aftermath of the divisive 1968 Chicago convention. After the 1972 nomination and subsequent defeat of George McGovern polarized the old and new factions of the Democratic Party, Strauss became chairman of the Democratic National Committee. He managed to create a coalition of old guard conservatives, minorities, youth, and representatives of both labor and big business that resembled the patchwork Democratic Party we still have to this day. Strauss excelled at balancing accommodation and persuasion. He was proud to be an insider and a politician, even when those were considered dirty words, because he enjoyed the negotiations that politics then entailed. His Texas charm and political savvy won over both sides of the aisle in Washington. This book will describe what went on in the smoke-filled rooms, and in the bathrooms of the hotel suites, "where the real decisions were made," as Strauss likes to say. It is a vivid portrait of a bygone era of civilized Washington politics, when Republicans and Democrats worked together without fear of criticism. "--

The Book of Basketball St. Martin's Press

The author weaves pearls of wisdom from Warren Buffet into an engaging narrative, organized into

business and management topics, in a book that provides direct hands-on information for entrepreneurs, business students and more.

[The Whole Damn Deal](#) Penguin

"Fun and gossipy." —The Wall Street Journal * "A masterful history." —Publishers Weekly (starred review) * "Engaging." —Newsweek A "brisk, insightful, and deliciously detailed take" (Kirkus Reviews) on a transformative decade on Broadway, featuring behind-the-scenes accounts of shows such as *Rent*, *Angels in America*, *Chicago*, *The Lion King*, and *The Producers*—shows that changed the history of the American theater. The 1990s was a decade of profound change on Broadway. At the dawn of the nineties, the British invasion of Broadway was in full swing, as musical spectacles like *Les Misérables*, *Cats*, and *The Phantom of the Opera* dominated the box office. But Andrew Lloyd Webber's *Sunset Boulevard* soon spelled the end of this era and ushered in a new wave of American musicals, beginning with the ascendance of an unlikely show by a struggling writer who reimagined Puccini's opera *La Bohème* as the smash Broadway show *Rent*. American musical comedy made its grand return, culminating in *The Producers*, while plays, always an endangered species on Broadway, staged a powerful comeback with Tony Kushner's *Angels in America*. A different breed of producers rose up to challenge the grip theater owners had long held on Broadway, and corporations began to see how much money could be made from live theater. And just as Broadway had clawed its way back into the mainstream of American popular culture, the September 11 attacks struck fear into the heart of Americans who thought Times Square might be the next target. But Broadway was back in business just two days later, buoyed by talented theater people intent on bringing New Yorkers together and supporting the economics of an injured city. "Told with all the wit and style readers could wish for" (Booklist) Michael Riedel presents the drama behind every mega-hit or shocking flop. From the bitter feuds to the surprising collaborations, all the intrigue of a revolutionary era in the Theater District is packed into *Singular Sensation*. Broadway has triumphs and disasters, but the show always goes on.
