"California GO Math! is
specifically designed
for California teachers
and students to ensure

success with California
Common Core
Standards and the
Smarter Balanced
Assessment. California
GO Math! K-6
incorporates
mathematical practices
in every lesson so
students develop the
mathematical thinking

they need. It features exploration-driven lessons that begin with problem-based situations and build to more abstract problems. It includes resources to personalize instruction for Rtl, online assessment, and ongoing data to inform instruction for Intervention, ELD, and challenge."--Publisher's website.

Math in Focus Carson-Dellosa Publishing
With Instant Assessments for Data Tracking: Language Arts for fourth grade, showing proof of progress is easier than ever. This book includes language arts assessments on topics such as: -parts of speech -theme -fluency -decoding words Simplify data tracking with this all-in-one

teacher resource. Packed with ready-to-go language arts assessments that cover the skills and standards for fourth grade, this teacher resource book will help you create a data tracking binder to help gather accurate information on a student's or a class's skill level in a variety of ways, including: - traditional tests - prompt cards for one-on-one assessments - unit tests -exit tickets Tracking student growth in language arts will be easier and more organized than ever with Instant Assessments for Data Tracking. Designed to help you stay ahead, this series makes it easy for you to monitor and prove progress—one assessment at a time.

for Data Tracking: Math
for first grade
transforms the way
you monitor student
growth with
assessments on topics
including: -word
problems -addition -
subtraction -place
value -measurement -
shapes These
assessments cover the
skills and standards for
the entire school year.
Create an all-in-one
data tracking binder
with these ready-to-go
math assessments.
With the help of this
teacher resource book,
you can collect
accurate data on a
student's or class's skill
level with: -formatted
tests -exit tickets -
pretests -posttests -

prompt cards for one-
on-one assessments -
lists for personalized
assessments Proof of
progress is essential in
today's classroom, and
tracking student
growth in math is
easier than ever with
Instant Assessments
for Data Tracking. This
series makes it easy to
gather information
about students'
understanding--one
assessment at a time!

Into Math Holt
McDougal
This text offers
guidance to teachers,
mathematics coaches,
administrators,
parents, and
policymakers. This
book: provides a
research-based
description of eight

essential mathematics teaching practices ; describes the conditions, structures, and policies that must support the teaching practices ; builds on NCTM's Principles and Standards for School Mathematics and supports implementation of the Common Core State Standards for Mathematics to attain much higher levels of mathematics achievement for all students ; identifies obstacles, unproductive and productive beliefs, and key actions that must be understood, acknowledged, and addressed by all stakeholders ; encourages teachers of mathematics to engage students in mathematical thinking, reasoning, and sense

making to significantly strengthen teaching and learning.

Singapore Math by Marshall Cavendish Go Math!

GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The new Standards Practice Book, packaged with the Student Edition, helps students achieve fluency, speed, and confidence with grade-level concepts. GO Math! is the first K-6 math program written to align with the Common Core. With GO Math! you will hit the ground running and have everything you need to teach the Common Core State Standards. GO Math!

combines fresh teaching approaches with everything needed to address the rigors of the Common Core Standards. Using a unique write-in student text at every grade, students represent, solve, and explain -- all in one place. - Publisher.
