CHAPTER What Is Human Resource Management? 1

According to French

Wendell - "Human Resource Management is the recruitment, selection, development, utilisation of and accommodation to human resources by organisations.". The human resources of an organisation consist of all employees working at different levels in the organisation.

Human Resource Management by Gary Dessler

Human resource management is defined as a system of activities and strategies that focus on successfully managing

employees at all levels of an organization to achieve organizational goals (Byars & Rue, 2006).

Employees are the human resources of an organization and its most valuable asset. To be successful, an organization must make
