Perhaps the most lively and exuberant of Kalidasa's extant works, Ritusamharam is a glorious ode to nature's bounty and the enduring emotional response it evokes in mankind as a whole. Recounted as a celebration of the passing seasons, it is a feast for the senses, capturing the myriad facets of love and longing in a kaleidoscope of sumptuous imagery: the mischievous moonlight that, like a pining lover, steals glances at sleeping maidens; the monsoon-bloated rivers that rush to the sea with a lustful urgency; the flame of lovemaking that is kindled anew at the onset of winter; the heady scent of mango blossoms that makes even the most unyielding of hearts quiver. Even animals, big and small, are swept into the playful pattern of the great poet's lyrical homage. A.N.D. Haksar's supple and spirited translation is accompanied by an absorbing introduction and notes that shed further light on this extraordinary work.

The name Chandi comes from the word "chand" which in Sanskrit means to tear apart. The spiritual meaning of Chandi is "She Who Tears Apart Thought." The recitation of the Chandi Path is designed to guide the reader's awareness into the presence of Chandi - the Divine Mother Herself - so that all conflict of mind may return to Peace.

This is the best introduction to Vedanta and to Sankara's philosophy. The Upadesaasahasri, or A Thousand Teachings consists of a metrical part and a prose part. In the metrical part, Sankara discusses the basic philosophical problems of non-dualism, at the same time refuting the teachings of other philosophical schools. In the prose part, he explains how to teach the way to self realization-to enlightenment. Sankara and the great Abhinavagupta are generally regarded as the two greatest thinkers in the long history of Indian philosophy. Sankara represented Advaita Vedanta, a non-dualistic view of ultimate reality. Most of his works are commentaries on classics of Indian thought. A Thousand Teachings is the only non-commentarial work that can be attributed to him; the other independent writings ascribed to him are probably spurious.

When a father helps his kids touch the sky and pluck the stars, why can't kids do the same for him? We all know that the darkest nights produce the brightest moon and stars. "The Unkissed Lies" is a memoir woven with unconditional love and is dedicated by a daughter to her father. Her father met with a minor accident at the time when the WHO declared COVID-19 as a global pandemic. Everything happens for a reason, or does it? His daughter was never quite ready but she was brave enough to face the ordeal. This personal account captures themes and metaphors of personal loss, love, pain, hope, patience, strength, unity and everything in between. The author recounts and reflects how she dealt and haggled with the situation and the lies she had to tell her father, the policemen, the hospital staff, family and perhaps to herself.

About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives' dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

The perfect gift for seekers, the curious, and the spiritually hungry, The Little Book of Prayers now has a stunning new cover and a more prayer booklike format. Gathered from holy books and prayer books, from songs and spirituals, spoken traditions and poets, it is an unexpectedly approachable collection of common and uncommon prayers from around the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes one by authorship, and the other by topic make it immediately accessible. There are familiar prayers, like the Lords Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the Opener from the Koran or the four vows of the Boddhisattva, chanted every evening in Zen monasteries around the world. And the surprising from the Prayer of the Unknown Confederate Soldier to the blues of Lightnin Hopkins to the poetry of Rumi. God help us to live slowly: To move simply: To look softly: To allow emptiness: To let the heart create for us. Amen. Michael Leunig You, whose day it is, make it beautiful.
