Six extraordinary stories

from the author of *Kindred*, a master of modern science fiction—including a Hugo and Nebula award-winning novella. Octavia E. Butler’s classic “Bloodchild,” winner of both the Nebula and Hugo awards, anchors this collection of incomparable stories and essays. “Bloodchild” is set on a distant planet where human children spend their lives preparing to become hosts for the offspring of the alien Tlic. Sometimes the procedure is harmless, but often it is not. Also included is the Hugo Award-winning “Speech Sounds,” about a near future in which humans must adapt after an apocalyptic event robs them of their ability to speak. “The Evening and the Morning and the Night,” another esteemed title in this collection, is a Nebula Award finalist. In these pages, Butler shows us life on Earth and amongst the stars, telling her tales with characteristic imagination and clarity. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author’s estate.

An incomparable resource, an unmatched value

The Norton Introduction to Poetry W. W. Norton
The Moon and Sixpence tells the story of English stockbroker Charles Strickland, who abandons his wife and child to travel to Paris to become a painter. First published in 1919 in the United Kingdom by Heinemann, the story is inspired by the life of the French artist Paul Gauguin. It's told in episodic form from a first-person perspective. The narrator, who came to know Strickland through his wife's literary parties, begins the story as Strickland leaves for Paris. Strickland's new life becomes a stark contrast to his life in London. While he was once a well-off banker living a comfortable life, he must now sleep in cheap hotels while suffering both illness and hunger. Maugham spent a year in Paris in 1904, which is

when he first heard the story of Gauguin, the banker who left his family and profession to pursue his passion for art. He heard the story from others who had known and worked with Gauguin. Ten years later Maugham travelled to Tahiti where he met others who had known Gauguin during the artist's time there. Inspired by the stories he heard, Maugham wrote *The Moon and Sixpence*. Although based on the life of Paul Gauguin, the story is a work of fiction. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
