Dark Blade HarperCollins

Bestselling author Jennifer Estep returns to her Crown of Shards world with an all-new trilogy and a bold new heroine who protects her kingdom from magic, murder, and mayhem by moonlighting as a spy. Gemma Ripley has a reputation for being a pampered

princess who is more interested in pretty gowns, sparkling jewelry, and other frivolous things than learning how to rule the kingdom of Andvari. But her carefully crafted persona is just an act to hide the fact that Gemma is a powerful mind magier—and a spy. Gemma is undercover, trying to figure out who is stealing large amounts of tearstone from one of the Ripley royal mines when she encounters Prince Leonidas Morricone of Morta—her mortal enemy. Gemma tries to steer clear of the handsome prince, but when she finds herself behind enemy lines, she reluctantly joins forces with Leo. Also coming to Gemma's aid is Grimley, her beloved gargoyle. Despite the fact that Andvari and Morta are old, bitter enemies, a dangerous attraction sparks between Gemma and Leo. Further complicating matters is Leo's murderous family, especially Queen Maeven Morricone, the mastermind behind the infamous Seven Spire massacre. The closer Gemma gets to the stolen tearstone, the more deadly plots she uncovers. Everyone is trying to capture the crown, but only one queen can sit on the throne ...

**Blades Of Magic: Crown Service #1** Hachette UK

USA TODAY Bestseller! Magic, murder, adventure, and romance combine in this second novel in the exciting Crown of Shards saga from New York Times and USA Today bestselling author Jennifer Estep. Everleigh Blair might be the new gladiator queen of Bellona, but her problems are far from over. First, Evie has to deal with a court full of arrogant, demanding nobles, all of whom want to get their greedy hands on her crown. As if that wasn't bad enough, an assassin tries to kill Evie in her own throne room. Despite the dangers, Evie goes ahead with a scheduled trip to the neighboring kingdom of Andvari in order to secure a desperately needed alliance. But complicating matters is the stubborn Andvarian king, who wants to punish Evie for the deaths of his countrymen during the Seven Spire massacre. Dark forces are also at work inside the Andvarian palace, and Evie soon realizes that no one is safe. Worse, her immunity to magic starts acting in strange, unexpected ways, which makes Evie wonder whether she is truly strong enough to be a Winter Queen. Evie's magic, life, and crown aren't the only things in danger—so is her heart, thanks to Lucas Sullivan, the Andvarian king's bastard son and Evie's ... well, Evie isn't quite sure what Sullivan is to her. Only one thing is certain—protecting a prince might be even harder than killing a queen...

*A Blade So Black* Harper Collins

Ridge, Sardelle, and their comrades may have rescued Tolemek's sister and freed the dragon, but trouble awaits at home. The king is missing, a secret organization is hunting sorcerers, and the capital is more vulnerable than ever to enemy attack. Worst of all, at least from Ridge's point of view, someone put that jackass Colonel Therrik in charge of the flier battalion. Ridge and his allies have a lot of problems to fix, but they can't show their faces in the capital without being arrested or shot. This time, it's going to take a lot more than magic to save the country. The Blade's Memory is the fifth installment in the Dragon Blood series.

At the magic world's most elite school, time and glittering evil stalk Ren Crown's steps. In a world where layers of magic create worlds on top of our own--worlds where almost anything is possible--some rules still can't be broken, and Ren is desperate to overturn society's most sacred law. On campus, animated creations, enchanted gadgets, and marvelous machines vie with

the students themselves: mischievous engineers, diabolical tacticians, battle-hardened warriors, and terrifying roommates. But even amid an eclectic and powerful student body, there is something off about Ren's magic...and the wrong people have started to notice. Where art comes alive and the bonds of destiny are forged, Ren will find the answer to who and what she is.

*Dark Ranger* Terah Edun

Young Adult Teen Romance for readers of *The Selection* & *Throne of Glass*! The 5th Novel in the bestselling Courtlight series. Ciardis Weathervane returned to the imperial court of Sandrin to unite her foes. But her efforts hit a stumbling block. The imperial kind. She never thought that before rallying an empire, she'd have to fight the emperor himself. An imposter sits the throne and the court she turned to for help is in turmoil. Ciardis hasn't survived assassination attempts, torture and really bad luck to be taken down by her own ruler. So she devises a plan. But first she needs to get Sebastian and Thanar to agree. Each seems to love her in their own way. But neither is listening to her. Pushing them to put aside their differences, in an effort to ward off catastrophe, might be harder than displacing an emperor who would do anything to keep his throne. Butting heads at court isn't Ciardis's only problem. With the princess heir's threat looming she is forced to travel to the mythical city of Kifar, where it is up to her small group to stop the destruction of the entire city while heading a rebellion that could foment a revolution. It wouldn't be the first revolution that Algardis has ever known. But with Ciardis Weathervane at its head—it would certainly be the last. This fifth novel continues the story of Ciardis Weathervane from *Sworn To Secrecy*. **Cold Burn of Magic** Terah Edun

The ancient magic of wizards was anything but dark. It was the enlightenment that lifted humanity from the squalor of superstition, and the worship of fell spirits and capricious gods, but those days are gone. The shining glory of the sorcerers burned away the subtlety of wisdom, replacing it with easy power, held only in the hands of the elite—a new age built upon the elemental supremacy of aristocrats and the ignorance of the masses. But this will change, for the greatest power comes with knowledge, and the deeper teachings of wizardry have not been utterly lost. The last wizard of the old tradition still survives in solitude, nursing tired grudges and waiting for death. His passing might have gone unnoticed, but for the imposition of a youth too stubborn to accept his refusal to take an apprentice. With a new student comes new hope, and that hope has caused old powers to stir again. That the world will change is inevitable, but the shape of the future is anything but certain.
