MCKENZIE FRIEDMAN

They Call Me Dad Lulu.com

A proud, empowering introduction to African American history that celebrates and honors enslaved ancestors Your story begins in Africa. Your African ancestors defied the odds and survived 400 years of slavery in America and passed down an extraordinary legacy to you. Beginning in Africa before 1619, Your Legacy presents an unprecedentedly accessible, empowering, and proud introduction to African American history for children. While your ancestors' freedom was taken from them, their spirit was not; this book celebrates their accomplishments, acknowledges their sacrifices, and defines how they are remembered—and how their stories should be taught.

Beyonders FaithWords

A critical resource for families managing significant wealth Wealth of Wisdom offers essential guidance and tools to help high-net-worth families successfully manage significant wealth. By compiling the 50 most common questions surrounding protection and growth, this book provides a compendium of knowledge from experts around the globe and across disciplines. Deep insight and thoughtful answers put an end to uncertainty, and help lay to rest the issues you have been wrestling with for years; by divulging central lessons and explaining practical actions you can take today, this book gives you the critical information you need to make more informed decisions about your financial legacy. Vital charts, graphics, questionnaires, worksheets and other

tools help you get organized, develop a strategy and take real control of your family's wealth, while case studies show how other families have handled the very dilemmas you may be facing today. Managing significant wealth is a complex affair, and navigating the financial world at that level involves making decisions that can have major ramifications — these are not decisions to make lightly. This book equips you to take positive action, be proactive and make the tough decisions to protect and grow your family's wealth. Ensure your personal and financial success and legacy Access insight and data from leading experts Adopt the most useful tools and strategies for wealth management Learn how other families have successfully navigated common dilemmas When your family's wealth is at stake, knowledge is critical — and uncertainty can be dangerous. Drawn from interactions with hundreds of wealthy individuals and families, Wealth of Wisdom provides a definitive resource of practical solutions from the world's best financial minds.

Desires Constable

Through the practice of personal pilgrimage she developed, the author offers readers a tool to explore, contemplate, and reflect upon key midlife issues -- careers, relationships, sexuality, finances, spirituality, body image, mortality, and more. It encourages readers to take the time-out needed when midlife challenges crowd their busy calendars and psyches. Drawing on the insights of people from Plato to Pierre Elliot Trudeau, Hurst introduces each of these concerns with a mini-essay, then asks 10 questions for reflection. Part 2 outlines 12 pilgrimages users can take to work on these issues, for example Abundance point (finances), Artists Cove (relationships), and Career

Paths (Career).

The One Year Impact for Living Men's Devotional Fulton Books, Inc.

Pastors and other church leaders often feel ill-equipped in the critical area of stewardship and giving. Propel: Good Stewardship, Greater Generosity fills that need by offering a comprehensive course in church stewardship for the pastor, stewardship leader, or seminarian. Author Clayton Smith gives clear instructions for the organization and implementation of annual campaigns, planned giving programs,

memorial gifts, and much more. He offers an extraordinary depth and breadth of practical information along with the wisdom that comes with decades of real church leadership experience. "Every pastor should have a copy of Propel readily at hand all year long. It is as complete a guide to all phases of Christian financial stewardship as exists today. I highly recommend it because of the excellent content but also because of the author. Clayton Smith has been a student of financial stewardship all his life. I am thrilled that now others may learn from him. I wish I had this book forty years ago when I started out. Propel will make a difference in your ministry!" —J. Clif Christopher, President and CEO, Horizons Stewardship Company "As leaders, we often know we must do something differently, but we are not sure what or how. Clayton Smith propels us forward. This amazing resource identifies the many ways we can lead our congregations into a bright future. Smith's strategies and methods for generosity apply to every church leader, any size church, and all denominations. This is more than a stewardship or finance book. It helps build a culture in which Christians can become the generous people they are intended to be." —Donald W. Joiner, Director of Operations and Stewardship, General Board of Discipleship "Propel demystifies the practices of generosity and stewardship in local congregations. It is both a scholarly guide for pastors and a detailed handbook for lay leaders. Smith covers giving of all varieties and offers proven techniques that work in churches of all sizes and contexts. Propel is a valuable guide for every leader, clergy or lay, who sees generosity as an inescapable element of Christian

discipleship." —Byrd L. Bonner, AIF, President, United Methodist Church Foundation "Clayton Smith in his wonderful book *Propel: Good Stewardship, Greater Generosity*, describes six different ways to help people grow in their giving." —Margaret Marcuson, Marcuson Leadership Circle

Scots Revised Reports Ramsey Press

Like most people, Irina Gorski has a past. A past that she wants to keep secret. She had fought in the war against Emperor Lalani where she was a member of a secret military organization called the Arcanum Mortis. Her job was to do the impossible tasks which usually required a flexible set of moral standards. A job in which she excelled. It has been 15 years since the end of the war, and she is now a Maintenance Chief on an out of the way research station. The job was fine with Irina because all she wanted to do was raise her daughter, Pearl. Her biggest fear was her daughter finding out about her past. Things are fine for her until one day a terrorist group called the Brotherhood decide that they are going to make her remote out of the way planet their new home world. Now she has to use her training from the past to try to stop the Brotherhood and save her daughter as well as the researchers and their families. Irina wondered which was harder, keeping secrets or raising a teenage daughter.

Model Your Life on the Great Women of the Bible Who Trusted God and Found Him Faithful. Studies of 6 women from the Bible---each with 6 sessions---for personal reflection or group study. Through intriguing stories of biblical women, the *Women of the Bible* study series helps readers see how God wants to work in their lives. Questions and activities are designed to encourage personal application, understanding, and prayer, and to foster interaction within study groups. Each chapter includes 8 sections: Opening Narrative, Discussing the Story, Sharing Your Story, After Hours, Setting the Stage, Behind the Scenes, Prayer Meetings, and Words to Remember. The leader's guide makes it easy to facilitate weekly Bible studies to nurture knowledge of Scripture and a sense of God's presence in life. Esther: a Jewish orphan who became queen of Persia and saved her people---Choose to be a woman God delights to use no matter what the circumstances Mary: a young woman who said yes to God's incredible plan for her life---Obedience can be a joyous choice that is blessed by God Deborah: a leader of Israel when God's people were in a period of great decline---Faith, courage, and devotion toward God have a powerful impact in a

woman's life Hannah: a woman who poured out her heart to God and received a miracle---Understand the wisdom and importance of committing dreams to God Sarah: a woman of faith whose insecurities sometimes got the better of her---Face life's uncertainties, move beyond fear, and enjoy a faith-filled relationship with God Ruth: a daughter-in-law who left her own people out of loyalty to Naomi---Trust the Lord through faith and action in difficult times *Legacy* Tyndale House Publishers, Inc. *Digital Legacy* is a step by step guide to help you create a lasting memory for your loved ones. This *Digital Legacy* ebook was created to help people make a lasting memory for loved ones to ensure that, even in death, something of themselves remains for loved ones. Have you ever wondered what your grandparents were like when they were younger? What they thought about? How they lived? Now you have the opportunity to make sure your loved ones and ancestors know who you were during your life. Once you get started you will want to get your children started too.

Rose Crone Guide: An Interactive Adventure in Living Beyond the Possible Macmillan

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin.

This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

[Live Your Legacy Now!](#) iUniverse

A popular fundraising blueprint for small- to mid-sized nonprofit organizations In the newly revised Eighth Edition of *Fundraising for Social Change*, two nonprofit leadership veterans deliver a hands-on, how-to guide to establishing and expanding a diverse base of donors. The authors maintain a focus on groups working toward racial, economic, and climate justice, providing trustworthy and relevant information that can be easily understood. The book includes a free Instructor's Manual, as well as access to supplementary online content with additional resources. Readers will also find: "Spotlight" sections highlighting the reflections and wisdom of a varied group of fundraisers Insightful explorations about managing fundraising, including establishing a fundraising infrastructure, hiring a development director, and using consultants and coaches Discussions of budgeting and planning, as well as how to handle significant financial trouble An indispensable resource for nonprofit board members, managers, founders, and employees, *Fundraising for Social Change* is a must-read roadmap to raising money. It belongs on the bookshelves of leaders, activists and organizers seeking to advance racial, economic, environmental or social justice.

The Greatest Gift Princeton University Press

A sobering statistic: For centuries 70 percent of family wealth has dissipated

by the second generation, and 90 percent is lost by the third generation. It has nothing to do with taxes, economies, or cultures. It is the failure of families to transfer leadership and values to succeeding generations. The most important inheritance your children receive from you comes while you are still alive. It is embedded in your everyday life. It is made up of the values you prize and the priorities you practice. This is an inheritance you live and model to your family, friends, and the people who make up your world. If your priorities during life are your faith, your relationships, and your values, you should maintain those priorities as you develop your legacy. That means making sure the financial inheritance you leave will be regarded as a tool and a resource to support the real inheritance of values your children have already received. This book will help you put family and faith before fortune as you plan for the future. Doing that increases the chances that your family can thrive in its relationships and still prosper materially for generations. Families who follow the process described in this book will come to a better understanding of their relationship to each other, their community, and to money. Families will learn to communicate more clearly and more honestly about the joys of hard work, shared goals, philanthropy, and finances. They will learn how to communicate, listen to the opinions of others, set family goals, develop family unity, reward individual achievement, and how to make money a tool for achieving family goals for themselves and the kingdom of God.

Living Forward Your Legacy A Bold Reclaiming of Our Enslaved History

Why are you here? What are you meant to do in this short span of human years

on this planet? In *Living in the Flow*, author Jeanine Sciacca offers a guide to discovering your purpose and value in the world. She discusses how possessing a true sense of purpose is the centre of our existence. Until you discover and live your purpose, you meander through life searching for satisfaction and happiness. Happiness comes and goes, but purpose gives our lives meaning and direction. Jeanine Sciacca presents ideas and techniques to help you find yours. Filled with a mix of spiritual wisdom and her personal observations, Jeanine Sciacca shares how your life can have greater purpose by serving others. If your purpose doesn't relate to others and is only about serving your self-indulgent ambition, it is not your life purpose. Living your life purpose is adding value to others to make this world a better place.

Troubador Publishing Ltd

Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our society. Everything from racism to pedophilia has been blamed on "toxic masculinity." Some colleges and universities are now offering classes on how to overcome or be delivered from this very "threatening" phenomenon called "masculinity." If men take up biblical mandates ordained by their

Creator—no matter their color, nationality, station, upbringing, or education—a new vision can be cast and executed that will restore a civil and prosperous America for all.

Lannoo Meulenhoff - Belgium

In a world where racism, violence, illness, and poverty can feel so overwhelming that we often close our eyes and our hearts to the suffering around us, we may not believe we have the power to change things. As Barbara Greenspan Shaiman shows us in *Live Your Legacy Now!*, this simply isn't so. This part memoir and part how-to guide provides the tools and strategies to help you create meaningful change in your own life as well as in the lives of others. The daughter of Holocaust survivors, Shaiman shares stories from her family history and over thirty years of her own life experience as a successful educator, business woman, and social entrepreneur to inspire and guide you to create a vision and plan for initiating a personal legacy. Shaiman details her effective ten-step approach by helping you: Identify your core values, interests, and skills Reflect on how you can use these assets to create meaningful projects that make a difference locally or globally Share these experiences with family, colleagues, and friends to create cultures of caring at home, at work, and in your community *Live Your Legacy Now!* provides a simple formula to help people of all ages and backgrounds live richer, more meaningful lives by creating projects for personal growth and social change.
