A ¾ Size is comfortable, easy to play, and with all of the same functionality as a full size instrument. Fantastic starter amplifier for rocking out in any genre. Bass Guitars For Beginners | guitarThe bass

guitar, electric bass, or simply bass, is the lowest-pitched member of the guitar family. It is a plucked string instrument similar in appearance and construction to an electric or an acoustic guitar, but with a longer neck and scale length, and typically four to six strings or courses. Since the mid-1950s, the bass guitar has largely replaced the double bass in popular music. Bass guitar - WikipediaAppealing to players of all levels, the Lindo PDB Series of electric bass guitars is becoming increasingly popular in the musical community. Its versatile nature, quality of tone and unique design are what makes it a first choice for players looking for something different.
