Eschatology, or the study of end-time events as laid forth by the Bible, is often one of the most divisive, intimidating, and misunderstood subjects in modern Christianity. Unable to make much sense of it on their own, many will simply believe what the theologians or pastors claim to be true, or even worse, they grow apathetic concerning what the Bible says about the days ahead. This 50 day devotional gradually and systematically opens the Bible in an easy to understand and digest manner, revealing what Scripture clearly states while simultaneously exposing the folly and error of some commonly held beliefs. The bible book of Daniel is a book of prophecies that were given to Daniel by God. It is about human kind and what will happen if humans continue to sin against God, and it also details what will happen if humans stop sinning against Him and turn towards Him. It not only details the story of how Daniel and his friends were thrown into a blazing furnace, yet walked out without them or the clothes they were wearing being singed by that fire. It also tells about when Daniel was put into the lions' den overnight and survived. But it does more than just tell us the stories. It tells us why they happened, and how Daniel survived both incidents. You will find intrigue, suspense, and even joy in this book.
