*The Oak Island Mystery* Rowman & Littlefield  
 Tells the story of the Oak Island buried treasure and the Restalls, the family that came to find it and dig it up.

### **Oak Island Family** Dundurn

Mark Bell thought he would escape all his troubles if he went home. He was wrong. Upon returning to his own time, Mark is thrown into another Templar Knight mess. Unwillingly forced by different factions, and with a bad taste in his mouth when it comes to Knights, he agrees to help his old friends search for Pandora's Box. When push comes to shove, though, he discovers a horrible truth that will shatter everything he believes. In the past, Tristan O'Rourke is struggling with the voices of the gods inside his head. They ask him to do unspeakable things, urging him to let them take over and give him ultimate power. With his family at risk, he is determined to find the strength to remain himself despite the changes inside him. Samantha, worried about her husband, is doing all she can to make life seem normal for Tristan. As the pressure on her grows though, she wonders if she

is truly up to the task. With a new position among The Order of the Knights Templar, she struggles to keep the composure she's strived to maintain in the face of adversity. Danger is lurking around every corner--will their opportunity for success go up in flames or will they will stand victorious at the end of it all?

*Private Practices* Createspace Independent Publishing Platform  
 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE • A thrilling adventure of danger and deep-sea diving, historic mystery and suspense, by the author of *Shadow Divers* Finding and identifying a pirate ship is the hardest thing to do under the sea. But two men—John Chatterton and John Mattera—are willing to risk everything to find the Golden Fleece, the ship of the infamous pirate Joseph Bannister. At large during the Golden Age of Piracy in the seventeenth century, Bannister should have been immortalized in the lore of the sea—his exploits more notorious than Blackbeard's, more daring than Kidd's. But his story, and his ship, have been lost to time. If Chatterton and Mattera succeed, they will make history—it will be just the second time ever that a pirate ship has been discovered and positively identified. Soon, however, they realize that cutting-edge technology and a willingness to lose everything aren't enough to track down

Bannister's ship. They must travel the globe in search of historic documents and accounts of the great pirate's exploits, face down dangerous rivals, battle the tides of nations and governments and experts. But it's only when they learn to think and act like pirates—like Bannister—that they become able to go where no pirate hunters have gone before. Fast-paced and filled with suspense, fascinating characters, history, and adventure, *Pirate Hunters* is an unputdownable story that goes deep to discover truths and souls long believed lost. Praise for *Pirate Hunters* "You won't want to put [it] down."—Los Angeles Times "An exceptional adventure . . . Highly recommended to readers who delight in adventure, suspense, and the thrill of discovering history at their fingertips."—Library Journal (starred review) "A terrific read . . . The book gallops along at a blistering pace, shifting us deftly between the seventeenth century and the present day."—Diver "Nonfiction with the trademarks of a novel: the plots and subplots, the tension and suspense . . . [Kurson has] found gold."—The Dallas Morning News "Rollicking . . . a fascinating [story] about the world of pirates, piracy, and priceless treasures."—The Boston Globe "[Kurson's] narration is just as engrossing as the subject."—The Christian Science Monitor "A wild ride [and an] extraordinary adventure . . . Kurson's own enthusiasm, combined with his copious research and an eye for detail, makes for one of the most mind-blowing pirate stories of recent memory, one that even the staunchest landlubber will have a hard time putting down."—Publishers Weekly (starred review) "The two contemporary pirate-ship seekers of Mr. Kurson's narrative are as daring, intrepid, tough and talented as *Blood and Sparrow*—and Bannister. . . . As depicted by the author, they are real-life Hemingway heroes."—The Wall Street Journal "[Kurson] takes his knowledge of the underwater world and applies it to the 'Golden Age of Piracy' . . . thrillingly detailing the highs and lows of chasing not just gold and silver but also history."—Booklist "A great thriller full of tough guys and long odds . . . and: It's all true."—Lee Child

*Ghosts in Contemporary Folklore* Random House Trade Paperbacks

Treasures of many kinds still lie hidden below crumbling castles and ruined monasteries; in macabre tombs; in subterranean labyrinths and sinister caverns. Many sunken treasures lie beneath the seas, oceans and lakes of the world. Vast stores of pirate gold are still hidden on many a real life treasure island such as Oak Island at Mahone Bay, Nova Scotia. Many treasures were looted, hidden and lost after the two World Wars - Hermann Goering, for example, one of most powerful leaders of Nazi Germany, is strongly suspected of hiding huge treasures at Veldenstein and Lake Zeller. This fascinating, expertly researched book brilliantly reveals all these unsolved mysteries. The final section covers useful ideas for treasure-seekers: the study of old maps and charts; coded messages; secret symbols; and intensive research into the lives and locations of those people through out history who probably in all certainty, had treasure to hide.

**World List of Books in English** James Lorimer & Company  
As Bob and Mildred Lee, they amazed audiences with their death-defying motorcycle act. In reality they were Bob and Mildred Restall, parents of three, who balanced their glamorous show-business career with a happy, stable home life. In October 1959, the Restalls embarked on the ultimate family adventure, as Bob led his family to the east coast of Canada to dig for the famous treasure of Oak Island. For nearly six years they lived without telephone, hydro, or running water while newspapers and magazines chronicled their attempts to solve the mystery of the Money Pit. On August 17, 1965, their quest ended in tragedy when four men died. This biography, compiled by their daughter, includes material written by each family member. Lyrical

descriptions of nature, amusing anecdotes, details of the dig, and numerous photographs help to tell the story. This book is a must for Oak Island enthusiasts.

Cumulative Book Index Atlantis Rising LLC

In the summer of 1795, a teenager was exploring a tiny island in Nova Scotia's Mahone Bay when he came across a curious depression in the ground. Driven by visions of lost pirate treasure, he later returned to the spot with shovels, pickaxes, and two friends. The trio began to dig, and in so doing launched what would become one of the most famous treasure hunts of all time. For over 200 years, the baffling mysteries of the Oak Island treasure have captured countless imaginations they have also been the cause of bitter rivalries, dashed hopes, and tragic deaths.

*Chasing the Thrill* Kamery Solomon

Charles C. McDougal lived in Asia for twenty years, including ten years in the Philippines from 1972 to 1982. His impeccable research stems from an academic background whose credentials include a bachelor of science degree from the University of Georgia, a master's degree from the Asian Institute of Management, and a doctorate in business from the University of the Philippines. The data he gathered for his doctoral dissertation was the genesis of his 1987 book "The Marcos File", which exposed the Marcos regime for its corruption and excesses. It was while working on a book about Marcos' hidden wealth that he stumbled on the story of a treasure hunt headed by Marcos. His close friendship with the national security director provided him access to the corridors of power. He was asked to find out the truth, both about the legendary treasure and the Marcos gold. His academic credentials, plus his military background-- he was a captain in the Green Berets in Vietnam-- made him a natural choice. He returned to the Philippines. A cave-in killed two of his men and overnight this top-secret operation made the front page of almost every major newspaper in the world.

*The Scrolls of Onteora - The Cremona Document* Dundurn  
#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award "Extraordinarily moving . . . a

powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks*

#### **The Thrill of the Chase** CreateSpace

In his sixth book on the Oak Island, Nova Scotia, mystery, James McQuiston has discovered some remarkable links of people associated with the arrival of the ship *Mayflower*, in 1620, to some of the more famous and recognizable names of those who settled or hunted for treasure on Oak Island. Nova Scotia was founded expressly to protect the Plymouth Colony and the colonies shared many of the same families, and to some degree, the same early history. The fact that *Mayflower* related families connect to Oak Island strongly supports McQuiston’s theory that Sir William Alexander, a patentee of the Plymouth Colony, and the founder of Nova Scotia, had something significant to do with the beginning of the Oak Island mystery. This theory has ranked as #6 out of the top 25 with the current searcher for treasure on Oak Island. The family connections found by McQuiston are detailed and very significant in understanding this 225-year-old treasure hunt on Oak Island, as well as the history of the *Mayflower* descendants, and others who settled in the general area of Plymouth, Massachusetts.

From the ancient city of Jerusalem to the mountains of New York, the *Scrolls of Onteora*, known as the Cremona Document, tell the story of the Knights Templars who found artifacts and documents, revealing how the scrolls were transported to the Americas centuries before they were settled by Europeans. Learn the meaning of these artifacts found beneath the walls of Jerusalem and follow Ralph de Sudeley and his companions as they endeavor to recover these lost scrolls. Examine the pictures and documents that Don Ruh has accumulated about them over the last 30 years and weigh the evidence yourself. Front cover: A modern view of ancient Jerusalem Rear cover photo: The mountains of New York

[Atlas Shrugged](#) Formac Publishing Company

An in-depth look into the history of a Canadian island rumored to hold buried treasure and of centuries of failed attempts to claim the riches. Updated with new material from the author In 1795, a teenager discovered a mysterious circular depression in the ground on Oak Island, in Nova Scotia, Canada, and ignited rumors of buried treasure. Early excavators uncovered a clay-lined shaft containing layers of soil interspersed with wooden platforms, but

when they reached a depth of ninety feet, water poured into the shaft and made further digging impossible. Since then, the mystery of Oak Island’s “Money Pit” has enthralled generations of treasure hunters, including a Boston insurance salesman whose obsession ruined him; a young Franklin Delano Roosevelt; and film star Errol Flynn. Perplexing discoveries have ignited explorers’ imaginations: a flat stone inscribed in code; a flood tunnel draining from a man-made beach; a torn scrap of parchment; stone markers forming a huge cross. Swaths of the island were bulldozed looking for answers; excavation attempts have claimed two lives. Theories abound as to what’s hidden on Oak Island—pirates’ treasure, Marie Antoinette’s lost jewels, the Holy Grail, proof that Sir Francis Bacon was the true author of Shakespeare’s plays—yet to this day, the Money Pit remains an enigma. *The Curse of Oak Island* is a fascinating account of the strange, rich history of the island and the intrepid treasure hunters who have driven themselves to financial ruin, psychotic breakdowns, and even death in pursuit of answers. And as Michigan brothers Marty and Rick Lagina become the latest to attempt to solve the mystery, as documented on the History Channel’s television show *The Curse of Oak Island*, Sullivan takes readers along to follow their quest firsthand. Praise for *The Curse of Oak Island* “Sullivan writes with open-minded balance, rendering the Oak Island story into a weirdly fascinating mystery.” —Booklist “A definitive read for fans of the History Channel television show. Sullivan delves deeper into the history, personalities, and theories presented only briefly on the show. . . . The book is incredibly well researched and the presentation . . . is very readable. If you’ve watched *The Curse of Oak Island* and were frustrated that snippets and possibilities were left tantalizingly unexplored, this is the book for you.” —Heather Cover, Homewood Library (Birmingham, Alabama) “Sullivan isn’t writing about Oak Island the TV show; his subject is Oak Island the place, largely as seen and imagined by the show’s viewers. So, if you’ve ever been more entranced by the show’s long trips into history and theoretical island encounters across history, Sullivan’s book probably needs to be on your Christmas list.” —Starcasm

*Secret Treasure of Oak Island* Dundurn

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural

tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

The Amazing True Story of a Centuries-Old Treasure Hunt  
University Press of Colorado

Your unauthorized guide to the History Channel's TV series "The Curse of Oak Island". Packed with information on the history of the Oak Island treasure hunt; plot summaries and analyses for each episode of "The Curse of Oak Island" from Seasons 1 through 6; and summaries of the various theories regarding the nature of the Oak Island mystery.

*How a Secret Society Influenced the Destiny of a Nation* Knopf  
It started on a summer afternoon in 1795 when a young man named Daniel McGinnis found what appeared to be an old site on an island off the Acadian coast, a coastline fabled for the skullduggery of pirates. The notorious Captain Kidd was rumored to have left part of his treasure somewhere along here, and as McGinnis and two friends started to dig, they found what turned out to be an elaborately engineered shaft constructed of oak logs, nonindigenous coconut mats, and landfill that came to be known as the Money Pit. Ever since that summer day in 1795, the possibility of what might be hidden in the depths of a small island off the south coast of Nova Scotia, Canada, has made it the site of the world's longest, most expensive, and most perplexing treasure hunt. Author D'Arcy O'Connor recounts the fascinating stories and amazing discoveries of past and current treasure seekers who have sought Oak Island's fabled treasure for over two hundred years. It has baffled scientists and madmen, scholars and idiots, millionaires and get-rich-quick schemers, psychics, engineers, charlatans, and even a former president of the United States. The island has consumed the fortunes—and in some cases, the lives—of those who have obsessively set out to unlock its secret. Despite all their efforts, the mystery remains unsolved, and not a single dime of treasure has ever been recovered. The present-day search is an archaeological dig exceeding anything ever done anywhere for similar purposes, and it may well result in the discovery of one of the world's richest and most historically significant treasures. But this is also the story of individuals who have dedicated years of their lives to discover what was buried long ago beneath this strange island. They are driven by a lust for gold, by archaeological curiosity, and by their determination to outwit the engineer who was responsible for the Oak Island enigma.

Unearthing the Secrets of Marcos, Yamashita, and the Gold Taylor & Francis

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You

will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

**Kidnapped and Catriona** Oak Island FamilyThe Restall Hunt for Buried Treasure

A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries • Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that has the Sinclair clan of Scotland transporting the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed, thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity.

**The Restall Hunt for Buried Treasure** Atlantic Monthly Press  
The Oak Island mystery has been the world's greatest and strangest treasure hunt, and after years of research the authors have finally solved the sinister with an answer that is challenging, controversial, and disturbing. In 1795 three boys discovered the top of an ancient shaft on uninhabited Oak Island in Mahone Bay, Nova Scotia. The boys began to dig, and what they uncovered started the world's greatest and strangest treasure hunt but nobody knows what the treasure is. Two hundred years of courage, back-breaking effort, ingenuity, and engineering skills have failed to retrieve what is concealed there. Theories of what the treasure could be include Captain Kidd's bloodstained pirate gold, an army payroll left by the French or British military engineers, priceless ancient manuscripts, the body of an Arif or other religious refugee leader, or the lost treasure of the Templars. The Oak Island curse prophesies that the treasure will not be found until seven men are dead and the last oak has fallen. That last oak has already gone, and six treasure hunters have been killed. After years of research, the authors have finally solved the sinister riddle of Oak Island, but their answer is challenging, controversial, and disturbing. Something beyond price still lies waiting in the labyrinth.

**Solving the Oak Island Mystery** One Horse Land & Cattle Limited Company

“Daniel Barbarisi plunges into an adventure from another era when he goes in search of buried treasure, guided only by a cryptic poem, a mischievous art collector, and the footsteps another pursuer who died on the quest... Every page draws you deeper into this no-man’s-land where fortune—or tragedy—awaits.” —Christopher McDougall, author of *Born to Run*

When Forrest Fenn was given a fatal cancer diagnosis, he came up with a bold plan: He would hide a chest full of jewels and gold in the wilderness, and publish a poem that would serve as a map leading to the treasure's secret location. But he didn't die, and after hiding the treasure in 2010, Fenn instead presided over a decade-long gold rush that saw many thousands of treasure

hunters scrambling across the Rocky Mountains in pursuit of his fortune. Daniel Barbarisi first learned of Fenn's hunt in 2017, when a friend became consumed with decoding the poem and convinced Barbarisi, a reporter, to document his search. What began as an attempt to capture the inner workings of Fenn's hunt quickly turned into a personal quest that led Barbarisi down a reckless and potentially dangerous path, one that found him embroiled in searcher conspiracies and matching wits with Fenn himself. Over the course of four chaotic years, several searchers would die, endless controversies would erupt, and one hunter would ultimately find the chest. But the mystery didn't end there. Full of intrigue, danger, and break-neck action, *Chasing the Thrill* is a riveting tale of desire, obsession, and unbridled adventure.
