Problems and
Materials on
Commercial
Law helps

students understand black letter law and the statutory language in the Uniform Commercial Code. Concise yet comprehensive coverage includes the most recent case and statutory developments in all fundamental areas of Commercial Law, including sales, payment systems, and secured transactions. A sensible, flexible organization follows the order of UCC

Articles 2, 3, 4, and 9, and is adaptable to many teaching styles. Drawing on experience in both teaching and writing, the authors provide thorough and practical coverage using a popular problems approach. The text's effective format, manageable length, and inclusion of the most important cases make Problems and Materials on Commercial Law concise

and efficient. New to the Twelfth Edition: New/expanded Problems throughout Updates on the fundamental areas of commercial law Sales: New cases in most chapters examining hot topics Expanded discussion of boilerplate clauses Updated discussion of Restatement 3d changes to strict product liability standards Examines whether Amazon is a seller of

products or merely a distributor	Bank, N.A.; Knop v. Knop; and Cheatham	Motors Liquidation Co.; Dr. Sena
Payment:	I.R.A. v. Huntington	Yaddehige v. Xpert
Updated rules on check imaging and collection are covered in some detail	National Bank Discussion of problems with accepting cashiers	Technologies; and Hutzenbiler v. RJC
New cases, including DZ Bank AG	Expanded coverage of electronic payment issues, such as duplicate deposit by phone and errors in wire transfers	Investment New materials on such issues as consignments of artworks; leases distinguished from secured sales; Bitcoin as collateral; credit card receivables as accounts; name errors in financing statements; effectiveness of collateral descriptions; online filing of financing statements;
Deutsche Zentral-Genossenschaftsbank v. McCranie; Majestic Building Maintenance, Inc. v. Huntington Bancshares Inc.;	Secured Transactions: New cases, including Clark v. Missouri Lottery; BMW Financial Services, N.A. v. Felice; In re:	
Wesseling v. Brackmann; Auto Sision, Inc. v. Wells Fargo; Peter E. Shapiro P.A. v. Wells Fargo		

bogus UCC filings; whether manufacturing robots are fixtures; certificate of title goods; and predatory auto lending practices	date—covers the latest changes in (and cases relating to) U.C.C. Articles 2, 3, 4, and 9, as well as other relevant laws and cases	year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
Professors and student will benefit from: Effective format that makes black letter law accessible and helps students understand statutory language	problems-based approach Distinguished authorship—draws on experience in both teaching and writing	
Sensible organization that is adaptable to many teaching styles	Manageable length Concise and lucid text	
Thorough and up-to-	The most important cases related to commercial law

Publications
The book is an
outstanding
compilation. It
is easy to use,
the
information is
clear and well-
presented,
and the
volume is
smart and

robustly crafted. . . The book is an important reference source for practitioners in international business, entrepreneurs and Asian studies. Bob Duckett, Reference Reviews The current compilation fills the need for a Who's Who in the Chinese business world. . . This is a useful reference for scholars and students in China studies and for business practitioners.

Recommended. K.T. Wei, Choice As direct foreign investment, both inward and outward, continues to gather momentum, the need to understand the leaders of Chinese corporations is increasingly important. The Biographical Dictionary of New Chinese Entrepreneurs and Business Leaders is therefore a welcome addition to corporate and academic libraries. The encyclopedia provides up-to-date

coverage of the major players in China's new economy. Dorothy Mays, Chinese Librarianship A long awaited reference volume! Professionally compiled and user-friendly. A must for the serious researcher. Leo-Paul Dana, Journal of Enterprising Communities Biographical information about business leaders and entrepreneurs in China is scattered in a variety of Chinese sources such

as books, newspapers, journal articles, web pages, etc. and are difficult to locate, especially from outside of China. This biographical dictionary, written in English, which includes some 200 of the most important movers and shakers of the new Chinese economy since 1978, is a very useful reference tool for libraries of all types as well as for anyone who is interested in learning and

understanding the growing influence of China as a new economic power in the world. Hwa-Wei Lee, formerly of the Library of Congress, and Ohio University Libraries This impressive effort by two leading scholars of Chinese business and society will quickly become a reference for all students and practitioners. Indeed, it is a ready vade mecum, filling the crying gap many experts

have identified in recent years. This work will set the standard for its successors: independent in its analytical assessments, broad-spectrum in its choice of entry, far-sighted in its selections. John R. McIntyre, Georgia Institute of Technology, US The book is a must-have for any student, library, executive or entrepreneur contemplating the business environment

in China. In an important society where clout is paramount and relationship is key, the book's listing of Who's Who in China is essential to success. An essential read for anyone thinking of doing business in China! J. Mark Munoz, Munoz and Associates International and author of A Salesman in Asia For anyone interested in interacting with China, whether doing business or not, it would be advantageous to know thy foe and thyself, as Sunzi (Sun Tzu) put it. And this work will definitely be conducive to your gaining an insight on contemporary China and its economic boom. It can be used as a reference tool or read as a textbook. Highly recommended for college and public libraries. Shixing Wen, Editor-in-Chief, Chinese Librarianship, Former President, Chinese American Librarians Association and Councilor, American Library Association This exhaustive resource provides comprehensive coverage of the major players in the Chinese economy since the reform era, which began in 1978. It includes 200 entries briefly summarizing each individual's life and career, with a central focus on his or her

accomplishments and the key roles played in the economic development of China. The emphasis of the book is on the movers and shakers of China's new economy, highlighting notable figures from both the initial economic liberalization period and the renewed growth from the early 1990s to the present time. This invaluable dictionary is the result of collaborative efforts across the globe.
