From the author of *The Long Season*—considered by many to be the greatest baseball book of all time—comes another classic sports memoir by legendary pitcher Jim Brosnan, which chronicles how his team, the Cincinnati Reds, went on to win the 1961 National League pennant. With legendary pitcher Jim Brosnan's first book, *The Long Season*, he not only entered the canon of great sports literature, but also redefined it when he returned two years later to write *Pennant Race*—his memoir of his days playing for the Cincinnati Reds and how the team went from not being taken seriously as a pennant contender to having a shot at the 1961 National League pennant. In *Pennant Race*, Brosnan—with his trademark wise-guy wit and plain-spoken practicality—once again offers a refreshingly candid alternative to hackneyed baseball mythologizing. Day by day, game by game, Brosnan reveals the real lives of professional ballplayers: their exhilaration and frustration, hope and despair, chronic worry over job security, playful camaraderie, world-weary cynicism, and boyish—if cautious—optimism. Although the Reds would ultimately lose the World Series to the Yankees, for Brosnan and his teammates, this was a winning season. *Pennant Race* vividly captures a remarkable year in the life of a ball club and the golden age of one of Major League Baseball's most memorable eras. "Brosnan obviously knows his baseball, writes about it wittily, informally and with irony. He is a cynical, tough professional athlete and his book makes wonderful reading."—*New Yorker*

WHATEVER YOU BORROW MUST BE REPAID... Andrew Brown never has enough time. No time to call his sister, or to prepare for that important presentation at the bank where he works. The train's late, the lift jams. If only he had just a little more time. And time is the business of Mr Symington and Mr Blenkinsop. They'll lend him some - at a very reasonable rate of interest. Scenting something sinister, the Doctor, Amy and Rory go undercover at the bank. But they have to move fast to stop Symington and Blenkinsop before they cash in their investments. Borrowed Time is a thrilling race against the clock from Naomi A Alderman, the Bailey's Prize winning author of *The Power* featuring

the Eleventh Doctor, Amy and Rory, as played by Matt Smith, Karen Gillan and Arthur Darvill in the spectacular hit Doctor Who series from BBC Television. 'Alderman is a fluent and powerful writer' - Sunday Times

Girl Fighting Exposed Surrey, B.C. : Hancock House

This book reveals the importance of playing cards in Russian criminal culture. The handmade decks are beautiful works of art in their own right. Prohibited by the prison authorities, they are constructed from innocuous materials procured from the everyday routine of prison life. During construction both the cards and their designs are adroitly manipulated so they can be read. Once they are completed, the virtuoso player prowls the prison, searching for a suitable victim. This process is described here for the first time. Extensive diagrams show how the cards are made, while decks of actual prison cards are reproduced in facsimile.

Credit Analysis and Lending Management is a new Australasian text that focuses on the core lending functions of financial institutions, covering asset management, credit risk assessment and analysis, lending policy formulation and management, and the rise of new product development and marketing in the financial services sector. The value of any financial institution is measured by its ability to effectively manage and reduce its credit risk. This text details the structure of the credit organisation, including loan markets. Relevant financial statements are presented to develop students' interpretative and analytical understanding of financial statements. Features: * Developments in loan marketing and new loan products are profiled and assessed (see chapter 17.) * Problem loan management is discussed as a growing professional issue (see chapter 16). * Detailed case studies at the end of the text present a diverse set of professional scenarios that can be used for assignment, assessment and group work activities. * 'Industry insight' boxes profile current professional issues and identify industry developments. * 'A day in the life of...' boxes highlight the diversity of professional roles in the banking industry.

Callaway Award for Civic Courage On February 28, 2013, after pleading guilty to violating the Intelligence Identities Protection Act, John Kiriakou began serving a thirty month prison sentence. His crime: blowing the whistle on the CIA's use of torture on al Qaeda prisoners. *Doing Time Like a Spy* is Kiriakou's memoir of his twenty-three months in prison. Using twenty life skills he learned in CIA operational training, he was able to keep himself safe and at the top of the prison social heap. Including his award-winning blog series "Letters from Loretto," *Doing Time Like a Spy* is at once a searing journal of daily prison life and an alternately funny and heartbreaking commentary on the federal prison system.

Two different battles evolve in girl fighting. One is physical, and the other is psychological. Both are interrelated. This book delves especially into the psychological, which involves one girl attempting to dominate the other's mind. Taboo thoughts, animalistic behaviors, and carnal struggles ensue that have profound impacts. Hidden dynamics are illuminated that have never before been written. A powerful psychological pin is exploited to bring the other girl into submission.

Hidden away in an Oxford back street is a crumbling Georgian mansion, unknown to any but the few who possess a key to its unassuming front gate. Its owner is the mercurial, charismatic Mark Winters, whose rickety trust-fund upbringing has left him as troubled and unpredictable as he is wildly promiscuous. Mark gathers around him an impressionable group of students: glamorous Emmanuella, who always has a new boyfriend in tow; Franny and Simon, best friends and occasional lovers; musician Jess, whose calm exterior hides passionate depths. And James, already damaged by Oxford and looking for a group to belong to. For a time they live in a charmed world of learning and parties and love affairs. But university is no grounding for adult life, and when, years later, tragedy strikes they are entirely unprepared. Universal in its themes of ambition, desire and betrayal, this spellbinding novel reflects the truth that the lessons life teaches often come too late.
