Mysteries are there to be solved. Aren't they? Jack has been working with the Shadow Doctor for a little while now. He thinks he might just be getting to grips with the Doc's unusual approach to helping with people's deep problems. Then, visiting the highly respected leader of a large Christian organisation, Jack sees his friend go on the attack. However, the

encounter reveals secrets about the Doc's past that are beyond anything Jack could have imagined. Perturbed, he makes a list of all his unanswered questions. Where does the Shadow Doctor's unusual name come from? Why is he so stubbornly reluctant to speak about faith in terms that normal churchgoers would understand? Why is Jack not allowed to simply enjoy a moment when God really seems to have spoken through him? And will the Doc finally describe the life-changing experience mentioned by Jack's gran in the letter she wrote to him shortly before her death? Most all, Jack is

desperate to pin down just what the Shadow Doctor actually thinks and feels about God. And there is one more issue that Jack feels particularly keenly. How will Doc respond to hearing that, having met a young lady named Aelwen, Jack is deeply in love for the very first time?

Best in Plass Harper Collins

Adrian Plass's unique perspective on life and faith can be enjoyed once more in this omnibus edition of three of his best-selling books. In *The Growing Up Pains* of Adrian Plass, we meet the real Adrian Plass, as opposed to his fictional counterpart in the Sacred Diary series. *Cabbages for the King* and *View from a Bouncy Castle* are collections of stories, sketches and poems which celebrate both the profundity and absurdity of life, while making keen points about the gospel. Underlying Adrian's irrepressible humour is his passionate conviction that God embraces us in our weakness and vulnerability, and that we need to gain a child-like perspective in order to understand just how much he loves us.

"Kommen Haustiere in den Himmel?"

In this second diary, the fictional character

Plass is in demand as a public speaker which demands a new diary revealing what has happened to the outrageous Gerald, the joyless Flushpools, incompetent Leonard, the long-suffering Anne and the other well-known characters.

Der Besuch Hachette UK

The hilarious journal of Sacred Diary's Adrian Plass which documents the mishaps and successes of his seven-day speaking tour.

Jesus - Gottes Geschenk zu Weihnachten

Adrian has been trying to keep a low profile at church but his son Gerald is now an Anglican vicar and the two churches are getting together for a joint weekend away. Now Adrian's been volunteered to run it... From the confusion of arrival when Anne is allocated to the top bunk with a schizophrenic recovery group, and Adrian is in a low-ceilinged 'pod' at the top of the tower, to the hugs and tears of departure, this is typical Plass, humorous and heartwarming in equal measure. Adrian has a simple conversation about birdlife that ends with him being accused of harassment, Leonard Thynn and his wife turn up just in time to leave again after

falling out with the SatNav lady, and Gerald's wit just keeps getting the better of him. There are as many questions as answers, of course. Will poor Sally, the unwilling nomad of the community, ever find a proper bed to sleep in? What exactly is it about Adrian's twinkle that Minnie Stamp 'lovey-doves' so very much? And how do you cope when your daughter-in-law shares a secret you simply cannot, must not tell? Once again, Adrian Plass gets us laughing just long enough for the truth to slip in by the back door, and for all the mishaps, this new instalment of the Sacred Diary series once again shows just how good God is at caring for this mixed bag of people we call the church.

From Growing Up Pains to the Sacred Diary Harper Collins

'I think I need to explain why I decided to call this book STILL CRAZY. Firstly, because I've been at this writing-and-speaking business for quite a while now, and the passion to share my thoughts still hasn't subsided. Secondly, because I am more and more convinced that a healthy dose of the right kind of crazy might be just what we need to cope with the ups and downs of modern life, and of faith.

'Join me as we explore some of the strange, funny, puzzlingly pointless little side turnings that, generally speaking, we are too busy to bother with but which might just lead us to the place where we need to be: one place. One thing. One person. 'Lots of laughs along the way. A few tears. It can feel a bit crazy. We'll get there.' From the Introduction From the challenges of growing old (un)gracefully to reflections on the impact of the Coronavirus pandemic, this is a wide-ranging collection with lashings of Adrian's trademark humour. Whether considering the paradoxes and contradictions of faith and the church, or the unexpected blessings encountered along the way, this collection is thought-provoking and encouraging in equal measure. There are fresh entries from the Sacred Diary and new insights into the world of the Shadow Doctor, and finally Adrian considers the mystery of love, and ponders its power to help us change our world for good.

Kampf der Welten Harper Collins

Adrian shares his views on life and faith with honesty and perceptive humour that draws many into a new understanding of their faith. Adrian's many books are best sellers throughout the world and this tape finds the man behind the humour.

Tagebuch eines frommen Chaoten Hachette UK

From the perennially popular Adrian Plass, this book sets down his personal thoughts on Christianity Adrian Plass's popularity is often put down to his refreshingly honest insight into what it means to be a Christian

in today's world. This is what makes him such a sought-after speaker around the world. Why I follow Jesus will be an attempt by Adrian to explain why it is that a man who lived 2000 years ago and who lived for such a short time, still has meaning for someone like himself today. Why it is that he feels compelled to spend his life following the example of Jesus and trying to tell others what it means to be a follower of God.

Jetzt mal ehrlich ... Harper Collins

The whole idea of the SERIOUSLY FUNNY tour was for Adrian Plass and Jeff Lucas to let people in on their conversations about God, life and the universe - and it went pretty well. After all, that's pretty much what they've been doing in their separate writing and speaking careers all these years. All told, people seemed to like the way their trademark styles came together and shed light on even the most difficult subjects, in a way that perhaps made those burdens a little easier to bear. However, as they toured around the country, Adrian and Jeff realised that other people's questions were at least as interesting as their own - possible more so. Eventually they decided they'd better

have a go at some answers. This book is the result. They may not have got the answers right, but they have certainly had a good time along the way - and they hope you will, too.

On marriage: Arguments in marriage are like

pieces of music---with familiar and oft-repeated tunes. On denominations: It's always good to have a variety of flavours available, and it's not a bad thing to educate your taste buds with the odd sip at a concoction you've never tried. On anxiety: Whole lives are wasted by worry--about the wrong things! On Christian busy-ness: We are very good at kidding ourselves into believing that religious activities equal Christian living. From spinning upbeat tales about the kindness of strangers to spoofing people who don't care with his 'Apathetic Creed,' Plass will captivate you from the very first page. Discover a rich treasure trove of laugh-aloud moments mingled with heartbreaking anecdotes ... and come away changed.
