HEATH HAILEY

The New Spirit-Controlled Woman

Bbs Publishing Corporation
Ignite a deeper, more vibrant relationship with God that impacts not just your spiritual life but every aspect of your daily life. John Ortberg calls readers back to the dynamic heartbeat of Christianity--God's power to bring change and growth--and reveals how and why transformation takes place. The Life You've Always Wanted offers modern perspectives on the ancient path

of the spiritual disciplines. But it is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the person at the journey's end--Jesus Christ. As with a marathon runner, the secret to finishing a race lies not in trying harder, but in training consistently--training with the spiritual disciplines. The disciplines are neither taskmasters nor ends in themselves. Rather they are exercises that build strength and endurance for the road of growth. The fruit of the Spirit--joy, peace, kindness, etc.--are the signposts along the way. Paved with

humor and sparkling anecdotes, *The Life You've Always Wanted* is an encouraging and challenging approach to a Christian life that's worth living--a life on the edge that fills an ordinary world with new meaning, hope, change, and joy.

God Gave You Emotions on Purpose! Our emotions play a vital role in living happy, healthy, successful lives. All emotions, from love and joy to anger and fear, have an important part to play in understanding ourselves and others.

They help us discover the wonders of this life as well as warn us when we are in danger. But this diversity of feelings is meant to complement our life, not determine it! In this life-transforming book, Joyce Meyer reveals powerful truths from God's Word that will help you learn to manage all of your emotions in the right direction. Through hilarious illustrations and real-life applications,

Joyce delivers the keys to keeping your emotions in the proper place while allowing the Spirit of God to lead and direct you. Dynamic scriptural insights are included on topics such as: * How not to be led by feelings * Codependency * Forgiveness * Mood swings * Healing for damaged emotions * Depression * And much more! Don't allow your feelings to determine your destiny! Instead, manage your emotions to complement and enhance your attitude for a joyful, victorious life!

The Remnant Transforming Your Temperament

Scrolls of Love is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and

gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others traditions.

Lord, Teach Me to Study the Bible in 28 Days Tyndale House Publishers, Inc. Many times as Christians, we do not realize that our conditions of life are not always our position. When we study the Word of God it is clear about who it says we are, what God says we can have, and what God truly says we can do. It is a

must for every believer to understand who they are in Christ positionally, spiritually, and naturally. This book will help you discover who you are in Christ positionally so that by using your authority. you may change your life condition.

 Temperament: Your Spiritual DNA.
 Personality is acquired, but
 Temperament is how we are wired.
 Temperament is our "Spiritual imprinting". The God gene that determines how we respond to every situation in our lives. This book integrates the spiritual with the psychological and emotional, fascinating reading for those interested in learning indepthly about themselves. Spiritual knowledge is power and self-knowledge

is empowering. This book contains both; it is a tool, which enables the reader to unveil many of the mysteries of life and an opportunity to see themselves within its pages with answers.

Yes, lovemaking does change after 40, but it is still the most thrilling experience two married people of the opposite sex can experience on this earth! In this practical, fun-to-read, illustrated guidebook, Tim and Beverly LaHaye cover a broad spectrum of key topics and show married couples how to experience a more satisfying and joy-filled sex life long after age 40. Millions of married couples have questions about sexual intimacy. Yet all too often, their questions go unasked . . . or

unanswered. This easy-reading, medically sound book candidly addresses issues of intimacy: Does sexual desire actually reverse with aging? How does menopause affect a woman's sex drive? How can exercise and nutritional supplements improve our sex life? Is there such a thing as male menopause? What can we do to put more spark into our lovemaking? You'll learn about sexual desire and dysfunction. Understand the risk and temptation of extramarital affairs. Gain a better understanding of menopause and the dangers of breast and prostate cancer. Learn how to prepare for, and adjust to, physical changes affecting lovemaking. You and your spouse can rekindle that sexual spark in your marriage--or build even stronger

intimacy and commitment.

New York Times bestseller. They all thought he was gone. But he was alive and trapped inside his own body for ten years. In January 1988 Martin Pistorius, aged twelve, fell inexplicably sick. First, he lost his voice and stopped eating. Then he slept constantly and shunned human contact. Doctors were mystified. Within eighteen months he was mute and wheelchair-bound. Martin's parents were told an unknown degenerative

disease left him with the mind of a baby and less than two years to live. Martin was moved to care centers for severely disabled children. The stress and heartache shook his parents' marriage and their family to the core. Their boy was gone. Or so they thought. Ghost Boy is the heart-wrenching story of one boy's return to life through the power of love and faith. In these pages, readers see: A parent's resilience. The consequences of misdiagnosis. Abuse at the hands of cruel caretakers. The unthinkable duration of Martin's mental alertness betrayed by his lifeless body. We also see a life reclaimed—a business created, a new love kindled—all from a wheelchair. Martin's emergence from his own darkness invites us to celebrate our own lives and fight for a better life for

others.

 Change Your Beliefs, Change Your Life
 We all have times in our lives when the results of our behavior don't seem to be meeting our needs. In this new book, Hyrum Smith does two things that are invaluable to people who wish to make their lives less painful. First, he reveals, through a clear and simple model, how we get to the point where our behaviors cause these kinds of problems. Then, with a simplicity that is impressive in itself, he describes the steps we must take to identify and rectify the beliefs leading to our painful behavior. The result is a powerful process for transforming your habits and relationships and achieving lasting personal and career success.
