This Teacher's Guide to Thirty-Eight Latin Stories provides a literal translation answer key for all of the stories found in the popular reader. The Guide was developed in response to frequent requests from teachers, homeschoolers, and people who are learning Latin on

their own. The translations are not meant to be artistic or literary, but instead straightforward keys to the stories. They are as literal as possible, without being awkward or stilted. *A Revised Text, with Notes by Robert Yelverton Tyrrell* Thirty-Eight Latin Stories This Teacher's Guide to Thirty-Eight Latin Stories provides a literal translation answer key for all of the stories found in the popular reader. The Guide was developed in response to frequent requests from teachers,

homeschoolers, and people who are learning Latin on their own. The translations are not meant to be artistic or literary, but instead straightforward keys to the stories. They are as literal as possible, without being awkward or stilted. **Thirty-eight Latin Stories Designed to Accompany Wheelock's Latin** Official organ of the book trade of the United Kingdom.

Thirty-Eight Latin Stories Bolchazy-Carducci Publishers

Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of

Latin texts. As beginning students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. **Learn to Read Latin** is designed to be comprehensive and requires no supplementary material. It explains English grammar points and provides drills especially for today's students. It offers sections on Latin metrics, includes numerous unaltered examples of ancient Latin prose and poetry, incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and work. It offers a comprehensive workbook that provides drills and homework assignments. This enlarged second edition improves upon an already strong

foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry. The Publishers' Circular Harper Collins Originally designed as a supplement to the Latin course by F. M. Wheelock, this book is well suited for use in any introductory or review course. All the stories in the book are based on actual Latin literature, with the stories simplified at first and made gradually more complex as the work progresses. Students will learn how classical Latin was really written as they become familiar with the works of the great Latin authors.

The academy Yale University Press
A study guide to accompany the 6th

edition of the standard introductory Latin text, Wheelock's Latin. This guide expands and explains important grammatical concepts that the Wheelock text presents too briefly for many contemporary students. -- Fuller grammatical explanations To aid comprehension -- Useful, short exercises (with answer key) To clear up confusion fast -- Additional etymological information To help students memorize - - Companion website For pronunciation help and downloadable drill sheets, vocabulary lists, and more! The Guide's style is casual, to calm and reassure the struggling or intimidated student. Points are repeated so that chapters can be used independently of one another, on an as-needed basis. Grote's Guide was designed for use with the Wheelock text,

but has been successfully used with other Latin texts. The Guide is an excellent resource for -- Homeschoolers: students and instructors! -- Autodidacts -- Reviewing beginning Latin -- Reviewing before an exam

The School World

The classic, single-volume introductory Latin textbook, introduced in 1956 and still the bestselling and most highly regarded textbook of its kind.

Wheelock's Latin, sixth edition, revised, has all the features that have made it the best-selling single-volume beginning Latin textbook, many of them revised and expanded:

- o 40 chapters with grammatical explanations and readings based on ancient Roman authors
- o Self-tutorial exercises with an answer key for independent study
- o An

extensive English-Latin/ Latin-English vocabulary section

- o A rich selection of original Latin readings -- unlike other textbooks which contain primarily made-up Latin texts
- o Etymological aids

Also includes maps of the Mediterranean, Italy and the Aegean area, as well as numerous photographs illustrating aspects of classical culture, mythology, and historical and literary figures presented in the chapter readings.

- o The leading self-tutorial Latin program. Also great for college and accelerated high school courses.
- o Wheelock's Latin is the top-selling Latin reference in the US.
- o Interest and enrollments in Latin have been steadily rising in the U.S. for the past 20 years.
- o One-half million people are currently enrolled in Latin classes, and at least

10,000 teachers, professors and graduate assistants are teaching the language in America.
