Preachers' daughters

aren't supposed to be atheists. They're also not supposed to make pacts to lose their virginity by the end of the year, but high school senior Meredith Beaumont is sick of letting other people tell her who to be. Spending the last four years as Mute Mare, the girl so shy just thinking about boys could trigger panic attacks, Meredith knows exactly what it's like to be invisible. But when a vindictive mean girl gets her manicured claws on the anti-virginity pact and spreads it around the school-with Mare's signature at the bottom-Mare's not so invisible anymore. She just wishes she was. Now the girls mutter "slut" as they pass her in the hall, and the boys are lined up to

help complete her checklist. When she meets a guy who knows nothing of the pact, their budding romance quickly transforms from a way to get her first time over with to a genuine connection. But when the pact threatens to destroy her new relationship and the fragile foundation of her seemingly perfect family, Mare has to decide what's more important: fixing her reputation and pleasing her parents, or standing up for the person she wants to be. The Anti-Virginity Pact is a part of a companion series. All books in The Pact series are standalones and can be read in any order.

The Virgin Way

Penguin

Losing My Virginity: How I Survived, Had Fun, and Made a Fortune Doing Business My Way (2007) by Richard Branson is a memoir focusing on the founding and development of the entrepreneur's multibillion dollar corporation, the Virgin Group. Switching seamlessly between descriptions of inventive business deals and extreme outdoor adventures, Branson tells the story of his unique work life... Purchase this in-depth summary to learn more.

The Purity Myth

Simon and Schuster

So begins the hilarious, heartwarming and humiliating journey of a man traversing three

continents, nine countries, and countless cities and towns around Australia and the world, going from helicopters to horses, to hotels, to hospital beds, to history, to heroics, to halos, to hallucinations, all in the attempt to lose his virginity 52 times. Adrenalin pumped, artistic muscles flexed, his body went beyond its limits, his embarrassment reserves were drained beyond belief, butterflies thrived, and vomit spilled around the world. In the meantime, his life changed in more amazing ways than he had ever imagined. Reading this book might just change your life too.

Losing My Virginity
Milkyway Media

The United States is obsessed with virginity - from the media to schools to government agencies. This panic is ensuring that young women's ability to be moral agents is absolutely dependent on their sexuality. Jessica Valenti, executive editor of Feministing.com and author of Full Frontal Feminism and Yes Means Yes, addresses this poignant issue in her latest book, The Purity Myth. Valenti argues that the country's intense focus on chastity is extremely damaging to young women. Through in depth analysis of cultural stereotypes and media messages, Valenti reveals that powerful messages - ranging from abstinence curriculum to "Girls Gone Wild"

commercials - place a young woman's worth entirely on her sexuality. Morals are therefore linked purely to sexual behavior, as opposed to values like honesty, kindness, and altruism. Valenti approaches the topic head-on, shedding light on chastity in a historical context, abstinence-only education, pornography, and public punishments for those who dare to have sex, among other critical issues. She also offers solutions that pave the way for a future without a damaging emphasis on virginity, including a call to rethink male sexuality and reframing the idea of "losing it." With Valenti's usual balance of intelligence and wit, The Purity Myth

presents a powerful and revolutionary argument that girls and women, even in this day and age, are overly valued for their sexuality, and that this needs to stop.

Drawing Dimensions

Inside this book is a series of lessons designed to teach you how to add dimension to your own drawings, how to analyze real life objects and shade, create highlights, blend tones, and produce realistic drawings with ease.

Like a Virgin Penguin

A groundbreaking and very personal insight into modern sexuality. Losing our virginity - it happens to all of us. How did it happen for you? What do other people think and feel about it? In February 2007, Kate Monro went

on a mission to find out. She decided to ask as many people as possible - how did you lose your virginity? Men and women, old and young, gay, straight, Christian and Muslim; the stories range from the funny and the sad to the happy and occasionally, the unbelievable. Thus was born her much reviewed blog, The Virginity Project, and now this book. How do we define the loss of our virginity? What, if any, impact does the first time have on the rest of our lives? And in some cases how do we know for sure when that moment has occurred? After all sorts of conversations with all sorts of people, Kate will reveal the truth about other people's most intimate

sexual stories. She also discovers that the answers are not always as straightforward as you might think.

Answers questions about cabooses, hair color, stuttering, headhunters, bumper stickers, sleepwalkers, chameleons, and church steeples

How Does Olive Oil Lose Its Virginity?

NYU Press

I Had to Lose My Virginity is a compelling story of an extraordinary woman who emerges from obscurity to become one of the successful and influential women entrepreneurs in Africa. This truly amazing story, skillfully told in a mix of poetry and vivid prose,

provides intimate and insightful glimpse into a life that has defied biting poverty, personal failure and tragedy to become a remarkable portrait of success. The reader will doubtless find this book provocative, motivating and inspiring.

Virginity Lost Simon and Schuster

Nervous, inexperienced, confused. For most, losing your virginity is one of life's most significant moments, always to be remembered. Of course, experiences vary, but Laura Carpenter asks: Is there an ideal way to lose it? What would constitute a "positive" experience? What often compels the big step? And, further, what does "going all

the way” really mean for young gays and lesbians? In this first comprehensive study of virginity loss, Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight, gay or bisexual. *Virginity Lost* offers a rare window into one of life's most intimate and significant sexual moments. The stories here are frank, poignant and fascinating as Carpenter presents an array of experiences that run the gamut from triumphant to devastating. Importantly, Carpenter argues that one's experience of virginity loss can have a powerful impact on one's later sexual experiences. Especially

at a time of increased debate about sexual abstinence versus safe sex education in public schools, this important volume will provide essential information about the sex lives of young people.

I Regret the Day I Lost My Virginity Conari Press

It's business school,
the Branson way.
Whether you're
interested in starting
your own business,
improving your
leadership skills, or
simply looking for
inspiration from one of
the greatest
entrepreneurs of our
time, Richard Branson
has the answers. Like a
Virgin brings together
some of his best
advice, distilling the
experiences and
insights that have
made him one of the
world's most
recognized and
respected business
leaders. In his
trademark thoughtful
and encouraging voice,
Branson shares his
knowledge like a close
friend. He'll teach you
how to be more

innovative, how to lead
by listening, how to
enjoy your work, and
much more. In
hindsight, Branson is
thankful he never went
to business school. Had
he conformed to the
conventional dos and
don'ts of starting a
business, would there
have been a Virgin
Records? A Virgin
Atlantic? So many of
Branson's
achievements are due
to his unyielding deter-
mination to break the
rules and rewrite them
himself. Here's how he
does it.

"Alleviating stress
leads to success.
Stress debilitates and
even damages the
brain, inhibiting you
from living your fullest,
most successful life.
Every level of life, from
career to family to your

golf score, is all about higher brain networks functioning at optimum. In *The End of Stress*, Don Joseph Goewey brings a simple, straightforward solution that literally switches the brain's auto-pilot from habitual stress and anxiety, to one that's calm and wired for success. By utilizing the latest research in neuroscience and neuroplasticity, Goewey offers a 4-step process that has been tested through webinars and seminars in high stress environments with chief executives, managers, engineers, and even blue collar construction workers. *The End of Stress* gives you easy to apply tools to transcend stress and build the brain structure and

chemistry to bring you your best day every day"--

How Reading Changed My Life

Pratzen Publishing
Kaveri is thirty; single; knows seven languages; is an interpreter by profession; has read all the books about men and how to get a date. Yet; she has not been able to figure out the language of love. Since the 'THE ONE GREAT LOVE' of her life has eluded her for thirty years and might never show up; she decides to take matters into her own hands. On her thirtieth birthday; she makes a resolution—love or no love; she is going to lose her virginity. Life; however; has other plans! This is a story of a spirited woman who plunges into a

rollercoaster ride filled with ideas; ideals and adventures—each new day competing with yesterday to make her rethink and re-evaluate life and love.

I Had to Lose My Virginity Icon Books Ltd
"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson
Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest

achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can succeed and make a difference.

Please Kill Me Farrar, Straus and Giroux
Cheated by her young and handsome Spanish boyfriend, Kaveri is back in India to follow a career as an artist and to find her dream man. However, getting involved with an older man, making out with the hottest star in Bollywood, teaching a hot, upcoming actress Hindi . . . her goals seem nowhere in sight. Starting afresh seems to have thrown her off completely and she

begins to see the superficial life that she's been leading. It's time to take some hard decisions. With fresh hope and a new philosophy, Kaveri begins to focus on her goals. Things begin to look up when there is a kindling of romance across Twitter and she's starts to understand her true calling. She might finally be moving in the right direction!

Losing It Oxford University Press

In September 2012, a YOUNGOV poll conducted in Britain found that the person British workers would most like as their manager was Sir Richard Branson. With over 40 years in business, Richard Branson is an inspiring pioneer of humanitarian projects

and an iconic business leader. In *The Virgin Way: How to Listen, Learn, Laugh and Lead*, Richard shares and distills his secrets of leadership and success. Featuring anecdotes from his own business dealings, as well as his observations of many others who have inspired him "from politicians, business leaders, explorers, scientists and philanthropists" Richard reflects on the qualities he feels are essential for success in today's world. This is not a conventional book on leadership. There are no rules but rather the secrets of leadership that he has learned along the way from his days at Virgin Records, to his recent work with The Elders.

Whether you're at the beginning of your career, or head of a Fortune 500 company - this is your guide to being your own CEO (Chief Enabling Officer) and becoming a true leader - not just a boss.

Penguin

Scandalous

Housewives: Mumbai, written by Madhuri Banerjee, is a story about honest and brave housewives in Mumbai. These women are in search of love

and are unafraid to follow their hearts blindfolded by rejecting their present lives. Life in Mumbai is pretty hectic and above all, it is monotonous at times, especially with people working like a machine. The story in the book, *Scandalous Housewives: Mumbai*, revolves particularly around a residential area in Mumbai known as the Sapphire Towers, which is similar to any other place in Mumbai. Some high-profile people of Mumbai live here. The book brings to limelight the lives of housewives and their daily routine activities. This work is carried out with precision, so much so that one can adjust their watch according to their work. But this is just the outer cover and as one digs

deeper, some graciously hidden secrets are uncovered. The author has given examples about this monotonous life and the reason why these illegitimate activities are carried out.

Scandalous

Housewives: Mumbai gives us an example of

Gita, a mother of two young daughters, who is bored with her daily monotonous way of living and is desperate to escape from it. The book also describes a Gujarati housewife, who is a mother but is also addicted to sex and is even ready to pay for it.
