PORTER DUNCAN

Abacus Year 3 Textbook 3 Ginn
Abacus Evolve Year 4 Textbook 2 Ginn
Abacus Evolve Year 4 Ginn/Pearson
Education

Covering the background and philosophy of the New Abacus programme, this book shows how it delivers UK curricula requirements, offering examples of good practice in planning, and record-keeping and assessment.

Abacus Evolve Ginn

Abacus is a unique maths toolkit for inspiring a love of maths and ensuring

progression for every child. Written by an expert author team, it has been carefully crafted on a robust approach to creating inspired and confident young mathematicians.

New Abacus 4: Answer Book Ginn

Abacus Evolve Assessment Kits provide extensive support for APP, including help with summative and formative assessment and materials for reviewing prior learning. They also provide support with National Curriculum levelling.

Textbook 2. Year 4 Ginn

Talks maths provides differentiated activities for pairs of children, to get them talking mathematically and working together to solve problems.

Abacus Evolve Year 3/P4 Ginn

Abacus Evolve Challenge is perfect for ensuring more able children are being stretched to reach their full potential in maths. Challenge contains a range of enrichment and extension activities with a fourth level of differentiation above that found in other programmes.

Textbook 3. Year 4 Ginn

Abacus Evolve Challenge is perfect for ensuring more able children are being stretched to reach their full potential in maths. Challenge contains a range of enrichment and extension activities with a fourth level of differentiation above that found in other programmes.

Abacus Evolve Year 4 Ginn/Pearson Education

Suitable for ensuring more able children are being stretched to reach their full

potential in maths, this title contains a range of enrichment and extension activities with a fourth level of differentiation above that found in other programmes.

Abacus Evolve Year 4 Assessment Kit Framework Ginn

Teachers who use Abacus Evolve have praised its flexible assessment, planning support, creative teaching and sound mathematical progression. They tell us that this has helped them raise standards, reduce workload and increase confidence in maths.

Abacus Evolve Mixed Age Planning Year 3 and Year 4 Ginn

Abacus' trusted range of brightly illustrated pupil materials are ideal for reinforcing and practising key skills and include textbooks, activity books,

homework and answer books, and photocopy masters. If you've not yet made the switch to Abacus Evolve, go to the Abacus Evolve Homepage to see how it is evolving to meet your classroom needs.

Textbook 1 Ginn

Help your pupils practise key skills with the third of three motivation pupil textbooks for Year 3.

Abacus Mastery Checkpoints Workbook Year 3 / Ginn

Results from national and international assessments indicate that school children in the United States are not learning mathematics well enough. Many students cannot correctly apply computational algorithms to solve problems. Their understanding and use of decimals and fractions are especially

weak. Indeed, helping all children succeed in mathematics is an imperative national goal. However, for our youth to succeed, we need to change how we're teaching this discipline. Helping Children Learn Mathematics provides comprehensive and reliable information that will guide efforts to improve school mathematics from pre-kindergarten through eighth grade. The authors explain the five strands of mathematical proficiency and discuss the major changes that need to be made in mathematics instruction, instructional materials, assessments, teacher education, and the broader educational system and answers some of the frequently asked questions when it comes to mathematics instruction. The book concludes by providing

recommended actions for parents and caregivers, teachers, administrators, and policy makers, stressing the importance that everyone work together to ensure a mathematically literate society.

Abacus Evolve 3 Ginn

Abacus Evolve Challenge is perfect for ensuring more able children are being stretched to reach their full potential in maths. Challenge contains a range of enrichment and extension activities with a fourth level of differentiation above that found in other programmes.

Abacus Evolve Yr4/P5 Abacus 2013

Help your pupils practise key skills with the first of three motivation pupil textbooks for Year 6.

Textbook 3 Ginn

Abacus Evolve Assessment Kits provide extensive support for APP, including help

with summative and formative assessment and materials for reviewing prior learning. They also provide support with National Curriculum levelling.

Textbook 2 Ginn

Abacus Evolve Assessment Kits provide extensive support for APP, including help with summative and formative assessment and materials for reviewing prior learning. They also provide support with National Curriculum levelling.

Abacus Evolve Challenge Year 1

Teachers Guide Ginn

Helps in ensuring children are being stretched to reach their full potential in maths. This title contains a range of enrichment and extension activities with a fourth level of differentiation.

Abacus Evolve Year 4 Ginn

Help your pupils practise key skills with

the first of three motivating pupil textbooks for Year 3.

Textbook 1 Ginn

Abacus is a unique maths toolkit for inspiring a love of maths and ensuring progression for every child. Written by an expert author team, it has been carefully crafted on a robust approach to creating inspired and confident young

mathematicians.

Challenge Year 5 Ginn

Suitable for ensuring more able children are being stretched to reach their full potential in maths, this title contains a range of enrichment and extension activities with a fourth level of differentiation above that found in other programmes.
