 Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Since 1938, the Milady Standard Cosmetology has been the premier textbook for Cosmetology education. Each subsequent edition has evolved with the changing styles of the era while maintaining a firm foundation in the basic procedures and applications of beauty culture that have endured for generations. Building upon the strong pedagogical features of previous editions, the Milady Standard Cosmetology 2012 is vibrant and colorful to capture the visual learner's interest and focus their attention on the subject matter which is the cornerstone of their education. The Milady Standard Cosmetology 2012 textbook takes advantage of the most sophisticated methods for relaying information, stimulating thought, aiding comprehension, and enhancing retention. This new edition contains a completely revised section on infection control principles and practices, new procedures, and revised and updated chapters written by industry experts, as well as step-by-step procedures demonstrated specifically for left-handed individuals. Educators and students have access to over twenty instructor tools and student supplements which greatly increase the chances for student success and make lesson planning simple. Each supplement has been tailored to fit the exact needs of the cosmetology student and match the changes made to the new edition. The Milady Standard Cosmetology 2012 is the basis for your students' success during their education and will continue to be a valuable resource as they progress through their careers. The updated Spanish language edition of Barron's GED test prep manual reflects the most recent GED High School Equivalency Exams in subject matter, length, question types, and degree of difficulty. Featuring a full-length diagnostic test, and two full-length practice exams, this manual is presented entirely in Spanish for Spanish-speakers who intend to take the GED's Spanish language version. The diagnostic test's questions come with answer keys, answer analyses, and self-appraisal charts. All questions in both GED practice exams are answered and explained. The book features extensive review in all test areas, which include Spanish grammar and essay writing, social studies, science, arts and literature, and math.
