everyone in this book,  
which will be of interest to  
long-standing devotees of  
Persephone as well as  
those feeling newly-called  
to work with this powerful  
Goddess who helps us to  
walk a path of  
empowerment.' Jhenah

Telyndru, founder of the  
Sisterhood of Avalon and

Reclaiming Witchcraft is  
designed to help the  
reader better understand  
the basic structure of the  
Reclaiming tradition, as

well as discover how it has changed since its initial formation in San Francisco and subsequent journey out to the reaches of Canada, Australia, and Europe. From the basic tenets of what makes a Reclaiming Witch, to how rituals are performed, how lessons are passed on, and how magick is made around the world, Reclaiming Witchcraft seeks to welcome those who might be interested in learning more, while also directing them to resources and paths that can help facilitate their

journey.  
Pagan Portals - Sun Magic  
 John Hunt Publishing  
 A Zen approach to the World, the Universe and Everything. Many of today's disenfranchised pagans in the West appear to be seeking a spiritual connection to life without feeling the need to become a witch, a Wiccan, a shaman, Heathen, or a Druid. Here the Shinto approach fulfils the basic need for a belief system based on what we would define as simple animism and ancestor worship in accord with the

world's other, authentic, animistic traditions such as the Australian Aboriginal and Native American way of life; while Zen provides the intellectual stimulation rising from the simplicity of basic folk-belief to elevate the soul to a higher level of mysticism.

 The Cailleach - goddess of the ancestors, wisdom that comes with age, the weather, time, shape-shifting and winter. Within the pages of this book Rachel Patterson gives

the reader an introduction to the mysteries, myths, legends and magic of the ancient hag goddess The Cailleach, drawing upon ancient legends, stories told and her own experiences.

Candlemas/Imbolc is the re-awakening of the Old Lass within Old Craft belief and also coincides with the Roman Candelaria and Fornicalia - a spring corn festival celebrated in honour of Fornax, goddess of ovens, and observed by each

ward of the city. All this merging of primitive origins and rites, belonging to the European pre-urban agricultural culture, meant that it also commemorated the search for Persephone by her mother and the festival of candles symbolizing the return of the Light. So it continued to be performed until the Christian era, when it was transformed into Candalmas in AD494. In pre-Christian times, Imbolc observance began the night before 1st February, and celebrants

prepared for a visit from Brigid into their homes by crafting an effigy of the goddess from bundles of oats and rushes. The clothed effigy was placed in a basket overnight, and the day was celebrated by burning lamps and lighting bonfires in tribute to her. Traditions from both the pagan celebration and the Christian observance of St. Brigid's Day can be found in the modern Imbolc festivities - while celebrants sometimes make a Brigid's Cross out of reeds, as well as a

Brigid corn doll or effigy.

 For thousands of years  
 the element of water has  
 captured the hearts and  
 imaginations of those who  
 have come before us.  
 From tales of benevolent  
 spirits that dwell in lakes  
 and ponds to the  
 ferocious sea monsters  
 that lurk in the depths,  
 history and local folklore  
 is full of tales of the  
 mysterious and  
 otherworldly nature of this  
 element. But what is  
 water witchcraft, and how

can you practice it? This  
 book offers a complete  
 introduction to the way of  
 the water witch, including  
 information on deities,  
 tools, using water in  
 magic, animal guides,  
 working with water spirits,  
 water divination, and  
 plenty of rituals, spells,  
 and practical exercises for  
 you to use. Whether you  
 are interested in the  
 water witch path or just  
 want to learn how to work  
 more closely with the  
 element of water, this  
 book contains everything  
 you need to get started.  
Pagan Portals - Intuitive

Magic Practice John Hunt  
 Publishing  
 Working with the Greek  
 goddess, Demeter, can  
 help us to better  
 understand what it means  
 to reconnect with our own  
 divinity, birth the  
 potential that exists  
 within us, and nurture  
 ourselves and others.  
 Pagan Portals - Demeter  
 begins with a foundational  
 look at the ancient Greek  
 myths and many aspects  
 of the Goddess. This is  
 followed by an exploration  
 of the rites sacred to  
 Demeter and the impact  
 that these rites had on

women in ancient Greek society. Building on these foundational elements, the book explores the various themes and lessons inherent in Demeter's myth. These include accessing the divine within, healing the mother wound, manifestation/fertility magic, the mother archetype as a powerful advocate for justice, and conducting shadow work to release that which no longer serves us so that we can experience the rebirth of our own divine sovereignty.

Get to know the Good God of Ireland through mythology, history, and modern worship. The Dagda is one of the most well-known of the Irish Gods, a king of the Tuatha De Danann and mediator between the Gods and mortals after the Gaels came to Ireland. A popular God among Irish and Celtic pagans, the Dagda is a powerful figure who

reaches out to us from myth and memory. For those seeking to honor him today finding information can be difficult or confusing.

Pagan Portals - the Dagda offers a place to begin untangling the complex history of this deity.

### **Pagan Portals -**

**Blodeuwedd** John Hunt Publishing

Like a gathering of flowers from hedge and field, or a cloak made of owl feathers, Blodeuwedd is a figure of great complexity. She is both Flower Maiden and Owl of Wisdom...

unfaithful wife and representative of Sovereignty... fallen woman and feminist heroine... medieval cautionary tale and reclaimed divinity. Yet, for all of these seeming inconstancies, the key to understanding Blodeuwedd is being able to see her as a whole. Bringing together strands of Celtic lore, Welsh literature, British folk practice, and modern devotion, Celticist Jhenah Telyndru weaves a solid foundation from which scholars and seekers alike

can come into deeper relationship with this oft-misunderstood figure. Ultimately, this journey to reclaim Blodeuwedd's identity - a Sovereignty Goddess who ensured the cycle of the seasons by choosing, in turn, to partner with the Solar Hero of Summer and the Otherworldly Champion of Winter - reveals a transformational mythic pathway that can also guide us in the reclamation of our own sovereignty.

Isis has a history spanning millennia and an influence stretching across land and sea. She is a Goddess who transcends time and geography, remaining one of the most popular Goddesses from the ancient world to this day. The book explores Isis' mythic journey and how she became the Goddess we recognise today. Striking a balance between the old and the new, Pagan Portals - Isis provides an historical account of her mythology and worship alongside modern Pagan

perspectives and offers the reader tools for Isis' contemporary veneration. **Pagan Portals - Breath of Spring** John Hunt Publishing  
Loki Laufeyjarsen is the famous trickster of Norse Mythology, who brings its pages to life with conflict, humor, and excitement. Far from being just a villain or a prankster, Loki is a god who brings necessary change into the world, transcends boundaries, and shines light on hidden truth. In this book, you will be introduced to Loki and the

many masks he wears: whether he appears as the bringer of enlightenment, the traveling companion of the gods, or the ender of worlds. This is also an accessible guide to building a devotional practice with the trickster, where you will learn new ways to honor this often misunderstood deity. Open the door to Loki's mysteries, and prepare to laugh, be challenged, and potentially change your life. 'Pagan Portals - Loki is a bold and necessary look at the Trickster God

of the Norse. The author deftly weaves together academic material and personal experience to give the reader a guide not only to better understand this often maligned deity but also to connect directly to him.

An unflinching appraisal that offers a great deal of insight into Loki.' Morgan Daimler author of *Pagan Portals - Odin* and *Pagan Portals - Thor*.

*Pagan Portals - Manannán mac Lir* John Hunt Publishing

Presenting Druidry in an easy-to-understand way,

making the concepts open to everyone. *Pagan Portals - The Urban Ovate*, continues the process started by Brendan Howlin in *The Handbook of Urban Druidry* by moving deeper into the life of an urban ovate.

### **Pagan Portals - Scrying**

John Hunt Publishing  
Scrying is the practice of looking into crystal balls, mirrors, water, fire, clouds and many other things to see visions, find messages and gain knowledge. It can be done for personal guidance, for inspiration, to find the

answers to questions, to look at distant places or other realms, or for fortune-telling and prophecy. It is a form of divination that taps into our psychic senses and powers of intuition. *Pagan Portals - Scrying* shows how anyone can learn to develop the necessary skills to scry in a variety of different ways.

**Pagan Portals - 21st Century Fairy** John Hunt Publishing

Druidry is a wonderful, spiritually fulfilling life path. Through the magic that is Druidry, we build

deep and abiding relationships with the natural world around us, and through our connection to the natural environment we walk a path of truth, honour and service. We aim to immerse ourselves in the present moment, in the present environment, in order to share in the blessing that is the cycle of life. Throughout the ages, people have withdrawn from the world in order to connect more fully with it. This book is an introductory guide for those who wish to walk

the Druid path alone, for however long a time. It is about exploration and connection with the natural world, and finding our place within it. It covers the basics of Druidry and how, when applied to the everyday life, enriches it with a sense of beauty, magic and mystery. This book is for those people who feel called to seek their own path, to use their wit and intelligence, compassion and honour to create their own tradition within Druidry.  
*Pagan Portals - Sekhmet*

John Hunt Publishing  
To truly know Rhiannon, we must excavate the layers of her myth, decode the meaning of her symbols, and seek to restore the significance of her very name. Although she has a mythology around her, and has many modern-day devotees, nowhere in ancient lore has she been identified as a Goddess. We have no known cult centers or devotional altars dedicated to Rhiannon. How then do we approach this revered Lady? How can we best know her as

Goddess? We need but call to her, and ask for what we need. Be it her bag of plenty, the soul-healing song of her birds, or the empowerment of the sovereignty she holds, when you call to Rhiannon, the Divine Queen of the Britons, know that she will stop... and know that she will answer your call.

**Ancestral Healing** John Hunt Publishing  
The journeys in this book are all ones using the mind. Guided visualisations use an

interactive story to help people know themselves better, find solutions to problems and get ideas for creative projects. They can also be used as a wellbeing tool using relaxation techniques. Many guided visualisations also have spiritual aspects. Within this book are visualisations created for those on the paths of paganism, witchcraft and earth-based spirituality. They were written to follow the Wheel of the Year, embrace the power of the moon and the

elements, and develop magical wisdom. Through the pages of this book you will be guided to amazing places. It will be an adventure...

**Pagan Portals - Animal Magic** Pagan Portals - The Awen Alone  
Pagan Portals - Raven Goddess follows on from the author's earlier book, The Morrigan, to help the reader continue to get to know the Irish Goddess of war, battle, and prophecy with a particular focus on disentangling truth from common misconceptions. As the Morrigan has

grown in popularity, understandings of who she was and is have shifted and become even more nebulous. Raven Goddess is intended to clarify some common points of confusion and help people go deeper in their study of the Morrigan and assist in nurturing a devotional relationship to her.

Gwyn, the bright god of the Brythonic underworld Annwfn and Faery king of the wild Welsh spirits, the

twlwyth teg, is an ancient and mysterious figure. His tales are scattered through oral folklore and across medieval Welsh literature, a depository of our ancient god-tales. Said to dwell within the legendary glass castle in Glastonbury Tor, as well as the black mountains of Wales, he is both a figure of romance and fear. A dark lover through the winter months, leader of the wild hunt, and guardian of the dead. He is the ancient companion of bards and visionaries through the initiatory

journey to the depths of the Celtic Underworld, in search of the Goddess of the land herself. With a close look at traditional magic and lore as well as practical exercises, Gwyn ap Nudd is an essential guide for all those who seek wisdom from the darkness and wild communion with the sovereignty of the land.

**Pagan Portals - Reclaiming Witchcraft**

John Hunt Publishing  
Divination is only a small part of a witch's stock in trade, and although a basic introduction to the

subject can be learned from books, proficiency will only come through vigorous practice. This proficiency comes through the discovery of certain secret matters by a great variety of means, correspondences, signs and occult techniques. Before a witch can

perform any of these operations with any degree of success, we need to develop the 'art of seeing' and the ability to divine with rod, fingers and birds. Divination is what could be referred to as the practical element of Craft magic, and we

don't even have to be witches to be able to read the portents. But it helps! A companion volume to Pagan Portals: By Spellbook & Candle and Pagan Portals: By Wolfsbane & Mandrake Root, from popular Moon Books author Melusine Draco.
