Maurice Ravel, as composer and scenario writer, collaborated with some of the greatest ballet directors, choreographers, designers and dancers of his time. This book explores these relationships and presents a study of Ravel's ballets from "Daphnis et Chloe" through to "Bolero". It argues that ballet music should not be regarded in isolation.

 inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James,Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of•Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors,

these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

**Ma Mre L'oye** Faber & Faber  
 Ma ma]re l'oye (Mother Goose Suite) is typical of Ravel's style with its modal melodies, use of dance forms and rhythmic precision. For this suite, Ravel selected favorite French fairy tales with references to fantasy, dreams and legends of childhood, and provided simple and delicate settings for piano duet (one piano, four hands). Although featuring childhood themes, Ma ma]re l'oye is at the late intermediate to early advanced level. This teaching/performance edition contains the suite in its entirety and is based on the first edition published by Durand in 1910. Editors Gayle Kowalchyk and E. L. Lancaster have included expert fingering suggestions and hand redistributions for technical ease, and have suggested ways to perform grace notes and glissandi in footnotes. The primo and secondo parts are on separate pages with measure numbers in both parts for easy reference. Late intermediate to early advanced.
