At the end of her junior year of college, Miranda, a music major, meets David, an accomplished artist, at a wedding reception. They are immediately attracted to each other and begin dating. One thing that attracts Miranda to David, after he shows her his art gallery, is his explanation that before he can paint a picture, he seeks to discover the spirit and the truth of what he wants to paint in order to reveal how all things are spiritually connected by love. After Miranda graduates from college, they marry and have three daughters. During the course of their marriage, they have to deal with the loss of a long-desired son who died at birth, a handicapped granddaughter named Sarah, and an art student, Ashley, who wants to become romantically involved with David. Courtney, Sarah's younger sister, has problems in school because she is teased about her sister Sarah being handicapped. Because of her low self-esteem, Courtney becomes pregnant, but her boyfriend, who

no longer cares for her, insists she have an abortion. David, who had a very special relationship with Sarah, after her death, struggles to find the real Sarah. After much pondering, he paints a picture of Sarah as a beautiful young girl presenting flowers to Jesus. Miranda is afraid now David is including Jesus in his paintings that he has reached the height of his career and that she will soon lose him. Learn how Miranda and David deal with these challenging situations in this inspiring novel, and what the meaning of "More than the Eye Can See" represents.

James Fenimore Cooper e-artnow

Reassesses the life and work of the early American writer who established genres such as the Western, the sea tale, and Revolutionary War romance.

House Documents, Otherwise Publ. as Executive Documents e-artnow

At the turn of the nineteenth century, ten-year-old James Miranda Barry enrolled as a medical student in Edinburgh, the start of a glorious career as a military surgeon. Across the Empire, Barry achieved fame not only as a brilliant physician, but also a legendary duellist and a celebrated social figure. But James Miranda Barry was also a woman. Her greatest achievement of all had been to 'pass' for a man for more than fifty years. Patricia Duncker's novel tells Barry's story for the first time, in a richly inventive and entertaining tale of dark family secrets, adultery, questioned paternity and colonial history. It confirms her rare talent as a writer of profound ideas and immense storytelling power.

Vital Records of Medway, Massachusetts, to the Year 1850 e-artnow

Alphabetical indexes to the manuscript records of the town, supplemented by information from church registers, cemetery inscriptions, and other sources.

Polk's Medical Register and Directory of the United States and Canada Christian Faith Publishing, Inc. Settled in 1708 and incorporated as a borough in 1827, Elizabethtown, Pennsylvania, is located five miles from the Susquehanna River in Lancaster County, 20 miles from both the county seat Lancaster City, to the east, and Harrisburg, the state capital, to the west. With its Old Peter's Road, Elizabethtown played an important role in the westward expansion of the nation during the 18th and 19th centuries. Construction on the first railroad began in 1834, and Elizabethtown remains a strategic stop on the Amtrak Keystone line between Harrisburg and Philadelphia. Along with its proximity to Hershey, Pennsylvania, Elizabethtown has been home to a Mars, Inc., confectionery plant since 1970 (formerly Klein's Chocolate Company, incorporated in 1914). Elizabethtown College was founded in 1899, and the Masonic Village followed in 1910. The Pennsylvania State Hospital for Crippled Children opened in 1929, later becoming the Pennsylvania Department of Corrections Training Academy in 1991.

Jahresbericht über die gesamte Chirurgie und ihre Grenzgebiete Arcadia Publishing

Here is a virtually complete list of persons identifiable as Jews in America by 1800, the result of a thorough search of manuscript materials and published literature for the names of Jews who lived in America (including Canada up to 1783) during the seventeenth and eighteenth centuries. No other study provides comparable information for such an ethnic group in this country. Each entry in this dictionary is accompanied by birth and death dates and places and other biographical data so far as they are available. The biographies vary from two lines recording the birth of an unnamed stillborn child or the presence of a transient in New York City to half-column summaries of the careers of well-known persons. Included are converts to Christianity and, in some instances, their children. Persons whose names or associations have resulted in their being incorporated into earlier lists of "Jews" are noted also, with an attempt to ascertain their identity. Especially noteworthy is the small number of Jews in America during the two centuries before 1800. Only about 4,000 Jews, of whom 1,500 were native-born, have been identified in this dictionary -- and not all of these positively. Perhaps another 800 have been omitted, Rosenbloom points out, because their names are not included in extant records. Even so, it would appear that the percentage of Jews in the total colonial population (less than three million in 1783) was infinitesimal. Students of the American colonial period will find this book a useful tool for ascertaining the national origins of American Jews, their occupations, their part in the Revolution, their places of settlement, and other historical and sociological data.
