VALENTINA FRANCIS

Harper Collins

What could be worse than a book by Lemony Snicket? Three books by Lemony Snicket—all in one foul package. This second Box of Unfortunate Events, contains The Miserable Mill, The Austere Academy, and The Ersatz Elevator.

[A Series of Unfortunate Events #10: The Slippery Slope](#) Harper Collins

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but The Miserable Mill contains none of them. Within its pages one will find a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident and coupons. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most

successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

A Series of Unfortunate Events #13 CD: The End Harper Collins

The first Series of Unfortunate Events gift/box-set of this New York Times best-selling series. The set includes The Bad Beginning, The Reptile Room, and The Wide Window.

The Carnivorous Carnival Harper Collins

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In The Wide Window we encounter a story that includes a hurricane, a signalling device, hungry leaches, cold cucumber soup, a horrible villain and a doll named Pretty Penny. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for

children as nothing more than a dreadful mistake.

A Series of Unfortunate Events #13: The End Harper Collins

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In The Bad Beginning the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. Then again, why trouble yourself with the unfortunate resolutions? NOW A NETFLIX ORIGINAL SERIES As the three Baudelaire orphans warily approach their new home Prufrock Preparatory School, they can't help but notice the enormous stone arch bearing the

school's motto Memento Mori or "Remember you will die." This is not a cheerful greeting and certainly marks an inauspicious beginning to a very bleak story just as we have come to expect from Lemony Snicket's A Series of Unfortunate Events, the deliciously morbid set of books that began with The Bad Beginning and only got worse.

A Series of Unfortunate Events #5: The Austere Academy, Netflix Tie-in Harper Collins

NOW A NETFLIX ORIGINAL SERIES If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched and will most likely fill you with deep despair. From The Bad Beginning to The End, this comprehensive collection with unfortunate bonus material that may or may not include trivia questions, character profiles, and several very sad sentences is the only choice for people who simply cannot get enough of a bad thing!

The Wide Window HarperCollins

A Series of Unfortunate Events Collection: Books 7-9 Harper Collins

Dear Reader, You have undoubtedly picked up this book by mistake, so please put it down. Nobody in their right mind would read this particular book about the lives of Violet, Klaus, and Sunny Baudelaire on purpose, because each dismal moment of their stay in the village of V.F.D. has been faithfully and dreadfully recorded in these pages. I can think of no single reason why anyone would want to open a book containing such unpleasant matters as migrating crows, an angry mob, a newspaper headline, the arrest of innocent people, the Deluxe Cell, and some very strange hats. It is my solemn and sacred occupation to research each detail of the Baudelaire children's lives and write them all down, but you may prefer to do some other solemn and sacred thing, such as reading another book instead. With all due respect, Lemony Snicket Ages 10+

The Unauthorized Autobiography HarperCollins

NOW A NETFLIX ORIGINAL SERIES Everybody loves a carnival! Who can fail to delight in the colourful people, the unworldly spectacle, the fabulous freaks? A carnival is a place for good family fun—as long as one has a family, that is. For the Baudelaire orphans, their time at the carnival turns out to be yet another episode in a now unbearable series of unfortunate events. In fact, in this appalling ninth installment in Lemony Snicket's serial, the siblings must confront a terrible lie,

a caravan, and Chabo the wolf baby. With millions of readers worldwide, and the Baudelaire's fate turning from unpleasant to unseemly, it is clear that Lemony Snicket has taken nearly all the fun out of children's books.

NOW A NETFLIX ORIGINAL SERIES I hope, for your sake, that you have not chosen to read this book because you are in the mood for a pleasant experience. If this is the case, I advise you to put this book down instantaneously, because of all the books describing the unhappy lives of the Baudelaire orphans, The Miserable Mill might be the unhappiest yet. Violet, Klaus, and Sunny Baudelaire are sent to Paltryville to work in a lumber mill, and they find disaster and misfortune lurking behind every log. The pages of this book, I'm sorry to inform you, contain such unpleasanties as a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident resulting in injury, and coupons. I have promised to write down the entire history of these three poor children, but you haven't, so if you prefer stories that are more heartwarming, please feel free to make another selection. With all due respect, Lemony Snicket

NOW A NETFLIX ORIGINAL SERIES Like an off-key violin concert, the Roman Empire, or food poisoning, all things must come to an end. Thankfully, this includes A Series of Unfortunate Events by Lemony Snicket. The thirteenth and final installment in the groundbreaking series will answer readers' most burning questions: Will Count Olaf prevail? Will the Baudelaires survive? Will the series end happily? If there's nothing out there, what was that noise? Then again, why trouble yourself with unfortunate resolutions? Avoid the thirteenth and final book of Lemony Snicket's international bestselling series and you'll never have to know what happens.

A Series of Unfortunate Events #1: the Bad Beginning [Netflix Tie-In Edition] Egmont Books (UK)

NOW A NETFLIX ORIGINAL SERIES Lemony Snicket's unhappy tale of the unlucky Baudelaire siblings begins with The Bad Beginning. In this short bothersome book alone, the three orphans encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune, and cold porridge for breakfast. Should you not mind deadly serpents, slippery salamanders, lumpy beds, large brass reading lamps, Ing knives, and terrible odors, then proceed with caution to the second book in the miserable series, The Reptile Room. Readers unbothered by inclement weather, hungry leeches, and cold cucumber soup will want to continue with the third installment, The Wide Window. Others will not. If you've got the stomach to wade through the first three tragic tales in Lemony Snicket's A Series of Unfortunate Events, then this troubling collection might be the one for you. Several loathsome extras, including a compilation of unsettling quotations and a very disturbing portrait, await those who successfully complete the wretched journey. You've been warned!

NOW A NETFLIX ORIGINAL SERIES As the three Baudelaire orphans warily approach their new home Prufrock Preparatory School, they can't help but notice the enormous stone arch bearing the school's motto Memento Mori or "Remember you will die." NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in A Series of Unfortunate Events by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read The Slippery Slope, The Grim Grotto, The Penultimate Peril, or The End. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of A Series of Unfortunate Events, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

A Series of Unfortunate Events #9: The Carnivorous Carnival Harper Collins

NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.
