Popular Mechanics

In the pages of Chevrolet Pickups, you'll find a

legendary tale of how Chevrolet's line of trucks evolved from cars with beds to the sophisticated luxurious trucks of modern times. Mueller's text includes the rise of the Depression-era trucks that made Chevrolet the number one manufacturer of light pickups, and Chevy's 30-year run in that top spot. Mueller explains how the leaders and engineers at Chevrolet made the company's truck line such a dominant force-" and goes in-depth on many specific models that had

enormous impact on the pickup truck industry. "The complete history of Chevrolet trucks is covered, with side-trips that shed light on the GMC counterparts, competitive brands, and the ElCamino and Corvair pickups." Packed with photographs of beautifully restored pickup trucks, ""Chevrolet Pickups tells the history of one of the (20th) century's greatest accomplishments." Decimals and Percents
The truck's role in American society changed dramatically from the

1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a

wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

American Light Trucks and Utility Vehicles, 1967-1989

Der US-Präsident hat eine Affäre. Als der Skandal mitten im Wahlkampf öffentlich wird, stehen Präsident Tucker und sein Regierungsstab im Kreuzfeuer. Um wiedergewählt zu werden, braucht der Staatschef die

First Lady an seiner Seite. Grace Tucker aber hat nicht vor, weiter die Vorzeigegattin für ihren untreuen Ehemann zu spielen. Zutiefst verletzt verlässt sie Washington – und verschwindet spurlos. Secret-Service-Agentin Sally Grissom soll die First Lady aufspüren und zurückbringen. Doch ist diese freiwillig untergetaucht? Oder befindet sich die Frau des Präsidenten in viel größerer Gefahr als gedacht?
