16 Strategic Declarations to Transform Your Life W Publishing Group

Every person in the world has felt the influence of the Holy Spirit at one time or another. For some, it's the conviction of "sin and righteousness and judgment" (John 16:8). For others, it's the comfort, guidance, and strength He gives. To some, the Spirit is as mysterious and unknowable as a night wind passing through the treetops. To others, He is as close and inviting as a friend across the table. But even those who know the Holy Spirit personally have questions about Him. As Oswald Chambers said, "The Spirit is the first power we practically experience, but the last power we come to understand." That's the reason for this book. What gifts does the Spirit give? How can I be filled with the Spirit? Will the Spirit ever leave me? We've received all these questions and more since GotQuestions.org was founded in 2002. To find the answers, we opened the Bible, the one book inspired by the Holy Spirit Himself. In searching the Scriptures, we learn of the Spirit's nature,

His work, and His will. May the Holy Spirit use the questions and answers in this volume to increase your awareness of His presence, encourage your heart, and empower your faith.

Exactly who is the Holy Spirit, and what does He do? In this classic volume, Graham offers a sensitive and comprehensive portrait of this much discussed but often misunderstood member of the Trinity.

The God I Never Knew Multnomah

Who Is the Holy Spirit—and Why Do You Need Him in Your Life? After His crucifixion and resurrection, Jesus gave His disciples an assignment to change the world—but told them to wait until the power of the Holy Spirit had come upon them before setting out. His charge to modern-day believers is no different: To do the works that Jesus did (and even greater ones, as He said), it is imperative that we operate from the indwelling power of the Holy Spirit. But Who is this mysterious Third Person of the Trinity? How do we get this power, and what are we to do with it when we receive it? Pat Robertson, founder of the Christian Broadcasting Network and beloved longtime host of The 700 Club, tackles these questions and many others in this, the final book of a life that is now in its ninth decade. Robertson traces the path of the Holy Spirit through both the Old and New Testaments, and shares stories from his own life and that of many 700 Club viewers testifying to how the power of the Holy Spirit has miraculously freed and healed them today. If you want a better understanding of the Holy Spirit and are hungry to know more about the power that is available through Him to every Christfollower today, this book is for you.

40 Days with the Holy Spirit will inspire you to encounter God in fresh and surprising ways. You'll develop stronger spiritual muscles as you breathe, read, reflect, and pray—all with an eye to cultivating a relationship with the least familiar member of the Trinity. The book is interactive, offering the opportunity to write and pray each day; intelligent, rooted in a rigorous study of Scripture, from Genesis to Revelation; and inviting, with 40 insightful, well-planned 20–30 minute daily exercises; and prayerful, with 40 original prayers that capture each day's insight into the deep, spiritual work of the Holy Spirit. "Jack Levison's lively new book 40 Days with the Holy Spirit is an engaging devotional that invites the Christian community to be reacquainted with the person and ministry of the Holy Spirit. I read it as a Pentecostal pastor/theologian and it provoked me to consider anew how the Spirit is actively at work in my life and in the world. Though there are differences in pneumatology within the body of Christ, all who read this book will have to affirm that the Spirit is moving and Jack has caught its zeal!"—Johnathan E. Alvarado, Senior Pastor, Grace Church International, and Professor of Theology, Beulah Heights University, Atlanta, Georgia "Jack Levison's new devotional will guide you into the theme of the Holy Spirit in Scripture, aiming for spiritual formation, not just spiritual information. My favorite part: the simple prayers at the end of each reading. A beautiful, accessible, and soul-nourishing resource!" —Brian D. McLaren, Author of *We Make the Road by Walking* "Jack Levison combines a scholar's intimate knowledge of scripture with a born writer's mastery of nuance, style, empathy and humor. Every page of this book brims with reverence for God and common-sense wisdom won the hard way." —David Laskin, author of *The Family* "40 Days with the Holy Spirit opens a door for all seekers, religious and irreligious, to experience 'God's Spirit-breath within.' This is more than a must-read-its food for busy and hungry hearts." —Dr. Michael Rakes, Pastor at Winston Salem First "Is it possible to live a Spirit-filled life amid our daily distractions and demands? Jack Levison assures us it is and offers a path to wisdom through stillness and abandonment... This book leads us to the ultimate Source, the Spirit. It is a guide not just for 40 days, but a lifetime." —Judith Valente, Correspondent, Religion &

Ethics Newsweekly and author of *The Art of Pausing* "Jack Levison brings together scholarship, Scripture meditation, concrete practices, and compelling inspiration. He helps us retrieve the tragically lost centrality of the Holy Spirit in the mainline Christian world. Here comes the return of the fire and the wind!" —Fr. Richard Rohr, ofm "Jack Levison's book is not an overly intellectual look at the Holy Spirit, but really examines what it means to live a Spirit-filled life. A needed resource for those looking to be guided by the Holy Spirit found in Scripture. Jack opens our minds to the fullness of the Holy Spirit and removes the human limitations that we often place on this person of the Trinity, teaching us to hear and obey as God speaks." — Dr. John M. Perkins, Co-founder of the Christian Community Development Association (CCDA), Founder and President Emeritus of the John and Vera Mae Perkins Foundation

The One Who Makes Jesus Real Destiny Image Publishers

With prayerful reverence and focused wisdom, Dr. Graham puts an understandable face on this mysterious third Person of the Trinity: The Holy Spirit is "not an impersonal force, like gravity or magnetism. He is a Person, with all the attributes of personality. But not only is He a Person, He is divine as well. Exciting, revolutionary power is available exclusively to you as a Christian . . . It is the supernatural power: To transform human nature To be the salt of the earth, and the light of the world To bring about a dramatic but peaceful revolution in those around you To face any crisis You cannot buy this extraordinary power, nor can you find it by searching the earth for it. As a Christian it resides in you already, an awesome gift from God that you have only to claim and use once you know and accept its Source. Christians are powerful people, Billy Graham reminds us in this inspiring and insightful book, because "we have the mighty power of God available to us through . . . the Holy Spirit." He comes to us with no conditions attached. Jesus simply said, "If I go, I will send Him to you." Read this amazing book and see anew how this Person can transform your life and give you the power "to be truly good" and "to live victoriously."

The classic "All Series" books have graced the shelves of pastors, students, and laypeople alike for decades. "All about the Holy Spirit" continues in the series tradition of offering a faithful and comprehensive treatment of biblical subjects. In this work, Dr. Lockyer examines virtually every biblical reference to the Holy Spirit. He explores the Holy Spirit as part of the Trinity and the Holy Spirit in relationship to the believer. As part of the divine Trinity, the Holy Spirit is one with the Father and the Son and yet has a unique personality and function. "He who is the breath of God" also has a special relationship to the believer; He enables the believer to live a Spirit-filled life evidenced by the fruit and fullness of the Spirit. Lockyer's careful study is coupled with a warm pastoral approach, making this book food for the mind and heart.
