News of a merger or acquisition is a big event in the life of a company, which stirs uncertainty, anxiety and fear. The changes, redundancies and so on, that often follow this news, are a further source of turmoil for the employees of both companies involved. There is no

magic formula to avoid these effects completely. However, good planning, communication and human resource practice can mitigate the worst of them; keep everyone that matters on board; and ensure that the new organization maintains your reputation for sensitive people management. Get it wrong, on the other hand, and you may lose the very people you were most anxious to keep; put the success of the process at risk and even face employment tribunals or other legal proceedings. In addition, imagine how these processes are complicated by any transnational elements. James F. Klein and Robert-Charles Kahn provide a practical, hands-on guide to successfully integrating HR functions following any merger or acquisition within Europe. The book guides you step by step, providing the methodology, tools, sequence of events and necessary material. It includes comparative tables, tips and stories illustrating the differences, specific issues and pitfalls that are particular to the different European countries. 20 years of human resources experience across companies in continental Europe has gone into creating this blueprint to successfully implementing the people side of successful mergers and acquisitions.

This book highlights the changes and challenges to the role of the HR Business Partner, overviewing the emerging service delivery models for the HR function (in particular the development of shared services and outsourcing options) and what this means for the HR Business Partner (HRBP) in the modern enterprise. The purpose of this book is to provide a conceptual framework and practical advice, based on real life case studies and recent research, into how HR Business Partners best add value to the organization. The authors have extensive experience of working in the area of HR restructuring (having been HR Directors in blue chip organizations and senior advisers in leading consultancies) and have consistently come up against confusion and contradiction about what is the new role of the HR Manager/Business Partner in supporting business managers in the delivery of strategic and tactical objectives. Theory and conceptual models are used to underpin this book but it has been written as a pragmatic, hands-on guide that will help its readers think through how best they might fulfil the role of the HRBP. The book contains checklists, case study examples and self-assessment tools. It is supported by supplementary material (updates, further case studies, templates and tools) which are available via the authors' website.

Growth is a never-ending journey. The more we know, the more we realise we don't know. Growth involves discomfort, taking risks and facing into the wind. It's never easy, it's always hard-won. This book is an exploration of the counterintuitive aspects of growth. Seasoned online business leader and startup veteran David Norris combines insight from his hands-on experience with an unconventional approach of embracing paradox to propel both personal and business growth. He dives into strategic thinking, team leadership, and personal effectiveness, presenting a practical guide for founders, startup leaders, entrepreneurs and growth leaders as they face their own challenges. "Growthadox" is an essential read for those prepared to challenge the status quo and navigate the non-obvious paths to success. Praise for Growthadox

"An easy-to-read, down-to-earth, practitioners' guide to developing your business. Simple on the surface, there's so much to it; not only will you want to re-read it, it'll become indispensable desk reference as you grow" - Vicky Smith, CEO and Founder, Earth Changers. "A pragmatic guide for startup and growth leaders that resonated with me deeply. David summarises core concepts and delivers insights and practical tips drawn from his own experience - this beautifully written book is both easy to action and devoid of jargon." - Divinia Knowles, Leadership Coach and Founder of London COO Roundtable "This book is an absolute goldmine of advice and lessons learned. David has a wonderful way of simplifying complex matters in a fun and accessible way. So many 'oh yeah' moments as you read this gem of a book, it is relentlessly interesting with learnings from cover to cover" - Dan Hulme, CEO at The Sports Trust. "It's very easy to find a book on starting out on an entrepreneurial journey but incredibly hard to find one that is relatable and relevant to your particular journey. David takes the best elements of start up advice and literature and summarises it perfectly into practical scenarios that will help any entrepreneur on their path to success, it's like a textbook for CEO's! I found it thought provoking and engaging from one of the most pragmatic and modest minds in the biz." - Matt Fox - Snaptrip Group CEO
