**Anti-Inflammatory Diet** Bloomsbury Publishing USA

A gripping new novella from No. 1 international bestseller and Swedish crime sensation Camilla Lackberg

Neverhome Chronicle Books

Parallel stories set in different times, one told in prose and one in pictures, converge as a girl unravels the mystery of the abandoned Thornhill Institute next door. 1982: Mary is a lonely orphan at the Thornhill Institute For Children at the very moment that it's shutting its doors. When her few friends are all adopted or re-homed and she's left to face a volatile bully alone, her revenge will have a lasting effect on the bully, on Mary, and on Thornhill itself. 2017: Ella has just moved to a new town where she knows no one. From her room on the top floor of her new home, she has a perfect view of the dilapidated, abandoned Thornhill Institute across the way, where she glimpses a girl in the window. Determined to befriend the girl and solidify the link between them, Ella resolves to unravel Thornhill's shadowy past. Told in alternating, interwoven plotlines—Mary's through intimate diary entries and Ella's in bold, striking art—Pam Smy's Thornhill is a haunting exploration of human connection, filled with suspense.

Slaughterhouse Five Or the Children's Crusade Independently Published

Jesse and Lee share a house owned by a very nice Chinese dentist, where it rains in the hall. They move to cabins on the cliffs at Big Sur where the deafening croaks of frogs can be temporarily silenced by the cry, 'Campbell's Soup'. Ultimately, we learn how the frogs are permanently silenced . . . and dreams disperse around a fire into 186,000 endings per second. In anticipating flower power and the ideals of the Sixties, Brautigan's debut novel was at least a decade before its time and remains a weird and brilliant classic.

*No Ordinary Billionaire* Piramide Ediciones Sa

Named one of Entertainment Weekly's 12 biggest music memoirs this fall. "An artful and wildly enthralling path for Bowie fans in particular and book

lovers in general.” —Publishers Weekly (starred review) “The only art I’ll ever study is stuff that I can steal from.” —David Bowie Three years before David Bowie died, he shared a list of 100 books that changed his life. His choices span fiction and nonfiction, literary and irreverent, and include timeless classics alongside eyebrow-raising obscurities. In 100 short essays, music journalist John O’Connell studies each book on Bowie’s list and contextualizes it in the artist’s life and work. How did the power imbued in a single suit of armor in *The Iliad* impact a man who loved costumes, shifting identity, and the siren song of the alter-ego? How did *The Gnostic Gospels* inform Bowie’s own hazy personal cosmology? How did the poems of T.S. Eliot and Frank O’Hara, the fiction of Vladimir Nabokov and Anthony Burgess, the comics of *The Beano* and *The Viz*, and the groundbreaking politics of James Baldwin influence Bowie’s lyrics, his sound, his artistic outlook? How did the 100 books on this list influence one of the most influential artists of a generation? Heartfelt, analytical, and totally original, *Bowie’s Bookshelf* is one part epic reading guide and one part biography of a music legend.

**A Complete Guide to the 88 Constellations** Dial Press

The internationally bestselling author of the *Mistborn* and *Stormlight Archive* series presents two very different novellas that nevertheless showcase his remarkable gift for gripping narrative, world-building and empathetic characters. Available for the first time in one volume, a publishing event for all his many fans. **LEGION** Stephen Leeds, AKA 'Legion,' is a man whose unique mental condition allows him to generate a multitude of personae: hallucinatory entities with a wide variety of personal characteristics and a vast array of highly specialized skills. As the story begins, Leeds and his 'aspects' are drawn into the search for the missing Balubal Razon, inventor of a camera whose astonishing properties could alter our understanding of human history and change the very structure of society. The action ranges from the familiar environs of America to the ancient, divided city of Jerusalem. Along the way, Sanderson touches on a formidable assortment of complex questions: the nature of time, the mysteries of the human mind, the potential uses of technology, and the volatile connection between politics and faith. **THE EMPEROR’S SOUL** When Shai is caught replacing the Moon Scepter with her nearly flawless forgery, she must bargain for her life. An assassin has left the Emperor Ashrahan without consciousness, a circumstance concealed only by the death of his wife. If the emperor does not emerge after his hundred-day mourning period, the rule of the Heritage Faction will be forfeit and the empire will fall into chaos. Shai is given an impossible task: to create - to Forge - a new soul for the emperor in less than one hundred days. But her soul-Forgery is considered an abomination by her captors. She is confined to a tiny, dirty chamber, guarded by a man who hates her, spied upon by politicians, and trapped behind a door sealed in her own blood. Shai's only possible ally is the emperor's most loyal councillor, Gaotona, who struggles to understand her true talent. Time is running out for Shai. Forging, while deducing the motivations of her captors, she needs a perfect plan to escape...

Workplace stresses may be killer in this off-the-rails office satire Richard thinks he's in luck when he snags a job at the cuckoo-clock factory, but things start to go wrong right off the bat. First of all there's his boss, who doesn't seem to have the strongest grip on reality and has an odd penchant for silly hats. Then there are his coworkers, who are alternately evasive and idiotic when asked about anything pertaining to actually getting work done. Finally there's George, the employee Richard's replacing, who supposedly quit but whose family has just appeared on national TV pleading for his safe return. It's all adding up to a very strange workplace, and when the company goes on a retreat, everything spools quickly out of control. From the author of *Anna and Froga* comes a wry, offbeat whodunnit that centers on office life. Anouk Ricard's subtle, sardonic humor undermines the characters' desperate attempts to be taken seriously, as they bungle kidnappings, misunderstand social cues, and let petty disagreements become feuds. Ricard's dim-witted characters aspire to deviousness but miss their mark, remaining firmly in the domain of slapstick. With cleverly observed dialogue, charming artwork, and brilliantly over-the-top plotting, Benson's *Cuckoos* will delight the adult fans of Ricard's comics for kids.

Internationally acclaimed novelist Mario Vargas Llosa has contributed a biweekly column to Spain's major newspaper, *El País*, since 1977. In this collection of columns from the 1990s, Vargas Llosa weighs in on the burning questions of the last decade, including the travails of Latin American democracy, the role of religion in civic life, and the future of globalization. But Vargas Llosa's influence is hardly limited to politics. In some of the liveliest critical writing of his career, he makes a pilgrimage to Bob Marley's shrine in Jamaica, celebrates the sexual abandon of Carnival in Rio, and examines the legacies of Vermeer, Bertolt Brecht, Frida Kahlo, and Octavio Paz, among others.

“Marvelous . . . [Vonnegut] wheels out all the complaints about America and makes them seem fresh, funny, outrageous, hateful and lovable.”—The New York Times In *Breakfast of Champions*, one of Kurt Vonnegut's most beloved characters, the aging writer Kilgore Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. “Free-wheeling, wild and great . . . uniquely Vonnegut.”—Publishers Weekly *An Epic Novel* Macmillan

**DISCOVER THE JAPANESE SECRET TO FINANCIAL WELL-BEING:** The *Takebo* is a wonderful tool for anyone who wants to make keeping track of their spending more streamlined People in Japan are masters of minimal living, able to make do with less in all aspects of life, whether it's de-cluttering personal belongings or savvy seasonal cooking. At the heart of all this is the *takebo*: the budgeting journal used to set savings goals and track spending. The premise is simple: at the beginning of each month, the prompts in this book help you to plan how much you would like to save and what you need to do in order to reach your goal. The *takebo* then gives you space to jot down your weekly spending and reflect on the month just gone. The act of completing your journal ensures that saving is a part of your everyday life, while also giving you the opportunity to reflect and improve every month.
