*The Clean Coder* BroadStreet Publishing Group LLC

This book brings together essays based on papers presented at the 6th International Conference on Consciousness, Theatre, Literature and the Arts (CTLA), held from June 10 to 12, 2015, at St Francis College, Brooklyn Heights, New York. The conference was attended by seventy delegates from twenty countries across the world – the twenty-three essays collected here come from delegates from twelve of those countries. The range of contributions reflects the variety of material presented and discussed at the conference, across the fields of philosophy, literature, fine arts, music, dance, performance and theatre. The book, the sixth in the series, will appeal to the growing international community of researchers active and interested in the study of literature, theatre and the arts from a consciousness studies perspective.

“Wanna Succeed? Customer Servitude” infinitely reimagines customer service, evangelism, and

True Success for everyone.

*The Last Place* John Hickman

This book critically analyses Eminem’s studio album releases from his first commercial album release *The Slim Shady LP* in 1999, to 2020’s *Music To Be Murdered By*, through the lens of storytelling, truth and rhetoric, narrative structure, rhyme scheme and type, perspective, and celebrity culture. In terms of lyrical content, no area has been off-limits to Eminem, and he has written about domestic violence, murder, rape, child abuse, incest, drug addiction, and torture during his career. But whilst he will always be associated with these dark subjects, Mathers has also explored fatherhood, bereavement, mental illness, poverty, friendship, and love within his lyrics, and the juxtaposition between these very different themes (sometimes within the same song), make his lyrics complex, deep, and deserving of proper critical discussion. The first full-length monograph concerning Eminem’s lyrics, this book affords the same rigorous analysis to a hip-hop artist as would be applied to any great writer’s body of work; such analysis of ‘popular’ music is often overlooked. In addition to his rich exploration of Eminem’s lyrics, Fosbraey furthermore delves into a variety of different aspects within popular music including extra-verbal

elements, image, video, and surrounding culture. This critical study of his work will be an invaluable resource to academics working in the fields of Popular Music, English Literature, or Cultural Studies.

*Dead End Bayou* John Wiley & Sons

New York Times bestselling author Karin Slaughter is acclaimed for her novels of heart-stopping suspense, edge-of-your-seat intrigue, and richly imagined characters. And when Slaughter created detective Will Trent she broke the mold. While displaying an uncanny knack for reading people, solving puzzles, and cracking cases at the Georgia Bureau of Investigation, Detective Trent navigates the varied relationships with the women in his life: vice cop Angie Polaski, supervisor Amanda Wagner, partner Faith Mitchell, and Dr. Sara Linton. This gripping eBook bundle contains seven novels in the Will Trent series, including: *TRIPTYCH* *FRACTURED* *UNDONE* *BROKEN* *FALLEN* *CRIMINAL UNSEEN* Also includes the eBook novellas *Snatched* and *Busted* as well as a preview of Karin Slaughter’s highly anticipated thriller *Cop Town!* Praise for Karin Slaughter and her Will Trent

thrillers “One of the best crime novelists in America.”—The Washington Post “Crime fiction at its finest.”—Michael Connelly “Slaughter writes with a razor. . . . Better than Cornwell can ever hope to be.”—The Plain Dealer “Slaughter will have you on the edge of your seat.”—Seattle Post-Intelligencer “Slaughter’s gift for building multilayered tension while deconstructing damaged personalities gives this thriller a nerve-wracking finish.”—USA Today, on Triptych “Heart-pounding. . . . Trent and Mitchell, a pair of complex and deeply flawed heroes, will leave fans clamoring for the next installment.”—Publishers Weekly (starred review), on Fractured “A complicated spider web of secrets and tangles.”—Los Angeles Times, on Undone “Addictive. . . . Slaughter is a terrific writer, and she keeps the emotional tension high throughout.”—The Atlanta Journal-Constitution, on Broken “An absolute master. . . . Slaughter creates some wonderfully complex and mature female characters, a distinctive achievement in the world of thrillers.”—Chicago Tribune, on Fallen “[A] hold-on-to-your-hat, nail-biting story. . . . What raises Slaughter way above the sensational is her wonderful way with characters.”—The Washington Post, on Criminal “No one writes like Slaughter.”—The Huffington Post, on Unseen

**Consciousness, Theatre, Literature and the Arts 2015** DoctorZed Publishing

Most of the roughly 140,000 Holocaust survivors who came to the United States in the first decade after World War II settled in big cities such as New York. But a few thousand chose an alternative way of life on American farms. More of these accidental farmers wound up raising chickens in southern New Jersey than anywhere else. Speaking Yiddish to Chickens is the first book to chronicle this little-known chapter in American Jewish history when these mostly Eastern European refugees - including the author’s grandparents - found an unlikely refuge and gateway to new lives in the US on poultry farms. They gravitated to a section of south Jersey anchored by Vineland, a small rural city where previous waves of Jewish immigrants had built a rich network of cultural and religious institutions. This book relies on interviews with dozens of these refugee farmers and their children, as well as oral histories and archival records to tell how they learned to farm while coping with unimaginable grief. They built small synagogues within walking distance of their farms and hosted Yiddish cultural events more frequently found on the Lower East Side than perhaps anywhere else in rural America at the time. Like refugees today, they embraced their new American identities and enriched the community where they settled, working hard in unfamiliar jobs for often meager returns. Within a decade, falling egg prices and the rise of industrial-scale agriculture in the South would drive almost all of these novice poultry farmers out of business, many into bankruptcy. Some hated every minute here; others would remember their time on south Jersey farms as their best years in America. They enjoyed a quieter way of life and more space for themselves and their children than in the crowded New York City apartments where so many displaced persons settled. This is their remarkable story of loss, renewal, and perseverance in the most unexpected of settings. Author Facebook page

'A very special kind of twisted genius.' SARAH HILARY 'One of the best crime novelists writing today.' TESS GERRITSEN A TESS MONAGHAN MYSTERY Reporter turned Private Investigator Tess Monaghan knows all about the darker side of human nature. But she never expected to be on the receiving end of a court sentence to attend six months' counselling for Anger Management. Tess starts the counselling - but then her attention turns to a series of unsolved homicides. They appear to be overlooked cases of domestic violence. But the more Tess investigates, the more she is convinced that there is just one culprit. The Maryland State Police are sure that the serial killer Tess is now looking for is dead. So he can't be a threat. Can he? But he is very much alive and has found another victim to stalk: Tess. PRAISE FOR THE TESS MONAGHAN SERIES 'Tess is a heroine with a nose for what she is not being told, and she is never content with half the story. These Baltimore novels are effective thrillers, because they are stories about wanting to know what happens next.' Times Literary Supplement 'Whip smart female protagonist, gritty Baltimore setting. Loved Tess!' 5\* reader review 'Readers won't be able to resist Tess, who, like one of Baltimore's famous crabs, sports a tough shell that hides a sweet centre.' BOOKLIST 'Digestible, fun, tense' NPR 'In this series, Lippman has developed sturdy tales, wry humour, and snappy dialogue wrapped around an insider's view of Baltimore.' SUN-SENTINEL 'Tess, is a ballsy, free-spirited woman who thinks on her feet and has a commanding physical presence. . . . Highly recommend' 5\* reader review 'What fun! I discovered a new (to me) mystery series. Tess Monaghan is a terrific main character.' 5\* reader review 'I really have fallen in love with Tess Monaghan. These mystery novels well deserve the awards Lippman has won.' 5\* reader review

*The Power of YOU!* Springer Nature

“So...are we insane?” “Yes.” “And?” “What.” “What.” “Yes?” “You said we were insane.” “Yes. Yes, we’re insane. You asked if we were insane, right?” “And?” “And YES, we’re INSANE. Jesus, Bob.” *Teacher Strategic Book Publishing*

A year has passed since the Second Great Fleet Biplane Excursion and now Phill Bragg attempts to fly his trusty Fleet Finch to a venerable grassroots gathering of antique and classic airplanes on a farm in rural Iowa. For the Third Great Fleet Biplane Excursion, pilot and airplane must again cross the Appalachian Mountains to head northwest into middle America for an aeronautical celebration that has been held annually for sixty years. But this cross-country flight presents more obstacles than ever before and it is never certain they will arrive in time. But, embracing the old adage that it is the journey and not the destination which rewards the traveler, Phill and his Fleet biplane persevere as best they can and they are never disappointed by the wonderful new friends they find or by the vast, unending beauty of the United States.

Programmers who endure and succeed amidst swirling uncertainty and nonstop pressure share a common attribute: They care deeply about the practice of creating software. They treat it as a craft. They are professionals. In *The Clean Coder: A Code of Conduct for Professional Programmers*, legendary software expert Robert C. Martin introduces the disciplines, techniques, tools, and practices of true software craftsmanship. This book is packed with practical advice—about everything from estimating and coding to refactoring and testing. It covers much more than technique: It is about attitude. Martin shows how to approach software development with honor, self-respect, and pride; work well and work clean; communicate and estimate faithfully; face difficult decisions with clarity and honesty; and understand that deep knowledge comes with a responsibility to act. Readers will learn What it means to behave as a true software craftsman How to deal with conflict, tight schedules, and unreasonable managers How to get into the flow of coding, and get past writer’s block How to handle unrelenting pressure and avoid burnout How to combine enduring attitudes with new development paradigms How to manage your time, and avoid blind alleys, marshes, bogs, and swamps How to foster environments where programmers and teams can thrive When to say “No”—and how to say it When to say “Yes”—and what yes really means Great software is something to marvel at: powerful, elegant, functional, a pleasure to work with as both a developer and as a user. Great software isn’t written by machines. It is written by professionals with an unshakable commitment to craftsmanship. *The Clean Coder* will help you become one of them—and earn the pride and fulfillment that they alone possess.

**The Fold** Bloomsbury Publishing

In the fall of 2000, *Gilmore Girls* premiered on the WB and viewers were introduced to the quirky world of Stars Hollow and the Gilmores who had made it their home, mother-daughter best friends Lorelai and Rory Gilmore. With the show in its seventh season on the fledgling CW, *Coffee at Luke's* is the perfect look at what has made the show such a clever, beloved part of the television landscape for so long. What are the risks of having your mother be your best friend? How is *Gilmore Girls* anti-family, at least in the traditional sense? What's a male viewer to do when he finds both mother and daughter attractive? And how is creator Amy Sherman-Palladino like Emily Gilmore? From the show's class consciousness to the way the characters are shaped by the books they read, the music they listen to and the movies they watch, *Coffee at Luke's* looks at the sometimes hilarious, sometimes heartbreaking underpinnings of smart viewer's Tuesday night television staple, and takes them further into Stars Hollow than they've ever been before.

**Broken** Hachette UK

A page-turning science-fiction thriller from the author of *Paradox Bound* and the *Ex-Heroes* series. Step into the fold. It's perfectly safe. The folks in Mike Erikson's small New England town would say he's just your average, everyday guy. And that's exactly how Mike likes it. Sure, the life he's chosen isn't much of a challenge to someone with his unique gifts, but he's content with his quiet and peaceful existence. That is, until an old friend presents him with an irresistible mystery, one that Mike is uniquely qualified to solve: far out in the California desert, a team of DARPA scientists has invented a device they affectionately call the Albuquerque Door. Using a cryptic computer equation and magnetic fields to “fold” dimensions, it shrinks distances so that a traveler can travel hundreds of feet with a single step. The invention promises to make mankind’s dreams of teleportation a reality. And, the scientists insist, traveling through the Door is completely safe. Yet evidence is mounting that this miraculous machine isn't quite what it seems—and that its creators

are harboring a dangerous secret. As his investigations draw him deeper into the puzzle, Mike begins to fear there's only one answer that makes sense. And if he's right, it may only be a matter of time before the project destroys...everything. A cunningly inventive mystery featuring a hero worthy of Sherlock Holmes and a terrifying final twist you'll never see coming, *The Fold* is that rarest of things: a genuinely page-turning science-fiction thriller.

**The Foie Gras Wars** Cambridge Scholars Publishing

Melanie Gibson was an independent woman with a good job, multiple college degrees, and a condo in the trendy part of town. She also had a few mental illnesses, a minor substance abuse problem, and rotten relationship skills. She was a high-functioning crazy who needed a good kick in the pants, literally and metaphorically. In early 2013, as a last desperate means to save her sanity, Melanie turned to a nearly forgotten childhood activity: the Korean martial art of taekwondo. As if the universe were listening, she discovered her West Texas childhood taekwondo instructors' Grandmaster operated a taekwondo school a few miles from her home in Fort Worth, Texas—and she decided to start her training over as a white belt. In taekwondo, Melanie felt like she had a fresh start in more ways than one. She found an inner peace she'd never known before, a sense of community, a newfound confidence, and a positive outlook on life. The kicking and screaming she was doing in class quieted the long-term kicking and screaming in her mind. Funny and frank, *Kicking and Screaming: A Memoir of Madness and Marital Arts* is the story of Melanie's life-changing journey from troubled, lost soul to confident taekwondo black belt.

Self-Belief, Courage & Conviction! Featuring 4 Power Habits of Success. For every 20 babies that are born, only one of them will be deemed 'successful' at the age of 65—only 5% of the population. But those in The 5% Club are no different from anyone else. They have just learned the secret of success, which you can too. The secret is this: Success is merely a habit. A habit of right thinking. A habit of right being. A habit of right doing. When you get your habits right, your membership to The 5% Club is guaranteed. This book is your go-to manual if: • You need to get off the hamster wheel and start living. • You want to thrive, not just survive. • You seek the know-how to manifest the life you want. “Let life happen for you, not to you!” With over two decades of experience as a doctor, mentor and author, Dr. Scott Zarcinas has helped thousands of people get unstuck and back on track. Scott's experiences, tips and strategies will help you find direction, maximise your potential, and create the life you deserve.

**Handbook of Product Placement in the Mass Media** WestBow Press

Read about people, places, and events that will make you cry or just laugh out loud. It will amaze you that these stories actually happened. Human nature can be so entertaining, and this book will capture your imagination and keep you reading.

**"Gems" in a Stone Yard** McGill-Queen's Press - MQUP

Henry Ford lived a simple life of an ordinary salesman. But when the doctor calls time and he suddenly finds his physical body under the death sheet, Henry embarks on an extraordinary odyssey into the afterlife of purgatory where he must use a new voice to avoid eternal death in the lake of fire. As Henry breaks into song guided by a piano man who helps him play with the riddles of pop culture, he dances with the hipster rock-star devil and his band of banditos, covorts with his playful, talented, and sin-sational girlfriend, Lust, makes amends with his family, and witnesses miracles all while attempting to find the Stairway to Heaven and avoid the Highway to Hell. As his musical journey shifts from contemplation into heavier metals, Henry seeks answers to his deepest questions within a cast of characters that teach him that in the end, it is up to all of us to choose between the corrupting influence of evil and the redemptive virtues of good. Filled with classic rock and roll references, wit, and charm, *The Second Death* follows one mans thrilling ride through the afterlife as a battle for his soul begins.

**Connecting the Dots** . . . Pearson Education

A critical introduction to contemporary Canadian playwriting.

**Highways and Heartaches** Hachette UK

“Go back to where you came from, you terrorist!” This is just one of the many warm, lovely, and helpful tips that Wajahat Ali and other children of immigrants receive on a daily basis. Go back where, exactly? Fremont, California, where he grew up, but is now an unaffordable place to live? Or Pakistan, the country his parents left behind a half-century ago? Growing up living the suburban American dream, young Wajahat devoured comic books (devoid of brown superheroes) and fielded well-intentioned advice from uncles and aunties. (“Become a doctor!”) He had turmeric stains under his fingernails, was accident-prone, suffered from OCD, and wore Husky pants, but he was

as American as his neighbors, with roots all over the world. Then, while Ali was studying at University of California, Berkeley, 9/11 happened. Muslims replaced communists as America's enemy #1, and he became an accidental spokesman and ambassador of all ordinary, unthreatening things Muslim-y. Now a middle-aged dad, Ali has become one of the foremost and funniest public intellectuals in America. In *Go Back to Where You Came From*, he tackles the dangers of Islamophobia, white supremacy, and chocolate hummus, peppering personal stories with astute insights into national security, immigration, and pop culture. In this refreshingly bold, hopeful, and uproarious memoir, Ali offers indispensable lessons for cultivating a more compassionate, inclusive, and delicious America.

*Kicking and Screaming* Page Publishing Inc

Cartoon voices of the golden age, 1930-70 In today's world of instant information everyone knows everything about cartoon voices. Animation is a huge business, and Voice Actors are respected. But it wasn't always so. For thirty years before the TV age, countless "Classic Era" cartoons from 1928 to 1970 were seen in movie theatres before the main feature. During that Golden Age,

virtually every cartoon voice actor (with the notable exception of the great Mel Blanc), was resigned to being totally anonymous. Despite creating immortal voices like Droopy, Popeye, Elmer Fudd or Betty Boop, the actors' names simply didn't appear on screen. This book is the first to explore the development of voice artistry from the birth of sound movies to the dawn of TV cartoons, when "voices" finally got screen credit. Documented in this exhaustively researched history is the full story of how acting for cartoons slowly changed from squawks and grunts into an art form. From the earliest days when animators themselves were the only voices, through the gradual hiring of professional radio actors, this book finally names the many artists who were unknown for four decades. Illustrated with rare mugshots of hitherto unknown voices, Volume One is the studio-by-studio saga of how cartoon voice acting took off. Volume Two is the reference section, with insanely detailed voice credits for thousands of cartoons from top animation studios of the Classic Era. Animation fans can finally learn the full story in *Cartoon Voices of the Golden Age*, with never before told insights into one of the most undocumented areas of film history. Keith Scott has spent over forty years as an internationally recognized cartoon voice actor and

impressionist. He narrated two *George of the Jungle* movies, and was the voice of both Bullwinkle J. Moose and the Narrator in *The Adventures of Rocky and Bullwinkle*. He is the author of *The Moose That Roared* and many articles on animation and Hollywood radio history.

**The Will Trent Series 7-Book Bundle** BearManor Media

Sue and Roger attempt to resolve family conflicts and improve their living standards by migrating with their two small children from England to the warmer Great Southern Land to become 'fair dinkum Aussies'. Set from the 1970s, buckle up for a bittersweet roller-coast ride as they encounter the British Australia House, a homicidal charter flight to Australia, an immigration hostel, and befriend true blue Aussies who are suspicious of 'ten pound poms' and anyone who whinges or drinks tea, rather than coffee or beer! Their adventure takes an unexpected right turn as they experience life in a Pacific Archipelago for a while. This is an inspirational, laugh-out-loud story of one small family's triumph over unbelievable odds. Their adventures and challenges of job satisfaction, fishing, family, cultural differences, and death is told with a self-deprecating humour - as Roger and Sue inherit the Aussie witticism.
