The Statue of Liberty, Grand Central Station, Central Park, the Empire State Building . . . these are some of the symbolic images of New York City captured in *Iconic New York Coloring Book*. Twenty-four of these magnificent sights are portrayed in detailed line drawings filled with patterns, abstracts, and florals that are fun to fill in. And colored pencils or pens are all that is needed to bring the drawings to life. Coloring is a great activity for all ages, and no skill is required. With 24 detachable pages to color and frame, *Iconic New York Coloring Book* is the perfect way to capture and remember the best of the Big Apple.

Colorist's Special Effects 2 Artisan Books
Get a feel for your art—literally! *101 Textures in Colored Pencil* teaches you every technique you'll need to give your colored-pencil drawings realistic, palpable texture. There has never been a better opportunity to master textures. Knowing how to make your surfaces and textures look real is one of the most challenging aspects of creating art in colored pencil, even for experienced artists. *101 Textures in Colored Pencil* provides artists with step-by-step instructions for drawing a wide variety of the most common textures and surfaces, including sand, water, metals, foliage, wood, fabrics, stone, grass, hair, and many more. To get you started, this comprehensive guide opens with a review of tools and materials as well as basic skills, such as strokes, effects, and color mixing. Each page of instruction is a comprehensive resource on how to create a specific texture, complete with two to three easy-to-follow steps and a final, detailed image of the finished artwork. Plus, the book is organized into sections based on subject matter, so you can easily find the specific texture you're looking for. An artist's gallery in the back of the book provides examples of the textures in completed works of art. Just a sample of the textures you will learn to render: People: smooth skin; aged skin; straight, curly, and wavy hair; lips Animals & Insects: smooth, curly, and coarse canine fur; elephant skin; feather; fish scales Fabrics & Textiles: burlap, tweed, silk, velvet, leather, lace, sequins Glass, Stone, Ceramics, Wood & Metal: porcelain, polished silver, hammered brass, peeling

paint Food & Beverage: red wine, cut citrus fruit, coconut, peach, dark chocolate Nature: smooth and rough bark, moss, river pebbles, still and rippled lake, clouds *101 Textures in Colored Pencil* includes all the textures you need to create realistic masterpieces in colored pencil.

Reptiles and Amphibians Courier Dover Publications

In this eagerly awaited follow-up to the international bestseller *Fantastic Cities*, artist Steve McDonald uses his unique large-format approach working from actual photographs to create beautifully detailed line drawings of amazing buildings and other structures from around the world. The globe-trotting selection includes buildings from six continents—including Prague's Astronomical Clock, Russia's St. Basil's Cathedral, a Florentine bridge, a Romanian castle, an Indian palace, and many dozens more—alongside fun-to-color details from iconic structures such as the Eiffel Tower, the London Bridge, and the Chrysler Building. The crisp white pages are conducive to a range of applications, and a middle margin keeps all the artwork fully colorable. A dozen imaginative architectural mandala illustrations round out this gorgeous adult coloring book.

Johanna's Christmas Amy Cesari

Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in *The Reverse Coloring Book* has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. *The Reverse Coloring Book* includes 50 original works of

art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.
