Split-field coverages are nothing new. Many coaches around the country run them at all levels of play, but there are not many resources on how to teach them. In Cody Alexander's third book, he breaks down how to teach the many varieties of Quarters coverage. From simple match-Quarters to defending Empty and Quads formations, Coach Alexanders breaks it down and simplifies the concepts for any coach. Xs and Os are great, but the players must still execute and the coach must know when to use each scheme. Match Quarters: A Modern Guidebook to Split-Field Coverages, allows anyone interested in football to have a deeper understanding of the game itself and why each coverage is used. Along with the basics, Coach Alexander gives you multiple tags and variations within each family (Cover 4 and Cover 2). Come learn the Art of X.

The Best Flag Football Plays book is the best way to transform your team and develop the strategy needed to become a winning flag football team. First and foremost, however, this book is not just for Football games played with Flags. This book contains a plethora of passing concepts and strategies that can directly be implemented into any form of football competition. While this book was originally created in response to the increasing popularity of Intramural and Recreational Flag Football leagues, the same principles and strategies can be applied to any type of Football. This can range anywhere from touch football games in the back yard, to Pop Warner youth football games, to 7-on-7 High school tournaments, to Division I College football games played on ESPN. These plays and strategies can be leveraged across any level of modern football to help you score touchdowns and win games. Touchdowns are waiting to be thrown. The Goal Line is waiting to be crossed. The End Zone is waiting for your team to celebrate. Find out how to get there through the plays found in this book.
