Our faculty and students explore the entire lifecycle of materials, from extraction and manufacturing of raw goods to the distribution, usage, and disposal of products. At MIT, you can go classical with the Glass Lab and Forge, or see the future unfold at MIT.nano (due in 2018). MIT School of Engineering | » Graduate You likely need above a 3.0 (although one of my favorite professors told me about a student with a 2.9 who got into Harvard's program), but GPA isn't as important as research experience. Grad school admissions | MIT Admissions All graduate applicants to MIT apply to their individual departments, rather than to the Institute as a whole. AeroAstro uses a department-specific

online graduate application, which can be found here. For more information on graduate admissions in general, please visit the central MIT Graduate Admissions website. Please also see our Graduate Admissions Checklist. Admission Criteria | MIT AeroAstro The master's degree generally requires a minimum of one academic year of study, while the engineer's degree requires two years. Admission to MIT for the master's degree does not necessarily imply an automatic commitment by MIT beyond that level of study. In the School of Engineering, students may be awarded the engineer's degree. Master's Degrees | MIT Graduate Admissions Become a part of the Massachusetts Institute of Technology community. MIT graduate students play

a central role in the Institute's wide-ranging research activities, making a vital contribution to the educational experience of students and faculty, and ultimately leading to the success of the research itself. Home | MIT Graduate Admissions That said, I'd suspect average GPA for incoming graduate students is ~3.9, average GRE for quantitative somewhere from 165 to 170. MIT Graduate Admissions? — College Confidential What you need to know At MIT, graduate degree requirements are determined by the individual departments or programs and approved by the Committee on Graduate Programs (CGP). Each graduate student is officially enrolled in an individual degree program. MIT graduate programs are full-time and work is done chiefly on

campus in collaboration with faculty, peers, and the Institute community. Graduate requirements | MIT Registrar To achieve satisfactory academic progress for purposes of federal student financial assistance, an MIT graduate student must achieve the following qualitative and quantitative standards: Have a cumulative grade point average (GPA) exceeding 4.0 on MIT's 5.0 scale; and.
