Surprise! You've just been laid off from the teaching position in which you have so passionately invested your time, talents and heart for years! What now? Hundreds of thousands of American teachers have been laid off in the last four years as a result of the long term recession that continues to challenge the country's economy. In this book, one of those teachers shares what that experience was like for her, how she coped with unexpected unemployment, and what she learned about finding her way as a teacher without a classroom. Full of not only truthful reflection and encouragement for teachers facing similar situations, this book also offers practical tips for how to handle lay-off and unemployment, and how to prepare yourself as an education professional to expand your career outside your classroom. These are uncertain times, but teachers don't need to feel uncertain about their careers. There IS life as an education professional after lay-off!

A Collegiate Course in the French

Language Bon Voyage! Level 2 Teacher French Made Simple will help you learn

to speak French quickly and easily! An invaluable introduction to one of the most studied languages, French Made Simple is ideal for students, business professionals, and tourists alike.

Teaching the basics of grammar, vocabulary, and culture, it guides you step-by-step through the process of learning and conversing quickly.

Refreshingly easy to understand, French Made Simple includes:

- Grammar basics
- Modern vocabulary
- Helpful verb chart
- French-English dictionary
- Reading exercises
- Economic information
- Common expressions
- Review quizzes
- Complete answer key

Annual Index MR TAN MATH

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to

increase the number of Black men in the classroom.

Multiplying the 2% Penguin

Designed to meet the needs of wide-ability classes, the Camarades French course is divided into four units and fulfils the criteria of the National Curriculum/5-14 Guidelines, fully preparing all pupils for GCSE/Standard Grade examinations. The Teacher's Book contains an overview of each unit; offers clear, concise teaching notes; provides notes for the four assessment sections and the answers to all Pupil's Book exercises; and comprises tapescripts in sequence that are highlighted for ease of reference.

Camarades 4 - Bleu Teacher's Book Second Edition Glencoe/McGraw-Hill School Publishing Company

Voyage is a French course with grammar and progression at its heart designed to help teachers cover all the requirements of the National Curriculum. The course provides clear explanations and a variety of practice activities, making learning and teaching easier. It fully integrates differentiation to meet the needs of a wide-ability range and includes regular assessments such as end-of-unit tests at Key Stage 3 and examination practice at Key Stage 4. It addresses the information and communication technology component of the National Curriculum.

Bon voyage! Level 1, Workbook and Audio Activities Student Edition Nelson Thornes

You're no idiot, of course. You know that shamans are also known as medicine men and women, who use the power of the mind and call on spiritual helpers to heal the afflicted. However, this ancient art has been put to more modern uses, including problem solving, empowerment, and personal mastery. But you don't have to trek through steamy Amazonian jungles or frigid Siberian tundra to become enlightened in the ways of shamanism! The Complete Idiot's Guide® to Shamanism will show exactly how to discover your own shamanic power—and how that power will guide you in your everyday life! In this Complete Idiot's Guide®, you get: --Shamanic history—from its origins in Paleolithic times to its spreading influence today. --Power animals—where to locate them and how they communicate with you. --How to take a shamanic journey—traveling through the Lower, Upper, and Middle Worlds, and exploring your past or future. --Shamanic healing techniques in use with modern medicine.
