"I AM PROSPERITY" That's it! You just took the first step towards a prosperous life. By saying these three simple words, you opened the window of prosperity in your mind. The energy your thoughts create as a result of this time-tested concept is so big, so powerful, and so irresistible that your life will become a magnet attracting success, employment, and wealth of every sort directly to you, where it belongs. The pieces to this puzzle are all at your fingertips, just waiting for you to make them fit. You don't need to search any further for that one missing piece. The techniques in this guide and those three

simple words are all it takes. That's the beauty of this New Thought favorite. Once you start practicing these spiritual principles, it will soon become obvious that you too can be prosperous. *Prosperity Has A Purpose* WestBow Press In "True Prosperity," Robison shares how the choices he's made, attitudes kept, temptations resisted, and relationships he's developed have led to prosperity as God defines it.

*Trust God for Your
Finances* is a detailed, in-depth study of exactly what the Bible has to say about success and prosperity. The principles in this book are not theoretical. They have worked successfully in Jack Hartman's life and in the lives of many people who have followed these principles. Jack carefully points out the differences between the world's system of prosperity and God's laws of prosperity. He explains that all of the warnings in the Bible against financial prosperity are warnings against following the

world's system of prosperity. God's Word clearly indicates that He does want us to prosper as long as this prosperity is achieved by following His laws of prosperity. These laws are laid out in detail in sixteen chapters of specific instruction -- every chapter filled with many verses of Scripture. The book closes with a unique "test" in which readers can test themselves on their knowledge of God's laws of prosperity. Jack Hartman believes that our economy is going to experience a definite down-turn and he urges all Christians to study and apply God's specific instructions for prosperity and success. God's laws of prosperity are not in any way dependent upon the condition of a man-made economic system. Now is the time to start learning and applying these laws.

Holy Ways to Wealth

AuthorHouse

The book is divided into two parts with an introduction. Part 1 has four chapters, and part 2 has three chapters. Part 1 is kingdom keys for succeeding in life, and part 2 is principles for success. The book has seven chapters in whole. The book is all about

succeeding in life, and there are pathways you must follow to get there. Apparently, success is not a destination but a movement upward from one level to the next level. Success can become a failure when you don't continue moving forward. Success of yesterday can become failures of today, if there is no further progress. Through this book, you will understand that failure is a confession, as success is. So when you say it is impossible, you become a failure indeed. Even God cannot help you until you change your confession. Failure is the beginning of success because it tells you to try it again. And in doing it again, you win. Through this book, you will also learn how to invest in God's kingdom, obey his word, and manage your life and time in others to get to your wealthy place. There is a wealthy place God has prepared for you, and he wants you to get there. The pathway to success is summed up in the following: Don't lose the sight of God. You will learn that if you lose the sight of God, you will lose sight of greatness. King Uzziah lost sight of God as well as Apostle Judas Iscariot. Both never

became great. Succeeding through the force of labor. You will understand that your wealth, success, or prosperity is traceable to your assignment or God's purpose you are carrying out. There is no entitlement in title bearing. It is the work you do that bears the title and brings about your wealth. Invest in the kingdom of God. Here in this chapter, you will learn how to serve God properly. You will also know that if you don't serve your purpose, your purpose will become purposeless. Kingdom investment is what brings life increment. Whatever that is saved in God's hands is secured and generates wealth. There is a bank of heaven and given is the channel through which you store up treasures in the bank and righteousness is the medium through which you activate it for withdrawal, and through the name of Jesus withdrawal is made possible. Patience is a divine factor that stabilizes your faith for effective performance in any given areas of life. Obedience is one of the spiritual tests for succeeding in life. You will get to understand that

when you obey God's Word, natural and even spiritual things will obey you. Application is the scientific way of getting answers to any equations of scientific nature, and so it is in the kingdom of God. Manage your life. You will know that God created you to be a leader and a manager. Management is the key to enthronement. You will manage your life through planning, organizing, directing, and controlling. Manage your time wisely. You will get to understand that time is the currency of life and the key to fulfillment. Time management is the proper use of time to achieve all your goals and prioritizing them according to importance. Time management will help you prioritize, know your objective, plan very well, and then schedule your task. Discipline helps to maintain sanity and prepares one for future glory.

7 Spiritual Principles to Successful Living

Trafford Publishing Exploring the cause of failure in the lives of so many and identifying the spiritual principles that will ensure success in life. Excerpt: "There are many financially secured individuals who are absolute failures at everything in life. Many have earned or inherited wealth and have languished in the dungeons of unhappiness because of their wealth. They have never known love, happiness, or freedom. It is true that many wealthy persons covet the happiness and successful lifestyle of people with a small fraction of their financial net worth. True success cannot be limited to the acquiring of physical assets and be based on bank records and balance sheets."

Two young Harvard MBAs on the fast track to wealth and success tell their story of God's

transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research, and practical strategies, *God and Money* offers an honest look at what the Bible says about generous giving. No matter what your salary may be, *God and Money* shows you how you can reap the rewards of radical generosity in your own life. *100% of the author royalties goes toward Christian ministries focused on spreading the Gospel and providing for those in need* "John and Greg realize what everyone should know—that middle-class Americans are among the richest people in world history. It's time for Christ-followers to understand that God has bigger purposes than increasing our standard of living—He wants us to increase our standard of giving." —Randy Alcorn, from the Foreword of *God and Money* John Cortines and Gregory Baumer met as Harvard MBA candidates in a men's Bible study and stopped asking "How much should I give?" and started

asking "How much do I need to keep?" With their top-notch education and rising careers, Cortines and Baumer were guaranteed comfort and security for the rest of their lives. However, when their plans for saving and spending collided with God's purposes for extravagant generosity, they were each compelled to make a life-changing decision that challenges the values held by mainstream America and many Christian commentators. Cortines and Baumer show not only how to radically give, but explain how to do so responsibly. Dive into the story and get equipped with the practical tools to—

What Others are Saying About *God and Money* "This is one of the most thoughtful and well researched books on giving that I have had the pleasure of reading. The frameworks presented in the book can be used by people at all stages of experiencing the joy of generosity." —Waters Davis, President of National Christian Foundation Houston. "With uncommon transparency, John and Greg provide a Gospel-centered and practical perspective on wealth. Through a leveling critique of comfortable Christianity, they challenge us to wholeheartedly pursue the joy of generosity. Read this book and you will be inspired, convicted and thinking differently about using what God has given you for Kingdom impact." —Peter Greer, President & CEO of HOPE International and coauthor of *Mission Drift* "In *God and Money*, Baumer and Cortines challenge Christian readers to consider afresh what generosity looks like in light of the Scripture's radical teaching and the day of affluence in which

we live. Whether or not you agree with all their conclusions or personal practices, you will be challenged and inspired." —Robert L. Plummer, Ph.D., Professor of New Testament Interpretation, The Southern Baptist Theological Seminary "I greatly enjoyed reading *God and Money!* God used the framework Greg and John described to challenge my perspective and practice of generosity. I realized in reading their book that my personal bias is more saver and spender than servant. What I truly desire to be is a fully surrendered servant of Jesus. This book gave me practical frameworks to move in that direction." —Todd Harper, President, *Generous Giving* "The mission of Harvard Business School is "to educate leaders who make a difference in the world," and in John and Greg that mission has been fulfilled abundantly. It has been my privilege to be their teacher, their colleague and now their friend; and I wish them Godspeed as they take the transformative message found in *God and Money* out to their community and to the world beyond. I have learned to expect great

things from them, and they have yet to disappoint." —Derek van Bever, Senior Lecturer in Business Administration; Director, Forum for Growth and Innovation, Harvard Business School

 Becoming successful at managing your money begins with a commitment to follow biblical principles. In doing so, certain areas of your life must be confronted in an honest,

open and accurate manner. You must confront the following areas: A. spiritual B. attitudinal C. habitual D. practical E. personal
 Addressing only selective areas of your financial life will not bring you to a place of success. You must be willing to tackle each area and come face to face with the clear reality of your past decisions. This means developing a new determination to change past spiritual decisions and the adopting of new biblical attitudes toward the management of your money. Only you can make a difference in your financial life. You can be successful at managing your money if you will begin to follow these 30 biblical principles. About the Authors: John & Judy O'Leary have a passion to see God's people step into financial abundance by applying biblical principles in practical ways. As successful entrepreneurs themselves, they feel called to create Kingdom-minded millionaires around the world. They have three grown children and 7 grandchildren. From the Foreword by Donna Partow This successful couple has a clear mandate from the Lord to raise up an army of believers positioned to seize the high ground and see a transfer of wealth away from the wicked. But they recognize that transfer requires something from us: not just faith, but intentional action in accordance with Biblical principles. Deeply grounded in the Word of

God, the book features incredibly practical ideas about how any determined person, no matter how limited their current resources, can position themselves for favor with both God and man. That second part is what most other teachers on this subject have missed. But the O'Leary's nail it on the pages of this inspiring book.

Money Mysteries from the Master Rich Brott

"The Parable of Talents is one of the prominent parables of Christ. The word "talent" by its use in present times connotes the inherent gifts and abilities in people, hence the parable has been used to teach on the stewardship of our God-given gifts and talents. However, the talent as used in this parable was a currency in biblical times just as the dollar is in our days. A second look at this parable shows that it contains powerful secrets for financial abundance. This book is intended on one hand to be a reminder of the things you may have learnt on finances from the Bible. On the other hand, it is intended to ignite a spark in your heart to take practical steps towards wealth creation. It goes a little beyond conventional

teachings on giving, to cultivating wealth-building habits like saving, investing and entrepreneuring. It ends with supernatural wealth building principles through addiction to the Kingdom of God. In this book and the included workbook you will discover how to: Build a Wealth Mentality Develop Financial Intelligence Break the poverty cycle in your life Make, Multiply and Manage Your Money God's way through wise investments Discover and Develop your God-given gifts and abilities to release your financial increase

For many years, the body of Christ around the world has been subject to criticism owing to many Christians' attitudes toward finances and the doctrine of financial prosperity. But where have things gone wrong? Many whom God has entrusted with money have used it to advance their selfish interests at the expense of the advancement of the kingdom of God and society at large. While being financially prosperous is not sinful in itself, the motive behind the desire for money and

its subsequent use often conflicts with biblical standards. The Bible makes a clear distinction between Mammon and God. Both are spirits, and both influence the motive, source, and use of finances. A new breed of kingdom-minded Christians who can be entrusted with heaven's resources must emerge. This book will surely uncover the true source and purpose of finances for Christians who desire to extend the kingdom of God on earth. In this book, you will learn: The difference between kingdom-driven prosperity and Mammon-driven prosperity. The perils and dangers of Mammon in the body of Christ. The kingdom-centered financial practices of a twenty-first century church. The blessings of giving and the correct ways to give to God and society. The biblical source of sustainable wealth for a thriving life and ministry.

God or Mammon? TIm

This Working Wealth Book (Working Wealth) is written out of my passion, concern and desire to see Gods people become more fully developed, purpose-driven and more effective in the Kingdom of God. Our time is short

and much must be done by the Body of Christ to make an impact and a difference on the earth. I firmly believe that as believers and individuals we need more personal development and a real understanding of true wealth. Wealth is not really about money, but rather the richness of our internal system which reveals who we are, our purpose in life, our gifts, talents, abilities and our God given assignment on earth. A truly wealthy person is a valuable and powerful vessel that is internally opulent and abundantly blessed. When we are wealthy we are overflowing with fulfillment, godly purpose, passion, delight and generosity. Jesus is our ultimate example and He said in John 10:10bAMP, I came that they may have and enjoy life, and have it in abundance,(to the full, till it over flows). This is the true definition of wealth and we are assigned and entrusted to be examples of it. In Working Wealth, you will learn all about wealth. You will be given the resources to assist you in your personal development building so you can be a witness of Gods wealth. Personal development is the key to

becoming a truly wealthy individual with all fruitfulness, prosperity, success and effectiveness of a wealthy person.

Thank you for investing in yourself by purchasing the Working Wealth. I can promise you that this book will be a very powerful tool and resource towards building a fulfilling, energizing, exciting and edifying lifestyle. I have found that every person wants to be better, more improved and more effective.

Personal development is the key to reaching those dreams, goals and desires that speak on the inside of you. Why should you live in weakness and lack, when you are full of treasure? Jesus said, in Matthew 25:14-15, For it is like a man who was about to take a long journey and he called his servants together and entrusted them with his property. To one he gave five talents, to another two, to another one, to each according to his own personal ability. Then he departed and left the country. Personal development is taking seriously what has been entrusted to you and investing in it to produce a wealthy, more profitable you.
