Book One of the Shetland Island Mysteries BRILL
 The turn of a card could change your destiny in this captivating middle grade adventure based on the Lotería card game and perfect for fans of *Coco*. While searching for her missing cousin, a young girl is transported to a mythical kingdom, becoming entangled in a perilous game of chance. "A magical, philosophical tale rooted in Mexican lore." —School Library Journal, starred review
 In the hottest hour of the hottest day of the year, a fateful wind blows into Oaxaca City. It whistles down cobbled streets and rustles the jacaranda trees before slipping into the window of an eleven-year-old girl named Clara. Unbeknownst to her, Clara has been marked for la Lotería. Life and Death deal the Lotería cards but once a year, and the stakes could not be higher. Every card reveals a new twist in Clara's fate—a scorpion, an arrow, a blood-red rose. If Life wins, Clara will live to a ripe old age. If Death prevails, she'll flicker out like a candle. But Clara knows none of this. All she knows is that her young cousin Esteban has vanished, and she'll do whatever it takes to save him, traveling to the mythical Kingdom of Las Pozas, where every action has a

price, and every choice has consequences. And though it seems her fate is sealed, Clara just might have what it takes to shatter the game and choose a new path. Karla Arenas Valenti weaves an adventure steeped in magic and mythology—gorgeously illustrated by Dana Sanmar—exploring the notion of free will in a world where fate holds all the cards.

"The buzz...is real. I've read it and was blown away. It's a true nerve-shredder that keeps its mind-blowing secrets to the very end." —Stephen King An Indie Next Pick! A LibraryReads Top 10 Pick! A Library Journal Editors' Pick! STARRED reviews from Library Journal and Publishers Weekly! "Brilliant....[a] deeply frightening deconstruction of the illusion of the self." —The New York Times
 Catriona Ward's *The Last House on Needless Street* is a shocking and immersive read perfect for fans of *Gone Girl* and *The Haunting of Hill House*. In a boarded-up house on a dead-end street at the edge of the wild Washington woods lives a family of three. A teenage girl who isn't allowed outside, not after last time. A man who drinks alone in front of his TV, trying to ignore the gaps in his memory. And a house cat who loves napping and reading the Bible. An unspeakable secret binds them together, but when a new neighbor moves in next door, what is buried out

among the birch trees may come back to haunt them all. “The new face of literary dark fiction.” —Sarah Pinborough At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

There seem to be some odd things going on in the city of London, lately. Take the murders, for instance; quite peculiar. And those missing statues - what's going on there? And shouldn't Saint Paul's have a roof? Odd. . . Horatio Lyle, of course, is no stranger to. . . well, strangeness. In fact, he finds the lure of the unknown quite invigorating. But having just survived the most frightening episode in his life, the last thing he wants is that pompous Lord Lincoln sticking his nose in again and demanding that he take on another case the police are too thick to solve. Of course, His Lordship can be painfully persuasive at times, so it should come as no surprise that Lyle, along with his young proteges Tess (the thief) and Thomas (the toff), and his faithful hound Tate (the smart one), is soon up to his cravat in events of a singularly unscientific nature. Actually, it would all be terribly exciting if only they weren't trying to kill him.

From Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of *Smile*, *Drama*, and *Sisters!* Catrina and her family are moving to the coast of Northern California because her little sister, Maya, is sick. Cat isn't happy about leaving her friends for Bahía de la Luna, but Maya has cystic fibrosis and will benefit from the cool, salty air that blows in from the sea. As the girls explore their new home, a neighbor lets them in on a secret: There are ghosts in Bahía de la Luna. Maya is determined to meet one, but Cat wants nothing to do with them. As the time of year when ghosts reunite with their loved ones approaches, Cat must figure out how to put aside her fears for her sister's sake -- and her own. Raina Telgemeier has masterfully created a moving and insightful story about the power of family and friendship, and how it gives us the courage to do what we never thought possible.

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in *THE GIVER*, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

On the occasion of Jose Guadalupe Posada's (1852-1913) lucentous centenary, a group of historians and writers reflect on different aspects of his life and work. The book contains essays written by Juan Villoro, Helia Bonilla, Montserrat Gali and Rafael Barajas. Added to this is the study by Mercurio Lopez Casillas, which compiles a significant part of Posada's work, organizing it in chronological order and by stamping techniques. It also contains two sections dealing with the technical transition from lead to zinc and examples of the iconographic sources that served as models for the engraver. It also collects about a thousand reproductions of original periodic prints and dozens of unpublished prints. For the quality of the studies, the design, the selection of work and the editorial care Posada: 100 years of skulls is outlined as the indispensable work of the centenary. 868 illustrations

NOW A MAJOR MOTION PICTURE “Utterly charming . . . a big-hearted, flawless coming-of-age tale, as scary and funny as your yearbook picture.”—People (four stars) The year is 1985. Brian Jackson, a working-class kid on full scholarship, has started his first term at university. He has a dark secret—a long-held, burning ambition to appear on the wildly popular British TV quiz show *University Challenge*—and now, finally, it seems the dream is about to become reality. He's made the school team, and they've completed the qualifying rounds and are limbering up for their first televised match. (And, what's more, he's fallen head over heels for one of his teammates, the beautiful, brainy, and intimidatingly posh Alice Harbinson.) Life seems perfect and triumph inevitable—but as his world opens up, Brian learns that a little knowledge can be a dangerous thing. Praise for *A Starter for Ten* “Fresh, edgy and very funny . . . [David Nicholls] has a talent for droll dialogue and a wonderful sense of the ridiculous.”—USA Today “*Starter for Ten* has that elusive Hornby-factor. . . . It's wincingly funny . . . a prospect to savour.”—Arena

A Novel Dark Horse Comics

Funny Bones tells the story of how the amusing calaveras—skeletons performing various everyday or festive activities—came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852-1913). In a country that was not known for freedom of speech, he first drew political cartoons,

much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico's Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.

A Memoir Villard

Learning and Not Learning in the Heritage Language Classroom, a critical ethnography, describes the first year of a teacher-founded charter high school and presents a case-study of compulsory Spanish heritage language instruction with two Spanish-language

teachers, one English dominant and the other Spanish dominant. The study follows the same cohort of Mexican-origin students to their humanities-English class, bringing into focus what works and what does not with this group of learners. Unlike many Spanish heritage language studies, the students in this book did not choose to take part in Spanish class and thus provide unusually raw feedback on their teachers and classes. The engagement and resistance of these students suggests pedagogical directions for engaging Spanish heritage language learners. The book will be of interest to scholars, administrators, students and teachers involved in the delivery and assessment of heritage language classes.

Why is the word madre, "mother," so complicated in Spanish—especially in Mexico? Leaping off the page with energy, insight, and attitude, Liza Bakewell's exploration of language is anything but "just semantics." Why does me vale madre mean worthless, while !qué padre! means fabulous, she asks? And why do one hundred madres disappear when one padre enters the room, converting the group from madres to padres? Thus begins a journey through Mexican culture in all its color: weddings, dinner parties, an artist's studio, heart-stopping taxi rides, angry journalists, corrupt politicians, Blessed Virgins, and mothers both sacred and profane. Along the way, a reader discovers not only an invaluable lexicon of Mexican slang (to be used with caution or not at all) but also thought-provoking reflections on the evolution of language; its winding path through culture, religion, and politics; and, not least, what it means—and what it threatens—to be a creative female, a madre.
