CreateSpace God's original intent for marriage is enviable and imitable success. It was designed to work, not to hit the rocks, leaving "its victims" devastated and inconsolably heartbroken. But isn't that the story in our world today? In this book, Pst (Mrs.) Faith Oyedepo renews her effort to see homes all around the world witness unprecedented change and harmony. Unveiling

tested secrets to making a marriage work, she passionately teaches that purposeful hard work is the only way to enjoy "happily ever after." The New Science of Personal Achievement Rtc Publishing A behind-the-scenes analysis of 21 essential leadership principles from the life of Billy Graham. Billy Graham looms large as one of the twentieth century's most influential and innovative

leaders. Most people are unaware of his remarkable effectiveness as not only preacher and pastor, but as a CEO and a global leader as well. The Leadership Secrets of Billy Graham is full of transferable applications for leaders in the church, parachurch, academia, government, and business. Lively interviews with his closest associates illustrate 21 principles that have driven six decades of

visionary impact. First-hand accounts reveal stories of courageous leadership and growth through painful lessons. Graham's relentless application of core beliefs and leadership principles have resulted in, among many honors, being listed in Gallup's ten 'most admired men' thirty times, more than anyone else. Time magazine named him one of the top ten leaders of the twentieth century. This

book asks: How did this happen? What are the essentials he embraced to achieve such extraordinary results? What can we learn from him and apply to our own leadership roles? This book is dedicated to those readers: who sense the pressing need in today's world for inspired leadership; who rise to leadership's high calling and are willing to carry its weight; who are determined to

deepen and expand their capacities and effectiveness.

ABOUT THE WRITER

Success is a beneficiary of prophetic declarations from men of God; when I was in Nigeria and in America. I believe that God speaks to his people through prophets. I have tons of testimonies, there are catalogues of testimonies from others who believe and declare prophetic

utterances from Prophet, like Bishop David Oyedepo on their lives and over there situations. God has decorated my life by obeying instructions from this man of God and declaring over my life his declarations. I am married and blessed with three wonderful children. *The Force of Freedom* Xulon Press You hold in your hands, a book written by a seasoned and proven minister's wife, for

The Blood-triumph

Simon and Schuster
You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation

of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God’s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective.

Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God’s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of “territory” where we can exercise the measure of our dominion on earth. This dominion is based on the faith,

anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This “territorial” power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In Created for Purpose, you will discover God’s plan for your life as a

loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

of life, guide you into profitable living and ultimately get you into life fulfilment. Forgive So You Can Be Forgiven

Where you go starts with your recognition of who you are in Christ. This book will inspire you to know who you are in Christ. It will motivate you to reach higher levels of success and satisfaction in

life, family, and business. Our salvation in Christ ensures that every one of our needs or godly desires has been provided for by God. Yet many in the body of Christ are suffering and going without. Revelation is the key to developing the faith to receive the inheritance Jesus died to provide for us. One man said, "You are not suffering because there is a great devil, but because of your great

ignorance." Ignorance of our identity in Christ is one reason many Christians are not possessing their divine inheritance. As someone once said, "Your vast inheritance [in Christ] comes only in proportion to your new identity." Our identity will influence what we become, how rich or poor we will be, how high we will climb, even how long we will live. The more revelation a person has of his new

identity in Christ, the more of God's vast promises he will be able to receive and manifest in his life and circumstances . In Revelation of Royalty, you will discover: You cannot rise any higher than your confession and revelation of royalty You are a speaking spirit and have authority over the devil and all his works

Charisma Media Perspectives are very important;

and no institution has been as much a victim of negative perspectives as the marriage institution. However, in this re-edited and expanded edition, Mrs. Faith A. Oyedepo, a well known marriage counsellor, comes up with more insight into the marriage institution. Very convincingly, this book corrects all the wrong-headed views on marriage and concludes that: Marriage

is Gold. However, like every precious metal, time and other resources must be invested to dig it out. This book will heal your home of heartaches, fears and anxiety which have torn many marriages apart. You have in your hand a God-sent instrument to successfully build your marriage hitherto considered only a necessary evil. *Success in*
