 The Kybalion: A Study of the Hermetic
 Philosophy of Ancient Egypt and Greece is
 a book originally published in 1908 by New
 Thought author William Walker Atkinson
 under the pseudonym "The Three
 Initiates". This book is not exactly The
 Kybalion itself, it is more of a critical
 interpretation by Atkinson on hermetic
 philosophy. As such, it should be read with
 this in mind that it is not an authoritative
 hermetic text, but one only dedicated to
 Hermes Trismegistus. The Kybalion
 presents seven universal principles it

proposes to be the Seven Hermetic
 Principles: Mentalism, Correspondence,
 Vibration, Polarity, Rhythm, Cause and
 Effect, and Gender. These principles are
 essentially explications of cycles, and
 before these principles is the notion of the
 primacy of mind as the cause of All
 (philosophical mentalism). This idea of
 mentalism is inspired by what is written
 about the Mind in The Hermetica.
 Coinciding with Spiritualism, New Thought,
 and Theosophy, the book became very
 popular in New Age movements,
 particularly with its notion of spiritual and
 mental alchemy. The Kybalion is a text
 which must be read with this in mind,
 while it is an interpretation of hermetic
 philosophy, it is in part still a relic of its

time. Its influence cannot be understated,
 and the need to read it critically cannot be
 overstated.

Within its pages, we sense their passion for bringing the ancient wisdom of Kabbalah to the contemporary world. This is the spiritual journey that ultimately resulted in Rav Brandwein passing the responsibility of leadership of The Kabbalah Centre to Rav Berg.

From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. Positing that our collective abdication of responsibility -- in every facet of our lives, including business and the economy, the environment, government and politics, healthcare, education, and religion -- has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions (or lack thereof) and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.

"Lash is capable of explaining the mind-bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight. . . . [His] arguments are often lively and entertaining."—Los Angeles Times Fully revised and with a new preface by the author, this timely update is perfect for readers of *The Immortality Key*. Since its initial release to wide acclaim in 2006, *Not in His Image* has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed, illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed. With clarity, author John Lamb Lash explains how a little-known messianic sect propelled itself into a dominant world power, systematically wiping out the great Gnostic spiritual teachers, the Druid priests, and the shamanistic healers of Europe and North Africa. Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth-tellers and keep their own secrets. *Not in His Image* delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history, exploring the richness of the ancient European Pagan spirituality—the Pagan Mysteries, the Great Goddess, Gnosis, the myths of Sophia and Gaia. In the 15th Anniversary Edition, Lash doubles down on his original argument against redemptive ideology and authoritarian deceit. He shows how the Gnostics clearly foresaw the current program of salvation by syringe, and places the Sophianic vision of life centrally in the battle to expose and oppose the evil

agenda of transhumanism, making this well-timed update more relevant than ever. "Sometimes a book changes the world. Not in His Image is such a book. It is clear, stimulating, well-researched, and sure to outrage the experts. . . . Get it. Improve not just your own life, but civilization's chances for survival."—Roger Payne, author of *Among Whales*

In 1905, Jewish leaders calling themselves "Young Turks" met in Masonic lodges in Salonika, Italy, Paris and Vienna. They plotted a coup d'etat against the Sultan of Turkey Abdul Hamid II. Jews and crypto-Jewish Doenmeh of the Committee for Union and Progress took over complete control of the Turkish Empire in 1909. They had several goals. Their primary objective was to establish a segregated "Jewish State" in Palestine. They also sought to instigate World War I, to slaughter entire Christian populations, and to destroy the Turkish Empire and

supplant Islamic religion and culture with a soulless and cultureless society engineered by Jewish positivists in Vienna, Paris, Italy and Salonika. This is their story. **Illumination** La Kabbalah del Éxito En Los Negocios Vivimos una era de crisis económica y en caso de tener algún éxito financiero, la crisis se traslada al área familiar o social, llevando a menudo al empresario a la depresión o a un gran estrés. The Psyche in Chinese Medicine E-Book Pickle Partners Publishing

Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.
