KYLER TAPIA

The Strange Beginnings of Sherlock Holmes Titan Books (US, CA) Sherlock Holmes and Dr. Watson traverse the British Isles and the Italian peninsula in a rousing new series of adventures. After a thrilling jaunt in the far east, Holmes and Watson return to England to address an inheritance left by one of Watson's relatives in Cornwall, half of which he gave to his dear friend, Sherlock Holmes. Financially secure, the two are now free to spend as much time on Baker Street and the Continent as they please, and the duo find themselves as comfortable in Rome on the banks of the Tiber as the Thames. As Holmes rationalizes and ratiocinates his way through case after case, from "The Case of Two Bohemes" to "A Singular Event in Tranquebar," it's all in a day's work, until clues surface that his great nemesis, Professor James Moriarty, might still be alive . . .

Hodder & Stoughton

A rollicking look at popular culture's most beloved sleuth: "For even the casual fan, the history of this deathless character is fascinating" (The Boston Globe). Today he is the inspiration for fiction adaptations, blockbuster movies, hit television shows, raucous Twitter banter, and thriving subcultures. More than a century after Sherlock Holmes first capered into our world, what is it about Sir Arthur Conan Doyle's peculiar creation that continues to fascinate us? Journalist and lifelong Sherlock fan Zach Dundas set out to find the answer. The result is *The Great Detective*: a history of an idea, a biography of someone who never lived, a tour of the borderland between reality and fiction, and a joyful romp through the world Conan Doyle bequeathed us. In this "wonderful book" (Booklist, starred review), Dundas unearths the inspirations behind Holmes and his indispensable companion, Dr. John Watson; explores how they have been kept alive over the decades by writers, actors, and readers; and visits locales—from the boozy annual New York City gathering of one of the world's oldest and most exclusive Sherlock Holmes fan societies; to a freezing Devon heath out of *The Hound of the Baskervilles*; to sunny Pasadena, where Dundas chats with the creators of the

smash BBC series *Sherlock*. Along the way, he discovers the ingredients that have made Holmes go viral—then, now, and as long as the game's afoot.

The MX Book of New Sherlock Holmes Stories Part I Penguin Laurie R. King's Sherlock Holmes and Mary Russell novels—the New York Times bestselling series that Lee Child calls "the most sustained feat of imagination in mystery fiction today"—will never be the same after this bombshell: *The Murder of Mary Russell*.

A Novel Bantam

Literature's greatest detective team investigates a dozen of their best-known cases, including "The Speckled Band," "The Red-Headed League," "The Five Orange Pips," and "A Scandal in Bohemia."

In the Company of Sherlock Holmes: Stories Inspired by the Holmes Canon HMH

In a stunning follow-up to the acclaimed *In the Company of Sherlock Holmes*, Laurie R. King and Leslie S. Klinger present a brand-new anthology of stories inspired by the Arthur Conan Doyle canon. In this follow-up to the acclaimed *In the Company of Sherlock Holmes*, expert Sherlockians Laurie King and Les Klinger put forth the question: What happens when great writers/creators who are not known as Sherlock Holmes devotees admit to being inspired by Conan Doyle stories? While some are highly-regarded mystery writers, others are best known for their work in the fields of fantasy or science fiction. All of these talented authors, however, share a great admiration for Arthur Conan Doyle and his greatest creations, Sherlock Holmes and Dr. Watson. To the editors' great delight, these stories go in many directions. Some explore the spirit of Holmes himself; others tell of detectives themselves inspired by Holmes's adventures or methods. A young boy becomes a detective; a young woman sharpens her investigative skills; an aging actress and a housemaid each find that they have unexpected talents. Other characters from the Holmes stories are explored, and even non-Holmesian tales by Conan Doyle are echoed. The variations are endless! Although not a formal collection of new Sherlock Holmes stories—however some do fit that mold—instead these writers were asked to be inspired by the Conan Doyle canon. The results are breathtaking, for fans of Holmes and Watson as well as readers new to Doyle's

writing—indeed, for all readers who love exceptional storytelling.

A Novel Bantam

"A wonderfully vivid portrait of the man behind Sherlock Holmes . . . Like all the best historical true crime books, it's about so much more than crime."—Tana French, author of *In the Woods* A sensational Edwardian murder. A scandalous wrongful conviction. Sir Arthur Conan Doyle to the rescue—a true story. After a wealthy woman was brutally murdered in her Glasgow home in 1908, the police found a convenient suspect in Oscar Slater, an immigrant Jewish cardsharp. Though he was known to be innocent, Slater was tried, convicted, and consigned to life at hard labor. Outraged by this injustice, Arthur Conan Doyle, already world renowned as the creator of Sherlock Holmes, used the methods of his most famous character to reinvestigate the case, ultimately winning Slater's freedom. With "an eye for the telling detail, a forensic sense of evidence and a relish for research" (The Wall Street Journal), Margalit Fox immerses readers in the science of Edwardian crime detection and illuminates a watershed moment in its history, when reflexive prejudice began to be replaced by reason and the scientific method. Praise for Conan Doyle for the Defense "Artful and compelling . . . [Fox's] narrative momentum never flags. . . . Conan Doyle for the Defense will captivate almost any reader while being pure catnip for the devotee of true-crime writing."—The Washington Post "Developed with brio . . . [Fox] is excellent in linking the 19th-century creation of policing and detection with the development of both detective fiction and the science of forensics—ballistics, fingerprints, toxicology and serology—as well as the quasi science of 'criminal anthropology.'"—The New York Times Book Review "[Fox] has an eye for the telling detail, a forensic sense of evidence and a relish for research."—The Wall Street Journal "Gripping . . . The book works on two levels, much like a good Holmes case. First, it is a fluid story of a crime. . . . Second, and more pertinently, it is a deeper story of how prejudice against a class of people, the covering up of sloppy police work and a poisonous political atmosphere can doom an innocent. We should all heed Holmes's salutary lesson: rationally follow the facts to find the truth."—Time

O Jerusalem Random House

A young girl fearing for her life comes to ask Sherlock Holmes for his help. After having announced her engagement to her stepfather, his behaviour has become even stranger than usual. She is set to inherit her mother's fortune but fears that he wants to kill her to prevent it. As a matter of fact, that is exactly what happened to her older sister. The latter died under mysterious circumstances the day before her wedding, in the middle of the night. Her last words were: "the speckled band". And now her stepfather insists on her sleeping in the very same room in which her sister died. Sherlock Holmes immediately takes the case. "The Adventure of the Speckled Band" is part of "The Adventures of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

And other stories of suspense Simon and Schuster

From USA Today and internationally bestselling author Leonard Goldberg comes *The Daughter of Sherlock Holmes*, a new thrilling tale of the great detective's daughter and her companion Dr. John Watson, Jr. as they investigate a murder at the highest levels of British society. 1914. Joanna Blalock's keen mind and incredible insight lead her to become a highly-skilled nurse, one of the few professions that allow her to use her finely-tuned brain. But when she and her ten-year-old son witness a man fall to his death, apparently by suicide, they are visited by the elderly Dr. John Watson and his charming, handsome son, Dr. John Watson Jr. Impressed by her forensic skills, they invite her to become the third member of their investigative team. Caught up in a Holmesian mystery that spans from hidden treasure to the Second Afghan War of 1878-1880, Joanna and her companions must devise an ingenious plan to catch a murderer in the act while dodging familiar culprits, Scotland Yard, and members of

the British aristocracy. Unbeknownst to her, Joanna harbors a mystery of her own. The product of a one-time assignation between the now dead Sherlock Holmes and Irene Adler, the only woman to ever outwit the famous detective, Joanna has unwittingly inherited her parents' deductive genius.

The Art of Detection Liveright Publishing

The detective team of Sir Arthur Conan Doyle and Dr. Joseph Bell star in this "ingenious" historical mystery (The New York Times Book Review). As many fans of Sherlock Holmes know, Sir Arthur Conan Doyle found inspiration for the great fictional detective in a brilliant Scottish surgeon named Joseph Bell. In an era when science was not often considered in the course of criminal investigations, Bell's emphasis on observation and deduction made him a pioneer in forensics. In *The Dark Water*, Holmes's creator joins forces with Dr. Bell to take on Victorian vagabonds, criminal masterminds, and all manner of mysteries. The pair relentlessly pursues the vicious killer Thomas Neill Cream—and visits a sleepy seaside town where a seventeenth-century legend known as the Dunwich witch has taken on new life. With "a gripping plot and psychologically sophisticated characters" (Publishers Weekly, starred review), *The Dark Water* is a thrilling, atmospheric adventure for historical mystery lovers, offering "an intellectual treat and a downright guilty pleasure" (The Washington Post).

Anatomy of Innocence: Testimonies of the Wrongfully Convicted McFarland

A fifty-year-old cold case involving California royalty comes back to life—with potentially fatal consequences—in this gripping standalone novel from the New York Times bestselling author of the *Mary Russell* and *Sherlock Holmes* series. A magnificent house, vast formal gardens, a golden family that shaped California, and a colorful past filled with now-famous artists: the Gardener Estate was a twentieth-century Eden. And now, just as the Estate is preparing to move into a new future, restoration work on some of its art digs up a grim relic of the home's past: a human skull, hidden away for decades. Inspector Raquel Laing has her work cut out for her. Fifty years ago, the Estate's young heir, Rob Gardener, turned his palatial home into a counterculture commune of peace, love, and equality. But that was also a time when serial killers preyed on innocents—monsters like *The Highwayman*, whose case has just surged back into the public

eye. Could the skull belong to one of his victims? To Raquel—a woman who knows all about colorful pasts—the bones clearly seem linked to *The Highwayman*. But as she dives into the Estate's archives to look for signs of his presence, what she unearths begins to take on a dark reality all of its own. Everything she finds keeps bringing her back to Rob Gardener himself. While he might be a gray-haired recluse now, back then he was a troubled young Vietnam vet whose girlfriend vanished after a midsummer festival at the Estate. But a lot of people seem to have disappeared from the Gardener Estate that summer when the commune mysteriously fell apart: a young woman, her child, and Rob's brother, Fort. The pressure is on, and Raquel needs to solve this case—before *The Highwayman* slips away, or another Gardener vanishes.

The Amazing Rise and Immortal Life of Sherlock Holmes Lindhardt og Ringhof

After his supposed death in a struggle with his nemesis Moriarty, Sherlock Holmes escapes to Florence with the help of his brother Mycroft, where he takes on master criminals out to destabilize the countries of Central Asia.

The Sherlock Holmes Book Andrews UK Limited

Recalling the great muckrakers of the past, an outraged team of America's best-selling writers unite to confront the disasters of wrongful convictions. Wrongful convictions, long regarded as statistical anomalies in an otherwise sound justice system, now appear with frightening regularity. But few people understand just how or why they happen and, more important, the immeasurable consequences that often haunt the lucky few who are acquitted, years after they are proven innocent. Now, in this groundbreaking anthology, fourteen exonerated inmates narrate their stories to a roster of high-profile mystery and thriller writers—including Lee Child, Sara Paretsky, Laurie R. King, Jan Burke and S. J. Rozan—while another exoneree's case is explored in a previously unpublished essay by legendary playwright Arthur Miller. An astonishing and unique collaboration, these testimonies bear witness to the incredible stories of innocent men and women who were convicted of serious crimes and cast into the maw of a vast and deeply flawed American criminal justice system before eventually, and miraculously, being exonerated. Introduced by best-selling authors Scott Turow and Barry Scheck, these master storytellers capture the tragedy of wrongful convictions as never

before and challenge readers to confront the limitations and harsh realities of the American criminal justice system. Lee Child tells of Kirk Bloodsworth, who obsessively read about the burgeoning field of DNA testing, cautiously hoping that it held the key to his acquittal—until he eventually became the first person to be exonerated from death row based on DNA evidence. Judge John Sheldon and author Gayle Lynds team up to share Audrey Edmunds’s experience raising her children long distance from her prison cell. And exoneree Gloria Killian recounts to S. J. Rozan her journey from that fateful "knock on the door" and the initial shock of accusation to the scars she carries today. Together, the powerful stories collected within the Anatomy of Innocence detail every aspect of the experience of wrongful conviction, as well as the remarkable depths of endurance sustained by each exoneree who never lost hope.

Fan Fiction and the Reimagining of BBC's Sherlock Simon and Schuster

Echoes of Sherlock Holmes: Stories Inspired by the Holmes Canon Simon and Schuster

The New Annotated Frankenstein Bantam

A New York Times Book Review Editors' Choice Selection "The most exciting and definitive collection of Lovecraft's work out there." –Danielle Trussoni, New York Times Book Review No lover of gothic literature will want to be without this literary keepsake, the final volume of Leslie Klinger’s tour-de-force chronicle of Lovecraft’s canon. In 2014, The New Annotated H. P. Lovecraft was published to widespread acclaim—vaunted as a “treasure trove” (Joyce Carol Oates) for Lovecraft aficionados and general readers, alike. Hailed by Harlan Ellison as an “Olympian landmark of modern gothic literature,” the volume included twenty-two of Lovecraft’s original stories. Now, in this final volume, best-selling author Leslie S. Klinger reanimates twenty-five additional stories, the balance of Lovecraft’s significant fiction, including “Rats in the Wall,” a post-World War I story about the terrors of the past, and the newly contextualized “The Horror at Red Hook,” which recently has been adapted by best-selling novelist Victor LaValle. In following Lovecraft’s own literary trajectory, readers can witness his evolution from Rhode Island critic to prescient literary genius whose titanic influence would only be appreciated decades after his death. Including hundreds of eye-opening annotations and dozens of rare images, Beyond Arkham finally provides the

complete picture of Lovecraft’s unparalleled achievements in fiction.

Stories Inspired by the Holmes Canon Harper Collins

Interweaving fan fiction studies, world-building, and genre studies, Ann McClellan examines Sherlock and the fan fiction it inspires. Using Sherlock to trace the changing face of fan fiction studies, McClellan's book explores how far fans are willing to go to change the Sherlockian canon while still reinforcing its power and status as the source text. Sherlock's World explores the boundaries between canon, genre, character, and reality through the lenses of fan fiction and world-building. This book promises to be a valuable resource for fan studies scholars, those who write fan fiction, and Sherlock fans alike.

The God of the Hive Simon and Schuster

Bringing Sherlock Holmes from the Victorian Era into the dark days of World War II, this imaginative new thriller confronts the world’s greatest detective with a killer emulating the murders of Jack the Ripper. London, 1942. A killer going by the name of “Crimson Jack” is stalking the wartime streets of London, murdering women on the exact dates of the infamous Jack the Ripper killings of 1888. Has the Ripper somehow returned from the grave? Is the self-styled Crimson Jack a descendant of the original Jack—or merely a madman obsessed with those notorious killings? In desperation Scotland Yard turn to Sherlock Holmes, the world's greatest detective. Surely he is the one man who can sift fact from legend to track down Crimson Jack before he completes his tally of death. As Holmes and the faithful Watson tread the blacked out streets of London, death waits just around the corner. Inspired by the classic film series from Universal Pictures starring Basil Rathbone and Nigel Bruce, which took Sherlock Holmes to the 1940s, this is a brand-new adventure from a talented author who brilliantly evokes one of mystery fiction’s most popular characters.

A novel of suspense featuring Mary Russell and Sherlock Holmes Minotaur Books

A tale of witchcraft in the Northern Isles, in which long-concealed secrets are revealed -- including some that concern the Great Detective himself! -- Cover, p. [4].

The Year of the Gun Titan Books (US, CA)

The clue-puzzle, legal thriller, and classic whodunit are just a few of the subgenres within the widely popular crime fiction genre.

However, despite its popularity among readers, the crime short story genre has yet to be fully explored by scholars. This book offers a deep-dive into crime short stories written by a wide range of authors, tracing the history and evolution of the crime short story. The book offers an accessible and original examination of crime short stories, focusing on compelling themes such as miscarriage of justice, feminism, environmental crime and toxic masculinity.

Adventures of Sherlock Holmes Titan Books (US, CA)

The Sherlock Holmes Book, the latest in DK’s award-winning Big Ideas Simply Explained series, tackles the most “elementary” of subjects—the world of Sherlock Holmes, as told by Sir Arthur Conan Doyle. The Sherlock Holmes Book is packed with witty illustrations, clear graphics, and memorable quotes that make it the perfect Sherlock Holmes guide, covering every case of the world's greatest detective, from A Study in Scarlet to The Adventure of Shoscombe Old Place, placing the sorties in a wider context. Stories include at-a-glance flowcharts that show how Holmes reaches his conclusions through deductive reasoning, and character guides provide handy reference for readers and an invaluable resource for fans of the Sherlock Holmes films and TV series. The Sherlock Holmes Book holds a magnifying glass to the world of Sir Arthur Conan Doyle's legendary detective.

The Adventure of the Speckled Band Cambridge University Press Laurie R. King illuminates the hidden corners of her beloved Mary Russell and Sherlock Holmes series in this dynamic short story collection. In nine previously published short stories and one brand-new, never-before-seen Sherlock Holmes mystery—available together for the first time—Laurie R. King blends her long-running brand of crime fiction with historical treats and narrative sleight of hand. At the heart of the collection is a prequel novella that begins with England’s declaration of war in 1914. As told in Mary Russell’s teenage diaries, the whip-smart girl investigates familial mysteries, tracks German spies through San Francisco, and generally delights with her extraordinary mind—until an unimaginable tragedy strikes. Here too is the case of a professor killed by a swarm of bees; Mrs. Hudson’s investigation of a string of disappearing household items—and a lifelong secret; a revealing anecdote about a character integral to The God of the Hive; the story of Mary’s beloved Uncle Jake and a monumental hand of cards; and a series of postcards in which

Mary searches for her missing husband, Sherlock Holmes. Last but not least, fans will be especially thrilled by Mary's account of her decision, at age ninety-two, to publish her memoirs—and how she concluded that Ms. King should be the one to introduce her voice to the world. Praise for Laurie R. King's Mary Russell mysteries "The most sustained feat of imagination in mystery fiction today."—Lee Child "The great marvel of King's series is

that she's managed to preserve the integrity of Holmes's character and yet somehow conjure up a woman astute, edgy, and compelling enough to be the partner of his mind as well as his heart."—The Washington Post Book World "A lively adventure in the very best of intellectual company."—The New York Times "Erudite, fascinating . . . by all odds the most successful re-creation of the famous inhabitant of 221B Baker Street ever

attempted."—Houston Chronicle "An engaging romp guaranteed to please . . . perfectly written in the style of Sir Arthur Conan Doyle."—USA Today, on Pirate King "Mesmerizing—another wonderful novel etched by the hand of a master storyteller. No reader who opens this one will be disappointed."—Michael Connelly, on The God of the Hive "Historical fiction doesn't get any better than this."—The Denver Post, on The Game
